You will find all the most popular dinosaur types here--sometimes alone, sometimes interacting with one another! Buy this coloring book today and share the fun and excitement of dinosaurs with a special child! This coloring book is a great non-screen activity to stimulate a child's creativity and imagination. It makes a perfect gift! About this dinosaur coloring book: \* Contains 33 completely unique coloring pages. There are NO duplicate images in this book. \* The pages are single-sided to prevent bleed-through, and so that pages can be removed and displayed without losing an image on the back. \* We have carefully designed each page to be entertaining and suitable for children in the 4 to 8 year-old age range. We have avoided overly-intricate designs as well as overly-simplistic ones. We believe children of this age love coloring fun scenes that fire up their imaginations, not a book full of simple shapes. \* The pages are a nice, large 8.5x11 size.

Young dinosaur enthusiasts can use the four included crayons to complete this Smithsonian coloring and activity book featuring everything from a Triceratops coloring page to T. rex matching activity.
