Without practice, your child's Zulu and English vocabulary will not grow. My First Zulu Dictionary is a picture book for introducing your multilingual child to Zulu and English. Add over 50 every day objects to point at and share to your baby's vocabulary. Grow their knowledge in both Zulu and English. Read aloud and get them used to your pronunciation. Each every day object is also illustrated to help make the connection with the real world. A perfect gift to get children off to a great start in life by learning two languages at the same time: Zulu and English. Suitable for multilingual children 0 to 7 years old. INSTRUCTIONS FOR USE Keep WITHIN REACH of children.

ORPHAN, CLOCK KEEPER, AND THIEF, twelve-year-old Hugo lives in the walls of a busy Paris train station, where his survival depends on secrets and anonymity. But when his world suddenly interlocks with an eccentric girl and her grandfather, Hugo's undercover life, and his most precious secret, are put in jeopardy. A cryptic drawing, a treasured notebook, a stolen key, a mechanical man, and a hidden message from Hugo's dead father form the backbone of this intricate, tender, and spellbinding mystery.

This unique book is arranged in three columns: English, Zulu, and how to pronounce the Zulu words phonetically. This dictionary and phrasebook will serve as a helpful working tool in the classroom, at home, or for businesses and tourists to South Africa. The more you know, the more you grow. So let's all grow together. Simunye.

This is the original and first Zulu-English dictionary to be developed in South Africa. The originators of the dictionary were all leading academics and writers. The development of the Zulu-English dictionary was begun in the 1940s by Wits University lecturers, C. M. Doke and B. W. Vilakazi. Vilakazi, who died in 1947, was the first published Zulu poet and his collection, Amal'eZulu, is listed in the Top 100 African Books of the 20th century. The English-Zulu dictionary was published in 1958 by Doke, Malcolm, and Sikakana. The first combined edition of the two dictionaries (i.e. the present format) was published in 1990. The English-Zulu / Zulu English Dictionary is still the definitive dictionary in these languages. Various revisions have been undertaken over the years to bring the orthography up to date. A new preface, written by Professor J. Khumalo, was added in 1990 and provides an update to the phonological tone markings originally indicated by Vilakazi.

Zulu kasahorow! Learn Zulu the modern way. Start exploring the English-language world with the help of Zulu! This guide to Zulu language collects the most common Zulu phrases and expressions as well as an English-Zulu/Zulu-English dictionary. This phrasebook includes greetings, food items, directions, sightseeing and many other categories of expressions that will help anyone wanting to learn Zulu. All of the expressions are transliterated in English with labeled stress enabling any English speaker to pronounce the words with reasonable accuracy. Native Zulu spelling is also included. This phrasebook is a must for anyone wanting to learn Zulu.

Between 1838 and 1888 the recently formed Zulu kingdom in southeastern Africa was directly challenged by the incursion of Boer pioneers aggressively seeking new lands on which to set up their independent republics, by English-speaking traders and hunters establishing their neighboring colony, and by imperial Britain intervening in Zulu affairs to safeguard Britain's position as the paramount power in southern Africa. As a result, the Zulu fought to resist Boer invasion in 1838 and British invasion in 1879. The internal strains these wars caused to the fabric of Zulu society resulted in civil wars in 1840, 1856, and 1882-1884, and Zululand itself was repeatedly partitioned between the Boers and British. In 1888, the old order in Zululand attempted a final, unsuccessful uprising against recently imposed British rule. This tangled web of invasions, civil wars, and rebellion is complex. The Historical Dictionary of the Zulu Wars unravels and elucidates Zulu history during the 50 years between the initial settler threat to the kingdom and its final dismemberment and absorption into the colonial order. A chronology, an introductory essay, a bibliography, maps, photos, and over 900 cross-referenced dictionary entries that cover the military, politics, society, economics, culture, and key players during the Zulu Wars make this an important reference for everyone from high school students to academics.
