Diary of Mr TDH (also Known As) Mr Tall Dark and Handsome A Book for Girls Aged 9 - 12: Books 1, 2 And 3 Createspace Independent Publishing Platform

Mr Tall, Dark and Handsome (Mr TDH for short)...well that is Maddi Bull's (Yes - Maddi from Diary of an Almost Cool Girl) nickname for Richard Jones. Follow his diary entries and see how he feels about Maddi and everything else going on in his life. Sometimes life can be hard, especially if you have recently lost your Mom in a car accident. But Maddi brings a smile to Mr TDH's face. Richard discovers his Mom's fob watch, an old family watch that has been passed down through the generations. He has been told stories by his Grandma about her adventures. Could her stories actually be true? Does the fob watch have something to do with her stories? Will he explore them or will he follow his Dad's advice and leave it be? In Book 2 -True Love- Richard Jones, (also known as Mr. TDH - Mr. Tall Dark and Handsome) has fallen in love with Maddi. She is beautiful, smart and caring...and Richard wants her to be his first girlfriend. He tries to ask her, but things (like embarrassing accidents and annoying people) get in the way. Have you ever heard the saying, 'Two is Company and Three is a Crowd'? Well that is exactly what happens in Book 3 - Girl Wars..Obviously Linda has never heard it! Richard and Maddi are meant to be together. It is obvious that their feelings are strong, so why does Linda try so hard to break them up!!! You'll love Book 3, it is full of twists and turns and even a time traveling journey where Richard goes into the future! What will he discover? Will it affect his feelings? Who does he see in his future? And you'll love the ending!

Are you shy? Do you find it difficult to make and keep new friends? Lots of kids have this problem and this book will teach you how to improve your confidence so that you know how to approach potential new friends. You'll also learn what to do (and what NOT to do) to keep those friends. This book also gives you advice on how to be more popular and what it takes to be a good leader. A perfect book for tween girls who are trying to establish their place in their social world.

"...funny, entertaining and exciting..." --Dave Allen / Indies Today A fun and exciting fantasy adventure novel for kids and preteens! Girls really can be heroes, and a little magic helps too. Katie is a normal girl living a normal life, until she falls through a glowing crevice in the sidewalk. She makes a note to herself to avoid glowing crevices in the future. On the other side of the crevice lies Dreamland, a realm of fantasy and magic, a place where she can let her imagination soar and develop new powers. Katie has no idea why she's there or what she's supposed to do, and she meets other kids also stunned to find themselves in the same realm of mystery. When a strange woman in white appears, Katie and her friends learn that Dreamland is under a threat only they can stop, while the woman "helps" the kids with incomplete instructions and unclear advice that frustrates them enormously. Through the confusion, Katie has the adventure of a lifetime, with magic, self-discovery, battles, and the potential collision of worlds, while she faces her worst nightmare: her annoying little brother. Can she and her friends fight and defeat the forces of evil? Can she figure out how to get back home? Can she stop her brother from asking for more candy before he destroys the universe? This fantasy adventure novel is perfect for young girls looking for fun, excitement, humor, and a little inspiration to help them develop into everything they want to be! About the Author Jessica Metzger is a normal 11-year-old girl who likes pizza, video games, and most of all, ANIME! She has a passion for drawing, writing, and singing (though she will not sing if you ask her too). She has a failing YouTube channel called iDiamond and makes a few gacha videos too! A Crack in the World is her first book! Let's hope she makes more books, drawings, and more! Reviews From Amazon reviewers: "Engaging story" "Empowering for young girls" "Great teen page-turning adventure" "Fun" "Captivating" "Well written"

When Sarah's parents brought her little brother home from South Korea, she didn't expect so many changes to her life. And nobody expected him to have superpowers! In We Adopted A Superhero, author/illustrator Molly Roth draws from her own memories to create a much-needed children's book about adoption from the perspective of a big sister. This collection of original web-comics explores the joys and challenges experienced by older siblings of adopted children. We Adopted a Superhero is a Girl Scout Gold Award project. All proceeds will be used to provide free copies of the book to adoption agencies and families; any additional money will go to support the mission of Girl Scouts, Hornets' Nest Council.

Why is twelve year old Lucy Parr able to stretch out with her mind and communicate with dolphins? She doesn't know, but her connection to Spirit, a dolphin who lives off the coast of Cornwall, is incredibly important to her. When she returns to Cornwall for the summer, she looks forward to long swims with Spirit and to spending time with her aunt Bethany, a local artist. But when she starts dreaming about another dolphin trapped in a lagoon, she embarks on an adventure with a local boy called Paul that takes her closer to finding out the truth about her own strange ability, what it means to be a 'Dolphin Child', and the fate of another girl like her almost two hundred years before. This is the second in the Dolphin Child trilogy and picks up Lucy's quest to come to terms with her own identity and the loss of her mother following 'The Girl Who Dreamt Of Dolphins'.

A wickedly funny chapter book for middle grade girls about Lily, a headstrong but adorable witch who goes head to head with the schools meanest cheerleaders to try and stamp out bullying.

Ron DiPippo, Professor Emeritus at the University of Massachusetts Dartmouth, is a world-regarded geothermal expert. This single resource covers all aspects of the utilization of geothermal energy for power generation from fundamental scientific and engineering principles. The thermodynamic basis for the design of geothermal power plants is at the heart of the book and readers are clearly guided on the process of designing and analysing the key types of geothermal energy conversion systems. Its practical emphasis is enhanced by the use of case studies from real plants that increase the reader's understanding of geothermal energy conversion and provide a unique compilation of hard-to-obtain data and experience. An important new chapter covers Environmental Impact and Abatement Technologies, including gaseous and solid emissions; water, noise and thermal pollutions; land usage; disturbance of natural hydrothermal manifestations, habitats and vegetation; minimisation of CO2 emissions and
