

Docat Che Cosa Fare La Dottrina Sociale Della Chiesa

"Hormegeddon" is the term coined by entrepreneur and New York Times Bestselling Author Bill Bonner to describe what happens when you get too much of a good thing in the sphere of public policy, economics and business. Simply put, it ends in disaster. Drawing on stories and examples from throughout modern political history—from Napoleon's invasion of Russia to the impending collapse of the American healthcare system, from the outbreak of WWII and the fall of the Third Reich to the 21st century War on Terror, from the Great Recession to the sovereign debt crisis—Bonner pursues a modest ambition: to understand what goes wrong. History is not a clean yarn spun by its victors. It is a long tale of things that went FUBAR—debacles, disasters, and catastrophes. That each disaster carries with it a warning is what makes it useful to study. For instance, if the architect of a great ship tells you that 'not even God himself could sink this ship,' you should take the next boat. If the stock market is selling at 20 times earnings and all the expert analysts urge you to 'get in' because you 'can't lose'—it's time to get out! Similarly, public policy disasters are what you get when well-meaning people with this same Titanic degree of certitude apply rational, small-scale problem-solving logic to inappropriately large scale planning. First, you get a declining rate of return on your investment (of time or resources) until you hit zero. Then, if you keep going through the zero floor—and you always keep going—you get a disaster. The problem is, these disasters cannot be stopped by well-informed smart people with good intentions, because they are the people who cause them in the first place. From the mind of Bill Bonner comes Hormegeddon, a phenomenon that occurs when a small dose of something produces a favorable result, but if you increase the dosage, the results end in disaster. The same applies when the world gets too much of a good thing in public policy, economics, and business. Drawing on examples throughout modern political history, Bonner brings context and understanding to this largely ignored and anonymous phenomenon.

A collection of fun and surprising facts about our world.

The Bible is ancient, enigmatic, and from a culture vastly different from our own. That's why most of us find it hard to read. So how can we understand its importance in the church, and how can it enrich our lives? Central to *lectio divina* is the conviction that to read the Bible faithfully and prayerfully is to learn an ancient art—by entering into dialogue with the God who speaks to each of us through the biblical page. Enzo Bianchi touches on the essentials of the history of *lectio*, from the brilliant thinker Origen in the third century to the development of historical criticism in the modern era. He explains how to do *lectio* and how to understand and implement its four "moments"—*lectio*, *meditatio*, *oratio*, and *contemplatio*. This is not simply a book about how to approach the Bible, because Scripture ultimately wants to lead us beyond itself, to the truth and mystery of Christ that can never be captured fully in the written word.

"With his deep biblical wisdom, Bianchi is able to explore the whole Christian tradition of prayerful reading. St. Benedict mandates at least two hours of *lectio divina* a day for his

monks, which is a considerable challenge for the modern person. But with Enzo as our guide, we can do it!" —Terrence G. Kardong, osb, editor of *American Benedictine Review* "Enzo Bianchi was born in Castel Boglione, Piedmont, Italy, in 1943. In 1965, after graduating from the University of Turin, he founded an ecumenical monastic community—the Bose Community—of which he is still the prior. Friar Bianchi is a well-known author of books on *lectio divina* and the spiritual life, which have been translated into many languages. He has dedicated himself to the search for spirituality capable of giving life to Christians today and furthering communion among all people. The Bose Community now numbers over eighty brothers and sisters of various Christian traditions, and receives thousands of visitors annually. Enzo Bianchi is one of the most significant Christian voices in Europe. He shows what can be achieved by an immersion in Scripture that involves both intellect and imagination alike, and—in common with all the most serious Christian voices of our day—he cannot be labeled as a partisan "liberal" or "traditionalist." He offers exactly what the monastic voice at its truest has always offered: a way into the heart of our ecclesial and social questions that is honest, patient, and sensitive. His is a perspective that the English-speaking Christian world should welcome enthusiastically." —Rowan Williams, Magdalene College, Cambridge "I hope that these pages may be heard as a simple yet faithful echo of my personal experience, my community's path and my journey with the church. For years, I have broken the bread of the Word for the brothers and sisters in my community. Much of what I say here comes from that experience. It also comes from many years of preaching the Word to listeners from all walks of life. I would like to see this book ultimately as no more than a small gesture of gratitude to those witnesses of the Word whom the Lord has allowed me to meet, those "martyrs" of faith who have found ways to express all the richness of the Gospel in their lives. Only those people who put God's Word into practice have really heard it. They are the ones who truly understand the biblical text, because they obey without delay the word Christ never tires of speaking to us. The sequential *sancti evangelii* for today—today's Gospel—is not the product of brilliant scholarly research. It is the life and witness of God's holy people, those who are faithful disciples of the Word made flesh, their Lord." —Enzo Bianchi

Docat. Che cosa fare? La dottrina sociale della Chiesa Chiesa, giovani e 'ndrangheta in Calabria Sfide e proposte per un trasformatore e liberante impegno nella vita pastorale e sociale Luigi Pellegrini Editore

In *PRISON TO PRAISE* Merlin Carothers describes how his life was transformed by finding faith in Christ. Using many stories from his own experience as a US army chaplain, he issues a radical challenge to praise God in all circumstances. 'Miracles, power and victory will all be part of what God does in our lives when we learn to rejoice in all things,' he promises.

Galicia, Austria-Hungary, 1913. In the castle of a frontier town, on the border between Europe and the East, the worldly, corrupt Count-Governor Wiladowski watches helplessly while a wave of assassinations sweeps the empire, and his province. When a member of his own family is murdered, the count gives broad police powers to his spymaster, Jakob Tausk: a brilliant young Jew whose ruthless war on terror extends into every corner of the province and beyond, enlisting union organizers, financiers, aristocrats and their servants, and a young novelist and playwright, newly arrived in the Vienna of Franz Josef and Freud, hungry for literary success. In the wake of new terrorist attacks, a mysterious preacher appears in the provincial capital—one of the so-called "wonder rabbis" from the shtetls of the East—trailing a band of fanatical disciples who proclaim him the messiah. Word of the charismatic leader spreads quickly from the Jewish quarter to the castle itself, and soon Tausk finds himself serving two masters:

the count and the richest man in the province, Moritz Rotenburg, who has a private interest in the wonder rabbi and whose only son has returned from university, burning for revolution, to gather disciples of his own. Moving from underground meetings and makeshift synagogues to the bedrooms of country estates and the secret high councils of the ailing thousand-year-old Habsburg Empire, Michael André Bernstein's compelling first novel evokes a densely believable world on the edge of collapse, full of the haunting suggestiveness of a fable or nightmare, and the erotic, mystical, and apocalyptic passions of an age.

Il saggio effettua una sistematica indagine sulla 'ndrangheta, grazie a un approccio oggettivo e analitico, che consente di entrare – con chiara immediatezza e rigorosa scientificità – nel dibattito della sua complessa e attuale pervasività in Calabria. La pianificazione e lo svolgimento adeguati delle attività di studio e ricerca hanno tenuto conto della raccolta, dell'organizzazione e dell'elaborazione di ampia e differenziata documentazione, che ha tra l'altro permesso di definire la ricostruzione del contesto storico e socio-antropologico in cui il fenomeno è nato e si è diffusamente sviluppato. L'autore, pone una serie di critici interrogativi ed esortanti provocazioni, sull'urgenza di avviare un autentico processo di risolutiva consapevolizzazione all'interno del tessuto ecclesiale e sociale della realtà calabrese.

L'urgenza di riconoscere la definitiva rottura con il potere di questa potente organizzazione criminale, parte dall'inequivocabile opera compiuta da Papa Francesco con la sua venuta in Calabria nel 2014. La novità e la forza di alcune proposte – di natura teologica e pastorale – intendono offrire alle chiese e alla società civile la possibilità di fronteggiare il fenomeno, non perdendo mai di vista le prevalenti ragioni insite nel "rischio della speranza". Nello sfondo dell'intera opera, si incoraggia a raccogliere una sfida, d'intraprendere inediti percorsi di prassica e decisiva liberazione, ai quali sono invitati innanzitutto i più giovani, che l'autore non esita a definire il "germoglio di risveglio e profezia di riscatto della Calabria".
