This eBook edition features exclusive bonus content, Conn Iggulden's original short story "Fig Tree." One of history's most notorious assassinations sets the stage for a riveting tale of political intrigue, epic battle, and righteous retribution in a new novel of ancient Rome from #1 New York Times bestselling author Conn Iggulden. *THE BLOOD OF GODS* Julius Caesar has been cut down. His blood stains the hands of a cabal of bold conspirators, led by famed general Marcus

Brutus—whom Caesar once called a friend. Have these self-proclaimed liberators bravely slain a power-mad tyrant or brutally murdered the beloved Father of Rome? Hailed as heroes by a complicit Senate and granted amnesty, the killers eagerly turn toward plotting the empire's future under their control. But Caesar's death does not rest easily with all of Rome. For two men whose bonds of friendship, family, and fidelity to the emperor are unbreakable, the shocking assassination is nothing less than treason. And those responsible must pay with their lives. Through countless battles and years of peace, Marc Antony has wielded a sword and raised a cup at Caesar's side. Now, in the wake of the cold-blooded coup, he is powerless against the political might of Brutus and his treacherous senators. Yet with no weapons other than eloquence and outrage, Antony will turn the tide of public opinion and spark a rebellion that will set the streets of Rome ablaze. At the same time, Gaius Octavian, adopted son and chosen heir of Caesar, has gained wealth and influence beyond imagining. But the soul-deep wound of his father's death will never be healed by gold or power. He will rest only with the blood of the killers on his blade. Drawn together by their common cause, Antony and Octavian marshal their forces into an avenging army on a mission to reunite all that Caesar's fall has torn asunder. Even as his cohorts flee for their lives—or fall prey to vigilantes—a defiant Brutus vows never to relinquish what his ruthless ambition has won him. As opposing legions join in mortal combat, the destiny of Rome will turn on which of their commanders is the mightiest and most cunning. Marking the author's triumphant return to the setting of his celebrated Emperor series, *The Blood of Gods* unfolds with unmatched power, electric with the high-adventure storytelling, captivating historical detail, and stirring battle scenes for which Conn Iggulden is renowned. Praise for Conn Iggulden's Empire series "Dramatic historical fiction to keep adults turning pages like enthralled kids . . . [Iggulden] is a grand storyteller. . . . A spirited, entertaining read."—USA Today "Exhilarating . . . Words like 'brilliant,' 'sumptuous' and 'enchanted' jostle to be used, but scarcely convey the way Iggulden brings the schoolbook tale to life, or the compelling depictions of battle, treachery and everyday detail in a precarious world well lost but vividly re-created."—Los Angeles Times "What Robert Graves did for Claudius, Conn Iggulden now does for the most famous Roman emperor of them all—Julius Caesar."—William Bernhardt, author of *Criminal Intent* "[Iggulden] excels at describing battle scenes both small-scale and epic."—The Seattle Times "Utterly marvelous . . . Solid research and a real knack for character development bring [Julius Caesar] to life in a truly magical, electrifying way."—The Telegram (St. John's, Newfoundland)

Everyone in Belgium, including her own family, believes she stole millions in a sophisticated con game perpetrated by her then-fiancé, George Everard. To protect herself from the law and the wrath of those who lost everything, she creates a new identity, a Frenchwoman named Vivienne Gregsby, and sets out to recover her father's art collection, prove her innocence—and exact revenge on George. When the eccentric and wealthy American art collector Edwin Bradley offers Vivienne the perfect job, she is soon caught up in the Parisian world of post-Impressionists and expatriates—including Gertrude Stein and Henri Matisse, with whom Vivienne becomes romantically entwined. As she travels between Paris and Philadelphia, where Bradley is building an art museum, her life becomes even more complicated: George returns with unclear motives . . . and then Vivienne is arrested for Bradley's murder.
