This title in the award-winning Eyewitness series shows Slovenia at its best, from the peaks of the Alps to the Adriatic coastline. Whether you seek tranquility in one of the country's national parks or forests or to participate in one of the many outdoor activities Slovenia has to offer-including skiing, snowboarding, caving, kayaking, rafting, and hiking-this guidebook covers every aspect of this fascinating country. Using the unique cutaway maps and 3-D models, explore the museums and castles of Slovenia's capital Ljubljana, admire the beautiful old towns of Koper and Celje, and marvel at stunning Lake Bled. Full-color maps, city plans, thematic tours, and walks enable you to discover the capital and the regions in depth, and with special features explaining everything from Slovenia's history and cultural heritage to local cuisine and where to sample its delicious wines, you'll have all you need for an unforgettable stay.

Slovenia seems closer to Austria or Italy than to its Balkan neighbors. The richest of the Slavic nation-states, it has an entirely Western tradition, having belonged in the past to the Roman Empire, the Frankish kingdom, the Holy Roman Empire, the Republic of Venice, the Habsburg monarchy, and the First French Empire. After the Second World War it became part of the Republic of Yugoslavia, before declaring independence in 1991. This extraordinary cultural legacy is what sets Slovenia apart, matched by an amazingly varied topography packed into a small area. Traveling toward the coast, you see changes in the landscape and in the architecture. This reflects both the natural and the historical variety: the Venetians built their buildings one way, the Austrians another. Slovenia's natural beauty is astonishing. Legend relates that when God was allotting nature's bounty, he forgot Slovenia. His last-minute solution was to take bits of the best from other places: gorgeous Alpine ranges, the less craggy Pohorje mountains, the Pannonian plain stretching toward Hungary, hill after hill rolling southward into the horizon, the unique karst landscape, rivers aplenty, and a few miles of Adriatic coastline. Never having had a glorious unified kingdom in the past, Slovenians identify themselves not by blood or history but by their language, which differs from the other languages of the ex-Yugoslavia. The older generation is fluent in Serbo-Croatian, which helps for politics and trade, but has little of its historical baggage, and the country has geo-political importance as a politically stable stepping stone to the Balkans. As far as nationhood goes, Slovenia's golden age is now. There is a sense of change in the country—mostly for the better, and not the dull stampede toward materialism that one sees in some other former Eastern bloc countries. As a tourist destination Slovenia has it all, from medieval ruined monasteries to whitewater rafting. The people of this lovely land are genuinely glad that others are "discovering" their country. There are no real language problems; the younger people all speak English. Moreover, membership of the EU means that this is a country in transition. Culture Smart! Slovenia will introduce you to the inner world of this moderate, orderly, and conservative people who have emerged into the post-Communist world hungry for change.

This guidebook contains over 60 walks which explore the best of the Julian Alps of Slovenia. The walks and treks in this guidebook are organised around five bases in the Julian Alps - Kranjska Gora, Bovec, Kobarid, Bled and Bohinj - all of which have a range of accommodation and public transport facilities. There is something here for everyone - from easy valley walks and rougher forest trails to high-mountain protected routes, including multiple routes up Triglav, Slovenia's highest peak. Several possibilities for multi-day walks are included. The Julian Alps are situated in the small independent republic of Slovenia, at the south-eastern end of the Alpine chain. Their highest peak, Triglav, at 2864m, may be smaller than some of the better-known western giants, but what the mountains lack in stature they make up for in interest and accessibility. The dramatic limestone peaks drop steeply through forests to flower meadows, and will give you a feast for the eyes no matter which direction you turn.

This sleek and insightful guide showcases modernist buildings from all over the world that are open to visit or even stay at. Modernist fans will want to dive right into the pages of this guide to remarkable buildings designed by famous architects--from Alvar Aalto to Charlie Zehnder. The 130 unique structures included here span the globe and cover the full spectrum of modernist principles from Brutalist to Bauhaus. Author Stefi Orazi has chosen the buildings because they are all open for visiting, with some even available for overnight stays. Full-color photography of the exterior and interiors highlight incredible details such as the bright red drum fireplace in Giancarlo de Carlo's Ca'Romanino in Urbino, Italy, or the constructivist-like staircase in Renaat Braem's house and studio in Antwerp, Belgium. Each building is accompanied by informative text which offers visitor information and insights into its history. Whether you're looking for a unique holiday experience or a global overview of Modernist architecture, Modernist Escapes stylishly documents these unforgettable spaces.
