The prehistoric world and those creatures that inhabited it have held the interest of paleontology fans of all ages. Our knowledge of these animals expands with

each passing year, but outdated and incorrect ideas still persist in modern media. This coloring book strives to challenge those inaccuracies by introducing media that included research to produce scientifically plausible, yet still slightly stylized, dinosaurs. Inside this book, you will find 26 illustrations of dinosaurs species, ranging from their origins in the Triassic, to the modern species that survived the end-Cretaceous extinction event. Each page contains an illustration of varying difficulty, the dinosaurs' genus, the era it lived in, the area it was discovered in, and a few facts about the animal in question.

Buy this coloring book today and share the fun and excitement of dinosaurs with a special child! This coloring book is a great non-screen activity to stimulate a child's creativity and imagination. It makes a perfect gift! About this dinosaur coloring book: * Contains 33 completely unique coloring pages. There are NO duplicate images in this book. * The pages are single-sided to prevent bleed-through, and so that pages can be removed and displayed without losing an image on the back. * We have carefully designed each page to be entertaining and suitable for children in the 4 to 8 year-old age range. We have avoided overly-intricate designs as well as overly-simplistic ones. We believe children of this age love coloring fun scenes that fire up their imaginations, not a book full of simple shapes. * The pages are a nice, large 8.5x11 size.

Thirty dramatic full-page scenes offer accurate depictions of familiar and lesser-known dinosaurs — from the towering predator T. rex to the dainty herbivore Othnielia — plus prehistoric reptiles and fish.

Dinosaurs come to life--with your help! The Smithsonian's National Museum of Natural History and IDW Publishing present a fascinating new coloring book that provides a beautiful and informative tour through the prehistoric world of dinosaurs. With this exquisitely designed coloring book, dinosaur lovers of all ages can explore millions of years of animal wonders, guided by experts from the Smithsonian's National Museum of Natural History and the artistic wizardry of Rachel Curtis (*The Princess Bride: A Storybook to Color*).
