It is perfect for both the beginner and long-term motorcycle enthusiast and includes bios of some famous motocross pros who ride Suzuki bikes.

If you do not believe in your heart that people have control over their behavior, then put this book down! It is not for you...but others will read about you in Chapter VI. No Wonder They Are The Way They Are takes an honest, objective, and perhaps painful look at the misbehavior of our children. It examines our society, stumbling blocks, excuses, easy ways out, and more and more and more. What are we doing to our children? And why are we blaming them? Why are we blaming the schools? Why are we blaming ourselves? Or should we? If you are strong enough to look into the mirror and deal with what you see, this book is for you (and your children). This book looks at the problems in an honest and sometimes humorous way and offers solutions that have been around for thousands of years and, in your gut, know to be true.

The book to drive biker fans hog wild. The most complete book on motorcycles covers everything from motorcycle maintenance and appropriate gear to safety tips, new rules and venues, recommended buys, and making the most out of trips on the open road.
