

Ditched

Chronicles the ditching and rescue of the DC-9 aircraft by U.S. armed forces in the Caribbean Sea, including the errors prior to the accident, details of the rescue, and its impact on the lives of the rescuers and survivors.

Fourth report is accompanied by "Map and profiles of Iowa railroads, 1881".

An elderly aunt wants her wedding to be perfect—and not even murder will get in her way—in “a hoot” of a mystery featuring “scads of loony characters” (Kirkus Reviews). Moving to Arizona to work for a private investigator, Sophie “Phee” Kimball is much closer to her mother Harriet now. And while the antics at Harriet’s retirement community can drive Phee a little crazy, at least they’re together for Aunt Ina’s upcoming wedding. The seventy-four-year-old bridezilla has roped Phee into organizing the tent and the pastries for the lavish affair. But it’s Harriet who really gets demanding when a celebrity chef is found dead on the golf course just outside her front door. Working for a private investigator, Phee is drawn into the case. And with Harriet in a panic about her safety, Phee is doubly committed to solving it. But between planning a wedding and unveiling a murderer, Phee wonders which job might kill her first.

Ditched 4 MurderKensington Cozies

Contains the reports of state departments and officials for the preceding fiscal biennium.

Ditched Dreams is a dazzling novel about workers in a mysterious mine where they must remain for two years without leaving. To escape that suffocating environment, the miners tell tales of frustrated love affairs, revenge, dreams, and witchcraft which are written down and retold by a worker nicknamed Foureyes. The novel is spiced with scatological and picaresque scenes, witchcraft spells and mythological beings, along with science-fiction inventions such as a Pleasurematic. Readers have recognized scenes alluding to classical literary works, biblical passages, adventure novels, old movie serials, and contemporary films. Ditched Dreams is a cavalcade in which down-to-earth Brazilian humor provokes non-stop Rabelaisian laughter as the whip of social criticism. The narrative, essentially oral, includes samples of the vast linguistic mosaic found in Brazilian Portuguese, dexterously adapted into a literary dialect that evokes vernacular English from everywhere and nowhere in particular.

In this zine, the author recounts the events surrounding marches occurring on September 23, 2016 around the University of Pittsburgh Oakland campus.

Summer Clark: Yes, I’m excited for my ten year class reunion—I flew all the way from Florida to Wisconsin so I could rub my success in Josh Nelson’s face. I know it sounds vindictive, but the jerk ditched me at the Snowball dance, left me to find my own ride home, and never apologized. He’s got it coming...if I can get a tow truck to come out in this freak May snowstorm and pull my rental car out of the ditch. Josh Nelson: No, I’m not looking forward to the reunion. Just hearing the name Summer Clark brings back memories of a night I buried long ago and never talked about again. Seeing her means skirting the truth while trying to deliver a way-too-late apology. No, with this storm, I think I’ll head home...as soon as I help this car sunk in the ditch. Clearly, there are two sides to every story.

In witty slice-of-life vignettes and laugh-out-loud cultural riffs, Elizabeth Warner shares her divinely demented view of the world. Raised by a mild-mannered psychiatrist father and a slightly off-kilter mother, Warner opted out of the life that awaited the youth of WASP heaven (aka Philadelphia’s Main Line)—that is, to be “typically weaned, whelped, and privately schooled, whereupon you move on to the roost-and-spawn phase.” Yet no matter how far afield she ventures—to New York to become a master junk-mail marketer or to L.A. to do a little acting—Warner can’t help but feel that sometimes she’s getting nowhere fast on “some kind of Protestant monorail to doom.” Whether she’s spelling out the invisible word “help” on a guy’s shoulder blades during unfulfilling sex, getting out of jury duty by smearing herself with soy sauce, or convincing her mother that the words “career girl” are not her death knell, Warner proves that sometimes it doesn’t matter where you go in life—just as long as you’ve got a killer punch line.

Lonnie Squires has few fond memories of her Aunt Kate, and nearly ten years after her death, the battleaxe is still yanking Lonnie's chain. This time, it's with the dangling promise of a sizeable inheritance after all these years--but there's a catch. It sounds so easy: pick up a valuable, near mint-condition classic Ford Fairlane racecar and drive around Lake Michigan taking photos of herself--and the Fairlane--at appointed landmarks. A weekend of traveling for almost a half million dollars and a pretty cool car? The offer is tempting, but Lonnie can't abandon her parish on a moment's notice. Not when her nemesis has staged an all-out religious war designed to harass Lonnie out of her position as the lone Episcopal priest in Middelburg. Finding another dead body doesn't help matters in the least. In fact, it definitely seems like the end of the road for the inheritance--and only the beginning of an even wilder ride. Ditched joins Toasted and Whacked in this Lambda Literary Award-winning mystery series from Josie Gordon .

There is an answer to the emotional, physical and spiritual horrors of food addiction. The Hungry Ghost is based on Gay Norton Edelman's own personal victory over food addiction and obesity. Combining her training as a journalist focusing on psychological and spiritual problems, and her years of mentoring food addicts and compulsive overeaters, Gay spells out the solutions to eating insanity in clear, warm, realistic, no-holds-barred terms. Included: Her 5 step Feed-the-Hunger Plan. It works if you work it!

Holly has her whole life mapped out. It's simple, really. She just needs to finish her degree in journalism, marry Collin-her high school sweetheart-and live happily ever after. Max has had a crush on his friend Holly since he moved to town four years ago. He's been dreading her wedding since she first sent him a text telling him the news. He's dreading it so much, in fact, that he's decided to move back to his hometown in California immediately following the ceremony. He never thought that a change of plan would include taking Holly with him, showing her that sometimes the happily ever after you really want, is the one you never knew you were looking for.

Ditch McGillicuddy is a rare individual. After facing a plethora of incredible challenges throughout his life, this guy can best be described as a survivor. No matter what has been thrown at him—a couple of bouts with insanity, multiple attempts on his life from reincarnations of Norse deities, marriage, kids—Ditch has always found a way to remain standing. Not only that, he has somehow managed to keep a sense of humor about the seemingly endless obstacles put before him. With the help of his beautiful wife Sunny, Ditch and the band of godly vessels at his side have made great strides in not only helping the less fortunate around the world, but also taking down evildoers at every turn. Lately, though, Ditch has been on the sidelines. When the powers he'd wielded as Odin's Earthly vessel went away a year ago, he had to step down as team leader and now spends his days trudging through life as a mere mortal. If the quest to regain his powers isn't enough of a challenge,

Ditch learns that an anonymous adversary has surfaced with evidence revealing the supernatural abilities that certain members of his group possess. His newest foe's threat to expose these abilities to the world could not only put an end to the group's good deeds, but to their very existence as well. If Ditch fails to thwart the plans of his elusive opponent, this mission could be his last.

On January 15, 2009, about 1527 eastern standard time, US Airways flight 1549, an Airbus Industrie A320-214, N106US, experienced an almost complete loss of thrust in both engines after encountering a flock of birds and was subsequently ditched on the Hudson River about 8.5 miles from LaGuardia Airport (LGA), New York City, New York. The flight was en route to Charlotte Douglas International Airport, Charlotte, North Carolina, and had departed LGA about 2 minutes before the in-flight event occurred. The 150 passengers and 5 crewmembers evacuated the airplane via the forward and overwing exits. One flight attendant and four passengers were seriously injured, and the airplane was substantially damaged beyond repair. The National Transportation Safety Board determines that the probable cause of this accident was the ingestion of large birds into each engine, which resulted in an almost total loss of thrust in both engines and the subsequent ditching on the Hudson River.

Nine years ago, Robert Gale was staring at a blood glucose tester as the number 26.8 beamed back at him. 26.8 on the meter meant that he was an uncontrolled diabetic and was slowly killing himself with every sweet bite and drink he took. Robert knew something had to change. That night, he made a sugar-free resolution. Over the following nine months, Robert lost over 85 lbs. and reversed his diabetes. As he gathered more information after the initial weight loss, Robert was able to keep his waist trim and his blood sugar levels low, and soon he dropped another 25 lbs., for a grand total of 110 lbs., from the scale and off his body. At this point, he knew he needed to share his journey and what he had learned, shedding the myths about weight loss, diets, exercise, and the pitfalls that can ruin the best efforts to be healthy. Sugar Bitch: How I Ditched the Sugar and Ate my Way Out of Type 2 Diabetes and Obesity is Robert's raw, open and honest story of how he went from an uncontrolled diabetic to a man in control of his environment, his body, and his optimal life. Robert laid it out and spared nothing - his trials and tribulations, and his ultimate triumph - in the hope that he can inspire others to make a change and save their lives. Will you be willing to take up the sugar-free resolution and make sugar your bitch?

If you've ever left your GP's office crying tears of frustration, then this book is for you! Crippling joint pain, crashing fatigue and mind-numbing brain fog were just three of my 30+ symptoms when I requested a full blood test at my Doctors appointment... it came back normal...

NORMAL!!! It couldn't be right - I knew I was ill and I was getting worse by the day. I demanded a printout, walked out and sat shaking in my car for the next five minutes when I saw eleven, yes ELEVEN asterisks warning that I was either over or under the expected range in those tests indicating that things were far from 'Normal'!! I drove home crying tears of frustration, got on my laptop and started the journey that has taken several years of research, trial and error self-treatments, books, supplements, gluten and dairy free diets and even illegal medication off the internet to get to the point where I can say I'm fixed!!! I am now pain free, have good energy levels and have lost a significant amount of weight in the process :-). This book is about my journey and I hope it inspires you to start yours. Warning: this book contains humour, some swear words and definitely no medical advice as I am not a Doctor - nor would I wish to be... although somebody did once say I'd make a good Doctor's Receptionist!...I think they were trying to insult me! LOL

The Novella Collection has something for everyone...a paranormal ghost story, a high school reunion story told in a she said/he said format, and a Christmas story all about the spirit of giving. IF TOMBSTONES COULD TALK Had someone asked Melanie Sparks if she believed in ghosts, she'd have laughed before voicing an emphatic "No." Then she takes a walking tour of the cemetery in her new hometown of Lindeman's Crossing, Colorado and meets one of the residents face to face. The story behind Andrew Lindeman's tragic death after the Pike's Peak Gold Rush in 1859 triggers dreams in which she relives his last moments. Drawn to the handsome ghost, attraction builds, and she resolves to clear his tarnished name. A passionate kiss sets his spirit free, but will Melanie lose her heart forever? DITCHED AGAIN Summer Clark: Yes, I'm excited for my ten year class reunion-I flew all the way from Florida to Wisconsin so I could rub my success in Josh Nelson's face. I know it sounds vindictive, but the jerk ditched me at the Snowball dance, left me to find my own ride home, and never apologized. He's got it coming...if I can get a tow truck to come out in this freak May snowstorm and pull my rental car out of the ditch. Josh Nelson: No, I'm not looking forward to the reunion. Just hearing the name Summer Clark brings back memories of a night I buried long ago and never talked about again. Seeing her means skirting the truth while trying to deliver a way-too-late apology. No, with this storm, I think I'll head home...as soon as I help this car sunk in the ditch. Clearly, there are two sides to every story. DRAGONFLY DREAMS Can a family connection to the ill-fated Titanic bring new hope to sinking dreams? With his antique shop on the brink of bankruptcy, Jake Coburn knows he shouldn't buy costume jewelry at a price that won't turn a profit. Then again, it's Christmas, and he hasn't been able to say no to Loral Evan's since the first time she entered his shop. Desperation is what drives Loral Evans to sell precious family heirlooms, but Jake's offer of one thousand dollars for a dragonfly brooch she knows is fake stings her pride. If only she could afford to walk away from the handsome antique dealer. During a season of giving, Loral learns there's a big difference between pride and dignity, and Jake's determination to do the right thing brings rewards beyond what either of them ever dreamed of. Romance Junkies: "IF TOMBSTONES COULD TALK is sweet, sensual and one of the most romantic stories I've ever read. The ending brought tears to my eyes, which doesn't happen very often." Amanda Lady Jane 5Stars "I really liked the he said/she said format of [DITCHED AGAIN]. We get two points of view of the same incident. I'm a sucker for reunion stories anyway! This story is short and sweet like a Hershey's Kiss on the tongue." Got Romance Holiday Reviews 5 Stars "I sincerely adored this story. Dragonfly Dreams smacks of Gift of the Magi while remaining original, heartwarming, and honestly lovely. I would read it again and again." Becca

There's a girl. Justina Griffith was never the girl who dreamed of going to prom. Designer dresses and strappy heels? Not her thing. That said, she never expected her best friend, Ian Clark, to ask her. And there's a boy. Ian, who always passed her the baseball bat, handle first. Ian, who knew exactly when she needed red licorice. Ian, who promised her the most amazing night at prom. Then there's a ditch. But when Justina is ditched, figuratively and literally, she must piece together--stain-by-stain--on her thrift store dress--exactly how she ended up dateless...with only the help of some opinionated ladies at the 7-Eleven. To get the whole story, Justina will have to face the boy who ditched her. Can losing out at her prom ultimately lead to finding true love?

Over 40, single again, you crave a hug, orgasmquake or personally imposed solitary confinement. Your peeps press for your dating debut and potential relationship anew. Warnings about intimidating posers and pervs heighten anxieties. Dating or not, exclusive data and input from 750 peers challenge your choice. Edgy, steamy and humorous stories of rude, crude, lewd and despicable behavior by aggressive, confused and/or naive daters ultimately lead to understanding new rules, reduced fears and calmed nerves.

Debt got you down? Then ditch it! No one gets up each morning thinking, "Wow, it's a great day to pile on some more debt." Yet most of us do so without thinking, each and every day. This book will teach you a few easy principles to deal with the debt you already have and how to avoid digging any deeper.

A gripping World War II saga of unflagging courage and resilience Can a scared preacher's son and green co-pilot in the U. S. Army Air Corps save his stricken B-24D bomber and crew from certain destruction high above the pre-invasion beaches of Tarawa Atoll in September 1943? With Japanese fighters in the air and anti-aircraft gunners on the ground ready to shoot down the plane and send it crashing into the trackless Pacific Ocean, the lives of the 10-man crew hang in the balance. This spine-tingling World War II thriller captures the incredible story of how young men in the greatest global conflict in history can rise above personal limitations, fight man-eating sharks, and survive on the world's largest ocean - all while plumbing the depths of their souls as they struggle to live another day on a life raft. This dramatic, page-turning,
