

Diary Of An Iron Golem And A Snow Golem Book 2 An Unofficial Minecraft Book Minecraft Tales 53

In the thrilling sequel to the New York Times bestselling novel *Minecraft: The Island*, a stranded hero stumbles upon another castaway—and discovers that teamwork might just be the secret to survival. Wandering a vast, icy tundra, the explorer has never felt more alone. Is there anything out here? Did I do the right thing by leaving the safety of my island? Should I give up and go back? So many questions, and no time to ponder—not when dark is falling and dangerous mobs are on the horizon. Gurgling zombies and snarling wolves lurk in the night, and they're closing in. With nowhere to hide, the lone traveler flees up a mountain, trapped and out of options . . . until a mysterious figure arrives, fighting off the horde singlehandedly. The unexpected savior is Summer, a fellow castaway and master of survival in these frozen wastes. Excited to find another person in this strange, blocky world, the explorer teams up with Summer, whose impressive mountain fortress as a safe haven . . . for now. But teamwork is a new skill for two people used to working alone. If they want to make it home, they will have to learn to work together—or risk losing everything.

Steve is a prince who has a charmed life, but when his father dies, his mother is forced to marry the evil Duke Herobrine. Herobrine takes over the kingdom after Steve's mother passes as well and Steve is forced to be a servant to him for ten years. When Steve finally has a chance to escape, he finds friends in a group of seven iron golems. But Herobrine has other plans and poisons Steve. Knowing the only way to save him is to find his true love, the seven golems embark to find her. Can Steve be awoken in time to reclaim his crown and take over as rightful ruler of the Overworld? Find out now inside!

Retold from traditional sources and accompanied by David Wisniewski's unique cut-paper illustrations, *Golem* is a dramatic tale of supernatural forces invoked to save an oppressed people. It also offers a thought-provoking look at the consequences of unleashing power beyond human control. The afterword discusses the legend of the golem and its roots in the history of the Jews. A Caldecott Medal Book.

favourite food? What dreams do they have for the future? Peep into the life of one Dragonite to discover the answers and more in this one-of-a-kind, super secret diary! A brand-new illustrated edition of the bestselling adventure novel by author Winter Morgan with 75 full-color illustrations. Perfect for every boy and girl who loves Minecraft! Steve lives on a wheat farm. He has everything he needs to live in the Minecraft world: a bed, a house, and food. Steve likes to spend his mornings in the NPC village and trade his wheat for emeralds, armor, books, swords, and food. One morning, he finds that Zombies have attacked the villagers. The Zombies have also turned the village blacksmith into a Zombie, leaving Steve without a place to get swords. To protect himself and the few villagers that remain, Steve goes on a quest to mine for forty diamonds, which are the most powerful mineral in the Overworld. He wants to craft these diamonds into a diamond sword to shield him and the villagers from the Zombies. Far from his home, with night about to set in, Steve fears for his life. Nighttime is when users are most vulnerable in Minecraft. As he looks for shelter in a temple, he meets a trio of treasure hunters, Max, Lucy, and Henry, who are trying to unearth the treasure under the temple. Steve tells them of his master plan to mine for the most powerful mineral in the Overworld—the diamond. The treasure hunters are eager to join him. Facing treacherous mining conditions, a thunderstorm, and attacks from hostile mobs, these four friends' question if it's better to be a single player than a multiplayer, as they try to watch out for each other and chase Steve's dream at the same time. Will Steve find the diamonds? Will his friends help or hinder the search? Should he trust his new treasure hunter friends? And will Steve get back in time to save the villagers?

GENRE: Children's Adventure (An Unofficial Minecraft Book for Kids Ages 9 - 12 (Preteen) Book 1: The Village Protector Iron Golems are the natural guards of the Minecraft villages. When spawned, their duty is to protect the Villagers from Zombie attacks and repel the invaders from the place. Emet is an Iron Golem and was created by the Villager Kas, who is now his best friend. They both live a peaceful life in a Minecraft village, working on their daily chores and helping each other out. What they still don't know is that Emet and Kas are living inside a Minecraft Server populated by a huge city and many players who are striving to create one of the biggest Servers in the world. The owner's brother was banned from the Server and now returned to grief the city, with plans to summon one of the worst bosses of Minecraft to help him destroy everything. Follow Emet's diary and his encounter with the players of this world, and learn how they must work together to fight against the player who is threatening to shut down this Server. Book 2: Attacked by the Wither The Iron Golem Emet and his friend Kas have developed a stable relationship with the citizens of Mineland. But one person is about to use this relationship to ruin it all: Josh. The Server owner's brother was banned a long time ago and now returned to seek revenge against the good people of Mineland. He intends to spawn the Wither in the world and use it to destroy the village and find the location of Mineland. Emet was tricked by Josh and fell for one of his traps, getting locked up inside the Nether. He had to improvise a way out, but it was too late: in the meantime, Josh kidnapped Kas and escaped to the woods. Now, it's up to Emet and the Golem army to rescue Kas from Josh's hands and put an end to his plans, before he spawns the Wither and uses the creature to destroy Mineland. Book 3: Defeating the Monster After saving Kas from Josh's hands, Emet and his friends must

now find the culprit who has caused so much trouble in Mineland. Josh, who spawned the Wither and escaped after being attacked by his own creature, is still hiding in the server, and John wants to capture him before he does something just as bad as spawning a Wither. In the meantime, the Armies are on their way to battle the Wither, and it's unclear whether they will be able to kill the monster or not. Check Emet's diary and discover what they must do to overcome their challenges and restore peace in the Mineland server. Author's Note: These short stories are for your reading pleasure. So when he learns that the five best students in school that year will get the chance to start warrior training, it's ON.

Can I get a "ramen" from the congregation?! Behold the Church of the Flying Spaghetti Monster (FSM), today's fastest growing carbohydrate-based religion. According to church founder Bobby Henderson, the universe and all life within it were created by a mystical and divine being: the Flying Spaghetti Monster. What drives the FSM's devout followers, a.k.a. Pastafarians? Some say it's the assuring touch from the FSM's "noodly appendage." Then there are those who love the worship service, which is conducted in pirate talk and attended by congregants in dashing buccaneer garb. Still others are drawn to the Church's flimsy moral standards, religious holidays every Friday, or the fact that Pastafarian heaven is way cooler: Does your heaven have a Stripper Factory and a Beer Volcano? Intelligent Design has finally met its match—and it has nothing to do with apes or the Olive Garden of Eden. Within these pages, Bobby Henderson outlines the true facts—dispelling such malicious myths as evolution ("only a theory"), science ("only a lot of theories"), and whether we're really descended from apes (fact: Humans share 95 percent of their DNA with chimpanzees, but they share 99.9 percent with pirates!) See what impressively credentialed top scientists have to say: "If Intelligent Design is taught in schools, equal time should be given to the FSM theory and the non-FSM theory." —Professor

Douglas Shaw, Ph.D. “Do not be hypocritical. Allow equal time for other alternative ‘theories’ like FSMism, which is by far the tastier choice.” –J. Simon, Ph.D. “In my scientific opinion, when comparing the two theories, FSM theory seems to be more valid than classic ID theory.” –Afshin Beheshti, Ph.D. Read the book and decide for yourself!

This official Minecraft novel is a journey into the unknown! Max and Alison are proof that differences don't stand in the way of friendship. Max is always on the lookout for a new adventure—even if it means getting into trouble—while Alison prefers to follow the rules. But both of them are fascinated by the beat-up old journal Max finds and the strange gate its secretive author, the Enchanter, describes: a portal to an otherworldly realm of danger called the Nether. After they use the journal's instructions to craft the portal, Max and Alison squabble over whether to remain safe in the Overworld or to journey into the Nether to find the Enchanter . . . until a fateful accident makes the decision for them. Trapped in a scary new world, Max and Alison find an ally in Freya, a fierce warrior who has been living in the Nether with her beloved wolf, Bunny Biter. With Freya's help, and with the clues that lie in the pages of the mysterious journal, Max and Alison embark on a quest to find the Enchanter, even as the Nether pushes their skills—and their friendship—to the limit.
