

Discovering Harmony Wishing Well Texas Book 3

Welcome to the Finding Happiness in Harmony series' first journey celebrating the bonds of friendship, love, and life. This feel-good story of first love and best friends will have you believing you too can find it all. Warning: This novel contains a happy ending. Twenty-five-year-old Chloe Larson has never had a relationship or been really kissed by someone. After a rough childhood spent hiding a secret and being ridiculed, Chloe believes she's better off with only friends around her. That way she can't get hurt or misused. She spends weekends living life to the fullest with her best friends and roommates Gaby and Jess and weekdays proving her worth as a newly promoted reporter. The thing is, she doesn't have time for anything romantic. But secretly she longs for that special connection with someone. Chris Sherman is bored of the selfish women who flock to him. Recently out of a relationship, he isn't looking for love. But everything changes when he meets Chloe Larson. She has a way about her that excites and intrigues him, leaving him desperate to get to know her. Will they both find the courage to let each other in and experience the joys and pains of love, life, and happiness to find it all?

Download Ebook Discovering Harmony Wishing Well Texas Book 3

Dear Love Vixen: I've been a little ... down on my luck. (Like flat broke, homeless, and depressed). So my uncle has been letting me crash at his place and deliver coffee for his diner. It was temporary. Till I got on my feet. Anyway, I delivered coffee to this uber-hot executive type on Madison, and well ... mistakes were made. He thought I was his intern! And he put me to work. And I've always kinda wanted to work in advertising so I didn't correct him. I've been interning there now for two weeks, and the thing is, I think there's something developing between me and the hot boss. And I love this job (it'd be better if I was getting paid, of course). But when he finds out I'm not who he thinks I am, and that I never bothered to correct him, it'll all be over! What should I do?

Mistaken Identity on Madison Dear Madison, What the whaaat? First it has to be said, "You go girl!" There I said it, now let's break it down. You've been working for two weeks and are still fake employed, so that says you're doing well at your fake job. I suppose you could just stop showing up but you don't sound like the kind of woman to ghost. Having the hots for your boss, now that's a real pickle.

Sweetie, you know what you have to do. Tell the truth and it will set you free. You just might want to check with the coffee shop as plan B should your truth set you back on the sidewalk. Good luck, hon!
The ? Vixen From USA Today bestselling author
Delancey Stewart

Harmony, Texas, is a small town where dreams are born. As the residents face unexpected endings and new beginnings, they also come face to face with themselves—and what's most important in life...

When Tinch Turner lost his wife, he gave up on living. Now he spends his nights brooding, boozing, and brawling. When one of his escapades lands him in the ER, he finds himself staring up at the beautiful new doctor in town. For the first time in years, he feels a spark, but Addison Spencer wants nothing to do with the unruly rancher—or any man for that matter. She's only in Harmony four months, long enough for the trouble she left behind to be over. But then a vulnerable little boy barrels into both their lives, forcing them out of the past—and into a future where love is just down the road... In the meantime, as Reagan Truman grieves for her beloved uncle, she finds comfort in the makeshift family she's made in Harmony—and in a new baby, the first born in the Wright Funeral Home in 45 years, proving to everyone that life does go on...

From New York Times Bestseller Addison Moore comes a SECOND CHANCE ROMANCE Ryder Capwell crushed her heart. When Laney is auctioned off as a prize at the drama department fundraiser the last person she expects to trade cold hard cash for her company is Ryder. Laney Sawyer used to believe in love and all of the trappings that happily ever after could provide until Ryder Capwell is in love with

All He Wants (The Crossroads Series #9)

Molinar's Diamond is an adventure that starts in the desert city of EL Paso, Texas. Suddenly it thrusts readers into a tumultuous journey of wild and untamed Africa. Back in scorching Texas the roller coaster ride of life continues.

An adventurous slice of waterfront life where mystery surrounds history. A sweet story with likeable characters. If you're looking for a pleasant read about a single mom and her son discovering the charm of a small town, mixed with bits of history, romance and adventure, this one's for you! Gahan uses vivid descriptions of the details of boating, fishing and aquatic life, as well as the physical and

Download Ebook Discovering Harmony Wishing Well Texas Book 3

psychological makeup of this fictional bayside community. Relationships combine with places to play a part in James' life story. James' character is forged by events and his adventures in Harmony Bay. From harrowing life and death experiences on the water to forays into the surrounding hills, each day dawns with a new lesson about life. The boy encounters many wonderful individuals in his new home town. Among them are a magnificent Newfoundland retriever dog named Angus--and Chloe, a beautiful white mare. Angus' master Billy is a kindly closet intellectual and philosophizer who is a physically powerful man strong enough to split firewood with a single blow of his ancient axe. His snowy white beard and recluse nature causes speculation about his identity. Marine biologist Jake Kane is the local hero who sweeps Dory off her feet, adding an element of romance to the story. James learns a great deal from Jake and the dozens of other colorful inhabitants of this amazing waterfront community. Harmony Bay, written for a wide audience that appeals to many levels, examines a slice of small-town life. A modern day mystery, drawn from covert events of the American Revolution, weaves through the story. Ten-year-old James McDonough moves from the crime and violence of the inner-city to a New Englandish East Coast town, Harmony Bay. His widowed mother, Dory, has taken a position as a librarian in this small

Download Ebook Discovering Harmony Wishing Well Texas Book 3

town. Its economy is driven by the whims of nature, nor'easters boiling down the coast, hurricanes lurking off shore, and the barometric rise and fall of shellfish prices.

From the bestselling author of the Guardian Trilogy comes a new romantic suspense... On an ordinary day in early September, Kennedy Shaw leaves for school unaware that within a few minutes the world she knows will be gone - succumbed to an outbreak of epidemic proportions. After finding a safe haven inside the security of her enclosed high school, she learns that four others have survived, one being a bold, mysterious transfer student from Texas whose unruffled demeanor harbors more than a cool interest in her. As they struggle to survive the dead fighting their way inside, will Kennedy discover there is more to life than survival? And will she and the others find a way to live in this terrifying new world?

The Future of Nursing explores how nurses' roles, responsibilities, and education should change significantly to meet the increased demand for care that will be created by health care reform and to advance improvements in America's increasingly complex health system. At more than 3 million in number, nurses make up the single largest segment of the health care work force. They also spend the greatest amount of time in delivering patient care as a profession. Nurses therefore have valuable insights and unique abilities to contribute as partners

Download Ebook Discovering Harmony Wishing Well Texas Book 3

with other health care professionals in improving the quality and safety of care as envisioned in the Affordable Care Act (ACA) enacted this year. Nurses should be fully engaged with other health professionals and assume leadership roles in redesigning care in the United States. To ensure its members are well-prepared, the profession should institute residency training for nurses, increase the percentage of nurses who attain a bachelor's degree to 80 percent by 2020, and double the number who pursue doctorates. Furthermore, regulatory and institutional obstacles -- including limits on nurses' scope of practice -- should be removed so that the health system can reap the full benefit of nurses' training, skills, and knowledge in patient care. In this book, the Institute of Medicine makes recommendations for an action-oriented blueprint for the future of nursing.

"At the very time the need for effective leadership is reaching critical proportions, Michael Fullan's *Leading in a Culture of Change* provides powerful insights for moving forward. We look forward to sharing it with our grantees." --Tom Vander Ark, executive director, Education, Bill and Melinda Gates Foundation "Fullan articulates clearly the core values and practices of leadership required at all levels of the organization. Using specific examples, he convinces us that the key change principles are equally critical for leadership in business and

Download Ebook Discovering Harmony Wishing Well Texas Book 3

education organizations." --John Evans, chairman, Torstar Corporation "In *Leading in a Culture of Change*, Michael Fullan deftly combines his expertise in school reform with the latest insights in organizational change and leadership. The result is a compelling and insightful exposition on how leaders in any setting can bring about lasting, positive, systemic change in their organizations." --John Alexander, president, Center for Creative Leadership "Michael Fullan's work is remarkable. He masterfully captures how leaders can significantly improve their learning and performance, even in the uncontrollable, chaotic circumstances in which they practice. A tour de force." --Anthony Alvarado, chancellor of instruction, San Diego City Schools "Too often schools and businesses are seen as separate and foreign places. Michael Fullan blends the best of knowledge from each into an exemplary template for improving leadership in both."

--Terrence E. Deal, coauthor of *Leading with Soul* Business, nonprofit, and public sector leaders are facing new and daunting challenges--rapid-paced developments in technology, sudden shifts in the marketplace, and crisis and contention in the public arena. If they are to survive in this chaotic environment, leaders must develop the skills they need to lead effectively no matter how fast the world around them is changing. *Leading in a Culture of Change* offers new and seasoned leaders' insights

Download Ebook Discovering Harmony Wishing Well Texas Book 3

into the dynamics of change and presents a unique and imaginative approach for navigating the intricacies of the change process. Michael Fullan--an internationally acclaimed expert in organizational change--shows how leaders in all types of organizations can accomplish their goals and become exceptional leaders. He draws on the most current ideas and theories on the topic of effective leadership, incorporates case examples of large scale transformation, and reveals a remarkable convergence of powerful themes or, as he calls them, the five core competencies. By integrating the five core competencies--attending to a broader moral purpose, keeping on top of the change process, cultivating relationships, sharing knowledge, and setting a vision and context for creating coherence in organizations--leaders will be empowered to deal with complex change. They will be transformed into exceptional leaders who consistently mobilize their compatriots to do important and difficult work under conditions of constant change.

The story of Texas is the story of struggle and triumph in a land of extremes. It is a story of drought and flood, invasion and war, boom and bust, and of the myriad peoples who, over centuries of conflict, gave rise to a place that has helped shape the identity of the United States and the destiny of the world. "I couldn't believe Texas was real," the

Download Ebook Discovering Harmony Wishing Well Texas Book 3

painter Georgia O’Keeffe remembered of her first encounter with the Lone Star State. It was, for her, “the same big wonderful thing that oceans and the highest mountains are.” Big Wonderful Thing invites us to walk in the footsteps of ancient as well as modern people along the path of Texas’s evolution. Blending action and atmosphere with impeccable research, New York Times best-selling author Stephen Harrigan brings to life with novelistic immediacy the generations of driven men and women who shaped Texas, including Spanish explorers, American filibusters, Comanche warriors, wildcatters, Tejano activists, and spellbinding artists—all of them taking their part in the creation of a place that became not just a nation, not just a state, but an indelible idea. Written in fast-paced prose, rich with personal observation and a passionate sense of place, Big Wonderful Thing calls to mind the literary spirit of Robert Hughes writing about Australia or Shelby Foote about the Civil War. Like those volumes it is a big book about a big subject, a book that dares to tell the whole glorious, gruesome, epically sprawling story of Texas.

This is the story of LSD told by a concerned yet hopeful father, organic chemist Albert Hofmann. He traces LSDs path from a promising psychiatric research medicine to a recreational drug sparking hysteria and prohibition. We follow Dr. Hofmanns trek across Mexico to discover sacred plants related to

Download Ebook Discovering Harmony Wishing Well Texas Book 3

LSD, and listen in as he corresponds with other notable figures about his remarkable discovery. Underlying it all is Dr. Hofmann's powerful conclusion that mystical experience may be our planet's best hope for survival. Whether induced by LSD, meditation, or arising spontaneously, such experiences help us to comprehend the wonder, the mystery of the divine in the microcosm of the atom, in the macrocosm of the spiral nebula, in the seeds of plants, in the body and soul of people. Now, more than sixty years after the birth of Albert Hofmann's problem child, his vision of its true potential is more relevant, and more needed, than ever.

Heating up the Holidays Claire Rutledge still believes in love, despite losing her husband. So, after two years, she's not surprised by the steamy dreams telling her it might be time to start moving on. But she didn't expect her friend Justin to have the starring role. Justin McCormick has loved Claire since the moment he first saw her, but his best friend got there first. Now that Claire is ready to move on with her life, Justin is finding it harder than ever to hide his true feelings. And when they both get caught up in the holiday spirits at a party, their simmering mutual attraction boils over into a night neither of them can forget... 20,000 words

Giving true love a spin . . . Michelin Moses is a country music star on the rise. With a hit single under his Texas-sized belt buckle and a sold-out

SEPTEMBER 22, 2019.

From the New York Times bestselling author of the Harmony McLain and Whispering Mountain series'. McCall Harrison was looking for a man. Not a man to love and hold, for her heart had died with her husband. What she needed now was a man for her mission... Sloan Alexander was looking for redemption. The war had stolen his hope and pride. But a beautiful widow promised him honor, if he helped her save the Cheyenne children... Taking the children home to the Great Plains as the Indian War raged, they risked their lives. But when danger ignited their desires, they met the greatest risk of all—falling in love...

The New York Times bestselling graphic memoir from actor/author/activist George Takei returns in a deluxe edition with 16 pages of bonus material! Experience the forces that shaped an American icon -- and America itself -- in this gripping tale of courage, country, loyalty, and love. George Takei has captured hearts and minds worldwide with his magnetic performances, sharp wit, and outspoken commitment to equal rights. But long before he braved new frontiers in STAR TREK, he woke up as a four-year-old boy to find his own birth country at war with his father's -- and their entire family forced from their home into an uncertain future. In 1942, at the order of President Franklin D. Roosevelt, every person of Japanese descent on the west coast was rounded up and shipped to one of ten "relocation centers," hundreds or thousands of miles from home, where they would be held for years under armed guard. THEY CALLED US ENEMY is Takei's firsthand account of those years behind barbed wire, the terrors and small joys of childhood in the

Download Ebook Discovering Harmony Wishing Well Texas Book 3

shadow of legalized racism, his mother's hard choices, his father's tested faith in democracy, and the way those experiences planted the seeds for his astonishing future. What does it mean to be American? Who gets to decide? George Takei joins cowriters Justin Eisinger & Steven Scott and artist Harmony Becker for the journey of a lifetime. New York Times bestseller In their first book, the Junk Gypsies—sisters and stars of the popular Texas-born brand and HGTV show—combine big dreams, stories of roadside treasures found, and down-home design projects inspired by epic makeovers for friends like Miranda Lambert, Billie Joe Armstrong, and Sadie Robertson. Amie and Jolie Sikes, the Thelma and Louise of the design world, are the Junk Gypsies: a family with an addiction to flea markets, wanderlust, and Americana inspired design. In their world, cowgirls are heroes, road trips last forever, and junk is treasured. Beginning with a little bit of faith and a whole lot of heart and soul, the sisters travelled the back roads of America like gypsies, collecting roadside trinkets and tattered treasures while meeting kindred spirits and lively characters along the way. With a mix of hippie, rock n' roll, southern charm, and big dreams, these small-town Texas girls became restless wanderers and owners and operators of their dream business and bohemian brand, Junk Gypsy. Filled with stories from their unique journey as well as DIY projects and bohemian inspired designs, Junk Gypsy is a tribute to all the rowdy gypsies, crafty junkers, free-spirited romantics, and true-blue rebels who have ever dared to dream big. From New York Times bestseller, Kendall Ryan, comes a sexy new standalone novel. My tempting and very alpha friend Sterling Quinn is someone I consider off-limits. It's not just that we're friends, he's also cocky, confident, and British, which means he's a walking aphrodisiac. But lately he's been giving me the look. You know the one. When he thinks I'm not

Download Ebook Discovering Harmony Wishing Well Texas Book 3

paying attention, and his gaze lingers for too long. When we start working together, that's when the sexual tension between us gets so thick, I want to hack through it with a machete. I want to make all these deep feelings I've harbored for him disappear, because there's no way this can end well. The lines between business and pleasure become irrevocably blurred, and I'm stuck between a rock and Sterling's very, very hard place. Rather than keep a level head about our growing attraction, Sterling wants to go all in, showing me just how explosive we can be together. But I've been around long enough to know that this British bad boy is more than my heart can handle. I'm not about to be cast aside like yesterday's underwear when he's done having fun. Sterling's never been told no, and he's not about to put his ego aside and play by my rules. But I never thought he'd fight so dirty.

NEW YORK TIMES BEST SELLER • From the world's leading forest ecologist who forever changed how people view trees and their connections to one another and to other living things in the forest—a moving, deeply personal journey of discovery Suzanne Simard is a pioneer on the frontier of plant communication and intelligence; she's been compared to Rachel Carson, hailed as a scientist who conveys complex, technical ideas in a way that is dazzling and profound. Her work has influenced filmmakers (the Tree of Souls of James Cameron's Avatar) and her TED talks have been viewed by more than 10 million people worldwide. Now, in her first book, Simard brings us into her world, the intimate world of the trees, in which she brilliantly illuminates the fascinating and vital truths--that trees are not simply the source of timber or pulp, but are a complicated, interdependent circle of life; that forests are social, cooperative creatures connected through underground networks by which trees communicate their vitality and vulnerabilities with communal lives not that different from our own. Simard writes--in inspiring,

Download Ebook Discovering Harmony Wishing Well Texas Book 3

illuminating, and accessible ways—how trees, living side by side for hundreds of years, have evolved, how they perceive one another, learn and adapt their behaviors, recognize neighbors, and remember the past; how they have agency about the future; elicit warnings and mount defenses, compete and cooperate with one another with sophistication, characteristics ascribed to human intelligence, traits that are the essence of civil societies--and at the center of it all, the Mother Trees: the mysterious, powerful forces that connect and sustain the others that surround them. Simard writes of her own life, born and raised into a logging world in the rainforests of British Columbia, of her days as a child spent cataloging the trees from the forest and how she came to love and respect them—embarking on a journey of discovery, and struggle. And as she writes of her scientific quest, she writes of her own journey--of love and loss, of observation and change, of risk and reward, making us understand how deeply human scientific inquiry exists beyond data and technology, that it is about understanding who we are and our place in the world, and, in writing of her own life, we come to see the true connectedness of the Mother Tree that nurtures the forest in the profound ways that families and human societies do, and how these inseparable bonds enable all our survival.

MAIL-ORDER BRIDES OF THE WEST is a new series created in collaboration by USA Today Bestselling Authors Caroline Fyffe and Debra Holland. Watch for more exciting Mail-Order Brides of the West books to come....

Stand-alone Wishing Well romance, complete with HEA--and plenty of heat and heart along the way! Harmony Briggs always knew what she wanted—until she realized she wanted more. The gorgeous Southern beauty knew that only one man would be able to fulfill her wildest dreams and fantasies, but unfortunately, he was just out of reach... Hudson Reed was used to playing by the rules and sticking to reality. And for the rippling cop, reality meant loving her from afar... When it comes to love, she'll learn that the heart wants what it wants, and he'll learn there's more to her than meets the eye in Discovering Harmony...

A heartfelt middle-grade novel from New York Times bestselling author Barbara O'Connor about a boy whose life is upended after the loss of his older brother—timeless, classic, and whimsical. Walter Tipple is looking for adventure. He keeps having a dream that his big brother, Tank, appears before him and says, "Let's you and me go see my world, little man." But Tank went to the army and never came home, and Walter doesn't know how to see the world without him. Then he meets Posey, the brash new girl from next door, and an eccentric man named Banjo, who's off on a bodacious adventure of his own. What follows is a summer of taking chances, becoming braver, and making friends—and maybe Walter can learn who he wants to be without the brother he always wanted to be like. *Halfway to Harmony* is an utterly

Download Ebook Discovering Harmony Wishing Well Texas Book 3

charming story about change and growing up.

Second in the trilogy that's captured America's heart.

Ever since she claimed Harmony, Texas, as her home, eighteen-year-old Reagan Truman finds herself drawn to others who have made their way here. Shaped by the loneliness she's known most of her life, Reagan has finally found a place she belongs-and doesn't want anything to get in her way. But when her life is put in jeopardy and the whole town comes together to save her, she'll discover that learning to trust the love that's come into our hearts is the greatest gift of all.

In this moving and inspirational memoir, singer Ally Brooke recalls her journey to fame, reveals how she has remained true to her beliefs through her most difficult moments. Featuring sixteen pages of never-before-seen photos, *Finding Your Harmony* takes readers behind-the-scenes of her proudest musical accomplishments, solo success, and her time on *Dancing with the Stars*. Ally Brooke burst onto the music scene as a member of Fifth Harmony, and quickly became a fan favorite with her infectious positivity and approachable attitude – not to mention her incredible voice. Following the band's meteoric rise to fame, she embarked on a solo career, releasing her own hit singles, joining the twenty-eighth season of *Dancing with the Stars*, and showing people everywhere the rewards of hard work and faith. Now in this moving and inspirational memoir, Ally opens up about the experiences that led her to the spotlight, offering lessons from the heart and revealing how her tight-knit, Mexican-American family have helped her to live fearlessly since she was first catapulted into

Download Ebook Discovering Harmony Wishing Well Texas Book 3

stardom. Tracing her success from its beginnings in San Antonio, Texas, Ally details the passion for music that took hold of her at a young age, and how with the help of her family she pushed herself to achieve her dreams, no matter how impossible they seemed. While her rise to fame was rapid, it wasn't always smooth, and Ally candidly discusses the challenges she faced along the way, sharing how she navigated tough moments by staying true to herself and her beliefs. Opening up about her journey since Fifth Harmony disbanded, Ally recalls her tireless efforts to make music on her terms, charting back to back singles in the top 40 and amassing over 200 million collective worldwide streams. She also delves into her time on Dancing with the Stars, demonstrating how she conquered her fears and insecurities on her way to a top three finish and further established herself as a role model for young people the world over. Infused with the positive approach to life and spiritual openness that have fueled Ally's journey, Finding Your Harmony uses her stories to help others follow their inner voices—even when the outside world makes it hard. Wise, grounded, and filled with sixteen pages of never-before-seen photos, Finding Your Harmony is a fascinating glimpse into the life and heart of one of popular music's rising stars.

Their love of forbidden music brings them together, but it could be what tears them apart. Musical prodigy Levi Shetler hasn't touched a piano since he secretly played one many years ago. His strict Amish community forbids instruments or the singing of any music not in their approved songbook. Levi asks God often why music tempts him when playing an instrument isn't allowed in his world. One person knows Levi's talents: Mary Hershberger, the girl who promised years ago to keep his secret. Mary comes from a more liberal district than Levi, but she's facing family troubles of her own. The mutual care for an aging Englisher, Adeline, reunites Mary and Levi as young adults. They realize that, despite their differences, they have a shared love of music—and a shared confusion about whether their talents are God-given gifts or temptations luring them into the English world. The couple realizes they must compromise or part ways, but a tragic accident shakes their decision. Both Mary and Levi will need to reconcile what they love with what their hearts say is right. “Beth Wiseman has penned a poignant story of friendship, faith, and love that

captivated America with her novels set in the small town of Harmony, Texas. Now she tells the story of the three hard-luck men who first settled the town, a place where last chances and long-awaited dreams collide...

Desperate to escape his overbearing father, Patrick McAllen disappears with his bride, heading north to build a new town—discovering strength, honor and true love along the way. After drinking away the grief from his family's death, Clint Truman avoids jail by taking a job in North Texas and settling down with a woman he vows to protect but never love—until her quiet compassion slowly breaks his hardened heart wide open... All Gillian Matheson has ever known is Army life, leaving his true love to be a part-time spouse. But when a wounded Gillian returns home to find her desperately fighting to save their marriage, he's determined to become the husband she deserves. Amidst storms, outlaws, and unwelcome relatives, the three couples band together to build a town—and form a bond that breathes life into the place that will forever be called Harmony.

A detective forever haunted by the night when he couldn't save a young girl from trauma—now she's a cop herself and he has to send her undercover to lure a murderer. "Tight suspense and great chemistry between the lead characters make Jean Brashear's [book] a page-turner." ~RTBookclub 4 ½ of 5 stars Book three in New York Times bestselling Texas romance author Jean Brashear's Lone Star Lovers series about three brothers, this story a uniquely powerful reunion romance between a haunted detective and the woman whose life he once saved. FBI agent Alex Sandoval has never forgiven

himself for not protecting a young girl who was gravely injured and her mother killed before her eyes during his first hostage negotiation twelve years ago. Now Jade Butler is a cop herself, assigned to a prestigious multi-agency task force hunting for the killer of several young girls in Austin, Texas—and Alex is the agent in charge of the case. They never met all those years ago, but Jade recognizes his voice as the one she still hears in her dreams, the voice that has comforted her through many a terrifying flashback. Her role on the task force is undercover, serving as bait for a madman, yet Alex cannot stop trying to protect her as he was unable to do years ago. Tensions ratchet between them as old memories vie with a powerful new attraction, and when Jade is taken hostage by the killer, it's Alex's worst nightmare as he must negotiate once again—only this time, it's to save the woman he loves.

Allissa Layton leads a dull and ordinary life, safe in routines, with no plans to escape. But when she meets businessman, Janos Kovaks, and is introduced to his kinky lifestyle, Allissa's entire world changes... From Charlotte Stein, author of best selling Mischief titles 'Power Play', 'Deep Desires' and 'Make Me'.

He's all business all the time. Now he's suddenly a dad. Fiddle player Eliza Bancroft had to improvise after an unplanned pregnancy four years ago. Instead of pursuing her dream of performing live music, she changed keys and has focused on being a good mom and a sought-after studio musician in Nashville. Her rhythm is set until she spots her son's father in a local magazine and realizes the man she was unable to track

down lives right under her nose in Music City. As head of the family and CEO of North Brothers Sports, Mason North doesn't have time for play. His life mission is to build the family business—his father's legacy—so it can thrive for years to come. When the company's future becomes endangered, he mounts a full-scale assault to protect what matters the most. Then an unforgettable woman from his past lays a four-year-old truth bomb on him that blows up his priorities. Though they come from different worlds, the attraction from before still hums between Eliza and Mason. But Mason has spent a lifetime entrenched solely in business, and Eliza has two hearts to protect. Can he embrace a more harmonious approach and give them a second chance at love? True Harmony is the fourth stand-alone book in the North Brothers series and includes a steamy second-chance romance for a workaholic CEO and a single-mom fiddle player, an overzealous dog named Blitz, and a three-year-old in need of a dad. Submerge yourself into the North Brothers' world now!

Teenage runaway Reagan, who longs for a home to call her own, arrives in Harmony, Texas, pretending to be the granddaughter of late resident Beverly Truman, and finds friendship and family in the home of Beverly's brother.

Presents the text of Alice Walker's story "Everyday Use"; contains background essays that provide insight into the story; and features a selection of critical response. Includes a chronology and an interview with the author.

Like Dorothy waking up over the rainbow in the Land of Oz, Hollywood discovered a vivid new world of color in the 1930s. The introduction of three-color Technicolor technology in 1932 gave filmmakers a powerful tool with which to guide

viewers' attention, punctuate turning points, and express emotional subtext. Although many producers and filmmakers initially resisted the use of color, Technicolor designers, led by the legendary Natalie Kalmus, developed an aesthetic that complemented the classical Hollywood filmmaking style while still offering innovative novelty. By the end of the 1930s, color in film was thoroughly harnessed to narrative, and it became elegantly expressive without threatening the coherence of the film's imaginary world. *Harnessing the Technicolor Rainbow* is the first scholarly history of Technicolor aesthetics and technology, as well as a thoroughgoing analysis of how color works in film. Scott Higgins draws on extensive primary research and close analysis of well-known movies, including *Becky Sharp*, *A Star Is Born*, *Adventures of Robin Hood*, and *Gone with the Wind*, to show how the Technicolor films of the 1930s forged enduring conventions for handling color in popular cinema. He argues that filmmakers and designers rapidly worked through a series of stylistic modes based on the demonstration, restraint, and integration of color—and shows how the color conventions developed in the 1930s have continued to influence filmmaking to the present day. Higgins also formulates a new vocabulary and a method of analysis for capturing the often-elusive functions and effects of color that, in turn, open new avenues for the study of film form and lay a foundation for new work on color in cinema. Fans of RaeAnne Thayne and Debbie Macomber will love this USA Today bestselling author's latest holiday romance about enemies-to-lovers who fall for each other in a small Massachusetts coastal town. Three Christmas wishes. Two total opposites. One magical holiday. It's Evangeline Christmas's favorite time of the year, but instead of wrapping presents and decking the halls, she's worrying about saving her year-round holiday shop from powerful real estate developer Caine Elliot. Although the town has rallied around

Evie, her attempts to stop Caine have been in vain. Now she's risking everything on an unusual proposition she hopes the wickedly handsome CEO can't refuse... How hard can it be to fulfill three wishes from the Angel Tree in Evie's shop? Caine's certain he'll win and the property will be his by Christmas Eve. Yet bringing joy to others also brings back the biggest disappointments in Caine's own holidays past and challenges him to forgive and forget in order to enjoy the present festivities. But just as he dares to dream that Evie could be his Christmas future, a secret from Caine's childhood threatens their merrily-ever-after. Includes the bonus story, "One Night in Christmas!"

A generations-old feud is about to come to a head—and the stakes couldn't be higher with two hearts on the line—in this novel set in the small town of Harmony, Texas. Cord McMillan gave up his freedom at eighteen when he went to jail for a crime he didn't commit. Now, ten years later, he's about to give it up again for a piece of land. Nevada Britain, his neighbor, has just made him an offer he can't refuse: If he'll marry her, she'll sign over a section of property that their families have been fighting over for a hundred years. Nevada refuses to explain why, but Cord knows the bargain is in his favor. He just has one condition—she has to sleep in his bed every night for as long as their doomed marriage lasts. Nevada only wants to maintain her family's legacy—and redeem herself for a wrong she did Cord years ago. But as she spends more time with her husband by necessity, she discovers something unexpected—a love so deep it takes her breath away.
