How to Make Animated Films Tony White,2013-08-22 Sadly the days of the traditional studio apprenticeship in animation are long gone but this book enables the reader to find the next best thing, watching and observing a Master Animator at work. Become Tony White's personal animation apprentice, and experience the golden era of the great Disney and Warner Brothers studios right in your own home or studio. Tony White's Animation Master Class is uniquely designed to cover the core principles of animated movement comprehensively. It offers a DVD with animated movies and filmed excerpts of the author at his drawing board to illustrate the concepts as the work is being created. Tony White's Animation Master Class offers secrets and unique approaches only a Master Animator could share. The book comes out of the author's six years of real-world professional experience teaching animation, and 30 years of professional experience. Whether you want to become a qualified animator of 2D, 3D, Flash or any other form of animation, Tony White's foundations bring you closer to that goal. The DVD is invaluable, in that readers are not only taught principles and concepts in the book, they are able to see them demonstrated in action in the movies on the DVD.

Writing for Animation Laura Beaumont,Paul Larson,2021-06-17 Animation is one of the fastest growing mediums in the film and television world - whether it's Frozen or Paw Patrol, Family Guy or Rick and Morty. This book is the definitive guide to storytelling for writers, directors, storyboard artists and animators. Suitable for both the student and the professional, it provides indispensable knowledge on the entire process of writing for animated movies, TV series and short films. The reader will be provided with all the tools necessary to produce professional quality scripts that will start, or further, their career in animation. Beginning with the fundamentals of 'why animation?' this book will lead the reader through a series of principles that will raise the level of their storytelling. These principles are tried and tested on a daily basis by the authors who have a

twenty-year track record in the animation industry. Many people are trying to break into the world of writing for animation and a lot of the people who are 'already in' would like to get more work. The reality is that writing for animation is a very specific craft that can be learnt like any other craft. This book will give the reader both the basic and advanced techniques that will put them ahead of the rest of the field.
