From telemarketers to traffic jams to twenty-item shoppers in the ten-item line, our lives are full of interruptions. They're often aggravating, sometimes infuriating, and can make us want to tell people what we really think about them. But they also tell us something quite important about ourselves. The prophet Jonah's life was interrupted by a clear call of God that made him mad enough and scared enough to run in the completely opposite direction. Yet it wasn't really an interruption. It was an opportunity for Jonah to be involved in something the likes of which the Old Testament world had never seen: national revival in a Gentile country. What if Jonah had seen God's interruption for what it truly was—a divine intervention that held more adventure and possibility than any other thing he could have been doing at the time? What could have felt any better than being directly in the center of God's will? Yet we play it that same way—always running from major pains and minor problems that just don't seem to suit us at the time. Who knows what we're missing by being so interruption avoidant? In this very personal account of opportunities lost and lessons learned, popular conference speaker and author Priscilla Shirer shows how to embrace the amazing freedom and fulfillment that comes from going with God, even when He's going against your grain. .

We are living in such critical times today that it is imperative for believers to learn to use every tool given to us by the Holy Spirit. We are called to be kingdom influencers--to discern the times in which we live, to discern the moves of the Holy Spirit, and to discern angels and demons. With extensive expertise and personal experience, prophetic leader Jane Hamon takes a deep dive, biblically and practically, into one of the least known and most unused gifts of the Holy Spirit, covering the following topics: - discerning the presence of God - discerning the times - discerning angels and demons - discerning the hearts of people around you - acting wisely with what you discern - walking in wisdom and balance - and more This book will help you operate in greater spiritual authority and walk in wisdom as you help build God's kingdom on earth.

Experiences of hearing the voice of God (or angels, demons, or other spiritual beings) have generally been understood either as religious experiences or else as a feature of mental illness. Some critics of traditional religious faith have dismissed the visions and voices attributed to biblical characters and saints as evidence of mental disorder. However, it is now known that many ordinary people, with no other evidence of mental disorder, also hear voices and that these voices not infrequently include spiritual or religious content. Psychological and interdisciplinary research has shed a revealing light on these experiences in recent years, so that we now know much more about the phenomenon of "hearing voices" than ever before. The present work considers biblical, historical, and scientific accounts of spiritual and mystical experiences of voice hearing in the Christian tradition in order to explore how some voices may be understood theologically as revelatory. It is proposed that in the incarnation, Christian faith finds both an understanding of what it is to be fully human (a theological anthropology), and God's perfect self-disclosure (revelation). Within such an understanding, revelatory voices represent a key point of interpersonal encounter between human beings and God.

The Egyptians in Exodus 1 were intent on enslaving the Israelites, wearing them down so that God's chosen people would become disillusioned and not live up to their destiny. Of the original two million Israelites who received God's invitation to enter the Promised Land, only two actually entered it! Similarly, modern day Christians often hear and understand the promises of God each Sunday morning at church but then rarely choose to experience them in everyday life. In *One in a Million*, Bible teacher Priscilla Shirer invites us to change that pattern for good, living beyond our circumstances and expecting to see God move in miraculous ways day after day. Without a doubt, we can find and follow God's purpose for our journey. We can make it to the Promised Land!

Many of us do not trust our own thoughts, feelings, and desires when it comes to discerning God's will. Instead we look outside ourselves to determine what God wants from and for us. In *God's Voice Within*, spiritual director Mark E. Thibodeaux, SJ, shows us how to use Ignatian discernment to access our own spiritual intuition and understand that the most trustworthy wisdom of all comes not from outside sources, but from God working through us. *God's Voice Within* is intended for people who know that there is more to the spiritual life than they are currently experiencing and are ready to take the next step in their walk of faith by making effective discernment—specifically Ignatian discernment—a daily practice. Ultimately, *God's Voice Within* teaches us to discern what is at the root of our actions and emotions, which in turn allows us to respond to God's promptings inside us rather than unconsciously reacting to life around us.

In this memoir, lifelong minister of the gospel Leighton Ford tells his story as a personal history of listening for God's voice. Beginning with his earliest memories, he recounts the different ways God has spoken to him, and the different ways he has learned to listen. What emerges is not just an account of a long and faithful life of Christian service, but a picture of the Christian life—the life of listening.

"I picked it up out of curiosity and I couldn't put it down."--Eugene Peterson Christians are comfortable saying that Christianity is about a relationship with God. Yet many might also say that they sense little meaningful relationship with God in their own lives. After all, the foundation of good relationship is communication—but conversation with God often seems to go only one way. We may sing of walking and talking with God in the garden, His voice falling on our ears, but few have heard that beloved voice themselves. Sam Williamson acknowledges the fundamental human longing to hear God's voice and offers a hopeful supposition: God is always speaking—we've just never been taught how to recognize His voice. Williamson handles this potentially heady topic with his characteristic straightforwardness and leavening humor. This book deftly bridges the gap between solid biblical theology and practical application, addressing topics such as how to truly pray without ceasing, how to brainstorm with God, how to navigate our emotions, how to answer God's questions, and how to hear God's voice for others. *Hearing God in Conversation* offers simple, step-by-step lessons on how to hear God. Williamson begins with Scripture meditation. He then expands the practice of listening for that voice everywhere—in the checkout line, on the job, in a movie theater, and even in silence. From there, he demonstrates how to hear God's guidance when making any decision. By the end, readers' eyes and ears will be opened to the limitless methods through which God speaks.

New York Times best-selling author Shirer (*The Resolution for Women*) brings her most popular speaking topic to print, working from Ephesians 3:20-21 to show how God is our solid rock in life's most trying times.

In the hustle and bustle of today's busy world, sometimes it's hard enough to hear yourself think, much less take a minute to stop and listen for the voice of God. But learning to recognize God's voice and the many ways in which He speaks is vital for following His plan. In *How to Hear from God*, Joyce Meyer shows readers that God reaches out to people every day, seeking a partnership with them to offer guidance and love. She reveals the ways in which God delivers His word and the benefits of asking God for the sensitivity to hear His voice. Joyce asks the question, "Are you listening?" and shares how to do just that.

This book is written to help Christians discern between the voice of God amidst other voices. There are basically three major voices in the universe; the voice of man, the voice of the devil and the voice of God. The importance of recognizing God's voice as a Christian, when we yearn to hear from Him cannot be overemphasized. The question now is; is it possible for God to speak without you recognizing His voice? The answer is a resounding yes. God can actually speak and you won't recognize His voice or hear Him speak. We hear different voices within us, most of the times; our mind speaking, the devil speaking or God speaking. It is very important that we recognize God's voice when He speaks so that we will not deviate from his plans for us. It was that "voice" that allows us to come through the darkest hours of our life. That is what this book is about. It is about going from hearing a barely discernible voice to hearing a clear voice. It is about going from "I think God is saying..." to "I know God is saying..." because when you know what really happened and what is really available to you, you will find a renewed sense of faith, an insatiable new inspiration, and a new path to a deeper relationship with God. This book also reveals what causes us to vacillate in our hearing experience. You will come away from this book knowing how to hear God clearly and what it means when you don't.

When you talk to God, do you ever feel as if you are not getting through? You're not alone. At some point, most believers find themselves grappling with difficult questions like Would God really talk to me personally? and How do I know it's truly God talking, and not my own thoughts? But here's the good news: Hearing God is simpler than you think. It's possible to have a relationship with God that involves both speaking and listening. In fact, it's God's desire; He wants to talk to you. In this revised and expanded edition of a classic work, author and teacher Steve Sampson shows you how to pray not just wishing you'd hear God's voice--but expecting to hear it. Sampson's uncomplicated, practical perspective will help you cultivate the two-way conversation with God you've always longed for. Before long, you'll hear Him speaking into your circumstances and relationships, expressing His love for you and showing you the next steps to take in your life. Don't settle for a one-sided conversation with God. Break through this barrier and develop a sensitive heart that hears--and responds to--God's still, small voice. "With clarity and humor, Steve takes you on a journey to the place of profound simplicity in Christ where hearing Him is as natural as breathing."--Bishop Mark J. Chironna, M.A., Ph.D., Church on the Living Edge, Orlando, Florida

"When we approach God humbly and bow down before Him, we put ourselves in a position to hear from Him." Are you longing to hear God's voice, but feeling disconnected? God wants to speak directly to each of His beloved children, not to just a few "spiritual elite." Priscilla Shirer looks at God's call to Samuel and uncovers six characteristics essential for hearing from God: A simple RELATIONSHIP, unfettered by sin or pride A single-minded WORSHIP, focused on God and His glory A set-apart HOLINESS, determined to live a life that honors Him A still ATTENTIVENESS, willing to be silent before Him A sold-out HUNGER, passionately pursuing God's presence A servant SPIRIT, submitted to God's call Her warmth and honesty, combined with a wealth of practical help, will inspire you to cultivate these traits in your own life. By doing so, you will prepare yourself to draw closer to Him and to hear His voice more clearly.

This practical guide to hearing God's voice shows how an ordinary man who was committed to hearing God and obeying Him became the founder of the largest interdenominational missions organization in the world. Loren Cunningham's dream began with a vision - waves of young people moving out across the continents announcing the Good News of Jesus Christ to the whole earth. Decades later, Loren's vision has grown into an interdenominational movement of Christians from around the world who are dedicated to presenting the Gospel to this generation. How did God move Loren's dream from vision to reality? He led Loren and his wife, Darlene, through a series of tough lessons in guidance. The exciting story of Youth With A Mission has much to teach us about the art of listening to God as we seek to be used by Him. Is That Really You, God? is not only a practical guide to hearing God's voice, but also an amazing testimony to how following His direction can impact our lives and our world for the glory of God's

kingdom. International statesman and conference speaker Loren Cunningham and his wife, Darlene, are the founders of Youth With A Mission. They currently live at the YWAM University of the Nations center in Kona, Hawaii. Loren speaks and teaches internationally. His extensive missionary travels have taken him to every country on earth. We all long to know the will of God in our lives, to obtain answers to our prayers, and to receive tangible evidence of the personal care of our heavenly Father. We deeply desire to hear His voice. And here's the good news: God is not silent. He is constantly reaching out to each of us. Often His voice is quiet and can be heard only in prayer. He frequently breaks into our lives with timely remedies, miraculous encounters, and surprising circumstances that can be explained only by the reality of a loving and caring God. Popular Catholic author and radio host Teresa Tomeo has gathered an inspiring collection of such "Godcidences" from her life, as well as personal stories from a variety of Catholics—including broadcasters Joan Lewis, Al Kresta, Steve Ray, and authors Greg and Julie Alexander—of the unmistakable ways God has spoken to them. In these pages, you'll read about ordinary and extraordinary "come-to-Jesus moments," such as:

- The mysterious man who appeared to an anxious couple at a deserted train station in Italy to give them assistance ... and then just as quickly disappeared
- How a six-word sentence from a husband to his embittered wife served to redirect their marriage from bitterness toward reconciliation and renewal
- A business offer that arrived out of the blue, just as financial ruin threatened the future of a wife and husband recently jolted by an Alzheimer's diagnosis
- The unexpected link between a young woman's moment of despair, as she curled up on the floor of her shower, and the day she kissed the ring of Pope St. John Paul II
- How a car accident led to a life-saving ultrasound for an abortion-minded mother
- What the Holy Spirit inspired a woman to say in a casual airplane conversation that transformed it into a never-to-be-forgotten encounter

These and many more profound and intimate stories will deepen your faith as they remind you of the active presence of God in your life. Each comes with lessons for you to apply to your life and reflections to help you grow in your ability to hear and respond to the still, small, powerful voice of God.

Whom should I marry? What will I do with my life? Do I take this job? Should I invest money in this opportunity? God has bestowed an incredible gift in the heart of every believer. He has given you an internal compass to help guide your life, your family, your children, your finances, and much more. Jentezen Franklin reveals how, through the Holy Spirit, you can tap into the heart and mind of the Almighty. Learn to trust those divine "nudges" and separate God's voice from all other voices in your life. Tap into your supernatural gift of spiritual discernment and you will better be able to fulfill your purpose as a child of God.
