Use over 180 stickers to bring each scene bursting into life with beetles, bugs, millipedes, moths and more.

Simple rhymes introduce such large vehicles as dump trucks, fire engines, and tractors, and describe the work that they do. On board pages. In December of 1938, a chemist in a German laboratory made a shocking discovery: When placed next to radioactive material, a Uranium atom split in two. That simple discovery launched a scientific race that spanned 3 continents. In Great Britain and the United States, Soviet spies worked their way into the scientific community; in Norway, a commando force slipped behind enemy lines to attack German heavy-water manufacturing; and deep in the desert, one brilliant group of scientists was hidden away at a remote site at Los Alamos. This is the story of the plotting, the risk-taking, the deceit, and genius that created the world's most formidable weapon. This is the story of the atomic bomb. Bomb is a 2012 National Book Awards finalist for Young People's Literature. Bomb is a 2012 Washington Post Best Kids Books of the Year title. Bomb is a 2013 Newbery Honor book.

Little children will enjoy colouring the pages and seeing their favourite vehicles in action in this bright and cheerful colouring book. Highly-acclaimed graphic novelist Craig Thompson's debut book for young readers about a plucky heroine on a mission to save her dad. For Violet Marlocke, family is the most important thing in the whole galaxy. So when her father goes missing while on a hazardous job, she can't just sit around and do nothing. To get him back, Violet throws caution to the stars and sets out with a group of misfit friends on a quest to find him. But space is vast and dangerous, and she soon discovers that her dad is in big, BIG trouble. With her father's life on the line, nothing is going to stop Violet from trying to rescue him and keep her family together. Visionary graphic novel creator Craig Thompson brings all of his wit, warmth, and humor to create a brilliantly drawn story for all ages. Set in a distant yet familiar future, Space Dumplings weaves themes of family, friendship, and loyalty into a grand space adventure filled with quirky aliens, awesome spaceships, and sharp commentary on our environmentally challenged world. Learn about how grasshoppers make their chirp noises.

This engaging picture reference book contains exactly 1000 things that go, ranging from Roman chariots to stretch limousines and lunar modules. Children will love poring over categories such as 'Emergency vehicles', 'At the building site' and 'On the farm', and spotting surprising vehicles such as the pogo stick and the sideways bicycle. * Pre-readers will enjoy looking and pointing at the beautiful pictures, while older children can use the book as a starting point for discussion or research. The book is an excellent tool for improving vocabulary as each picture is labelled, with an index at the back of the book. Part of the '1000 Things' series, which includes 1000 Things in Nature, 1000 Animals, '1000 Things under the sea' and '1000 Things to eat', the whole series is now being reprinted as attractive hardcover picture books. A colourful rhyming picture book all about trucks and diggers, from the author of international bestseller, Giraffes Can't Dance. Is your little one mad about trucks and diggers? Then they'll love this bright, bold book, packed with all sorts of vehicles - including dumper trucks, diggers, cranes, fire engines, transporters and more. Read about all the amazing things they do, then decide which one you would choose to drive! From the creators of the bestselling Rumble in the Jungle and Commotion in the Ocean.

Suggested level: junior.

Gramps takes Brother, Sister, and Honey around town to learn all about construction vehicles. They see different types of machines workers use at construction sites, farms, and even in the woods. These are certainly no ordinary machines - they are big machines.

From deafening diggers to towering cranes, there's so much to see on the building site! With a hidden bird to find in every scene and fun facts to discover throughout, step inside for hours of entertainment. Look for hidden objects as you work your way through every spread, taking in all the sights. The wonderfully detailed illustrations create busy scenes which will keep children entertained. Not only this...your children will learn along the way, too! Fantastic spot book activities, combined with non-fiction settings, make for an informative and entertaining series.

The magic of Paint by Sticker Kids continues, combining the fun of coloring and stickers with the creativity of paint by number. The series just keeps growing, with another much-loved nature-themed topic: Bugs! Paint by Sticker Kids: Beautiful Bugs includes everything kids need to create 10 full-color illustrations of their favorite creepy-crawlies: a firefly, a praying mantis, a ladybug, butterflies, ants, a painted grasshopper, a dragonfly, beetles, a bumblebee, and a weevil. Simply find the numbered sticker, peel it, and place it in the right space. Add the next, and the next—and watch a dazzling image come to life with color and spirit in the modern "low-poly" style (using geometric polygon shapes). The card-stock pages are perforated so artwork can be easily removed for framing or the fridge. Creating sticker art is as fun and meditative as coloring, and it's a refreshing shake-up from the usual crayons and markers. Plus, the peel-and-place system allows kids to practice recognizing and learning numbers in an interactive, stress-free way. And it's a great rainy day or travel activity (no cleanup!) that delivers hands-on fun for less than \$10.

How does a combine harvester work? Why are a tractor's wheels so wide? This text contains answers to these questions and many more on how tractors work.

The perfect book for any child who is fascinated by building sites and big machines. Creative colouring fun for kids 2 years and up ? Large square book format ? No illustrations on reverse sides

Blast Off Into Outer Space With Stickers It's no wonder the Paint by Sticker Kids series has skyrocketed in sales and now has over 3 million copies in print. What better fun, creative, screen-free, and mess-free activity is there—especially when families are spending more time at home? Introducing the newest interstellar addition to the series: Paint by Sticker Kids: Outer Space goes where no Paint by Sticker book has gone before. Kids will love stickering a Mars rover, a space shuttle, an astronaut, iconic celestial bodies like Saturn, Jupiter, and the Sun, and more! Plus, the back of each image includes a fascinating scientific fact about each galactic subject. The stickers are easy for little hands to handle. And because there's no paint involved, there's no splatter, drips, or hassle of cleanup. Just peel off the stickers, place them on the corresponding numbered spaces, and watch a vibrant image emerge. And, in the spirit of outer space exploration, some images will include awesome glow-in-the-dark stickers.

Little Excavator wants to help the big rigs transform a vacant lot into a neighborhood park, but he's too small. Then he finds a job that's a perfect Little E-sized task.
