

Diplomatic List Foreign Diplomatic Staffs In The U S

All-new third edition of the essential guide to the Foreign Service

The 1961 Vienna Convention on Diplomatic Relations has for over 50 years been central to diplomacy and applied to all forms of relations among sovereign States. Participation is almost universal. The rules giving special protection to ambassadors are the oldest established in international law and the Convention is respected almost everywhere. But understanding it as a living instrument requires knowledge of its background in customary international law, of the negotiating history which clarifies many of its terms and the subsequent practice of states and decisions of national courts which have resolved other ambiguities. Diplomatic Law provides this in-depth Commentary. The book is an essential guide to changing methods of modern diplomacy and shows how challenges to its regime of special protection for embassies and diplomats have been met and resolved. It is used by ministries of foreign affairs and cited by domestic courts world-wide. The book analyzes the reasons for the widespread observance of the Convention rules and why in the special case of communications - where there is flagrant violation of their special status - these reasons do not apply. It describes how abuse has been controlled and how the immunities in the Convention have survived onslaught by those claiming that they should give way to conflicting entitlements to access to justice and the desire to punish violators of human rights. It describes how the duty of diplomats not to interfere in the internal affairs of the host State is being narrowed in the face of the communal international responsibility to monitor and uphold human rights.

Contains the names & titles of the members of the diplomatic staffs & their spouses of all foreign missions in the U.S. Includes national holiday, addresses, telephone & fax numbers.

Contains the names & titles of the members of the diplomatic staffs of all foreign missions & their spouses. Includes addresses, telephone & fax numbers.

The safety of diplomats has animated recent public and political debates. As diplomatic personnel are increasingly targeted by terrorism and political violence while overseas, sending states are augmenting host nations' security measures with their own. Protective arrangements range from deploying military, police, and private security guards to relocating embassies to suburban compounds. Yet, reinforced security may also hamper effective diplomacy and international relations. Scholars and practitioners from around the world bring to light a large body of empirical information available for the first time in Diplomatic Security. This book explores the global contexts and consequences of keeping embassies and their personnel safe. The essays in this volume offer case studies that illustrate the different arrangements in the U.S., China, the United Kingdom, France, Germany, Italy, Turkey, Israel, and Russia. Considering the historical and legal contexts, authors examine how states protect their diplomats abroad, what drives changes in existing protective arrangements, and how such measures affect the safety of diplomats and the institution of diplomacy. Diplomatic Security not only reveals how a wide variety of states handle security needs but also illuminates the broader theoretical and policy implications for the study of diplomacy and security alike.

This annual publication lists all the representatives of foreign states and Commonwealth countries in London, with the names and designations of their diplomatic staff, and contact details. National days, consuls, both honorary and career, and representatives of British Overseas Territories are also listed, and there is a directory of international organisations.

Directory of foreign diplomatic officers in Washington.

The Code of Federal Regulations is the codification of the general and permanent rules published in the Federal Register by the executive departments and agencies of the Federal Government.

This annual publication lists the staffs of British Diplomatic and Consular posts overseas and in the Foreign and Commonwealth Office in London. The list describes the organisation of the service and the careers of its members. Part 1 covers home departments, Part 2 deals with British representation overseas, and Part 3 consists of chronological lists of Secretaries of State, Ministers of State, Permanent Under-Secretaries and Ambassadors, High Commissioners, Permanent Representatives to international organisations and Governors and Commanders-in-Chief of Overseas Territories. The final part is an alphabetical listing with biographical notes of established members of the Diplomatic Service.

Contains the names of the members of the diplomatic staffs of all missions and their spouses. Members of the diplomatic staff are the members of the staff of the mission having diplomatic rank. Countries are listed in alphabetic order. The names of the staffs are not in protocol order of precedence. Also includes a chronological list of national holidays around the world; a list of diplomats in order of precedence and date of presentation of credentials; and the web site and the e-mail addresses of embassies, when available. The information was compiled as of Jan., 2003.

This is an alphabetical list of all the representatives of foreign states and Commonwealth countries in London, with names and designations of the diplomatic staff. In addition to outlining the composition of the foreign embassies and Commonwealth High Commissions in London, it provides their addresses and the telephone numbers of each department. In the first section information is given in alphabetical order of country. Then follows a list of the representatives in order of their precedence in each class, a table of each country's National Days throughout the year, a Directory of International Organizations, a list of Career Consuls-Genera and Consuls as well as a list of other representatives offices and organizations in the United Kingdom.
