

Doctor Who Beautiful Chaos 50th Anniversary Edition

Landing on a barren asteroid, the Doctor and his friends discover the final pages of a drama that has torn apart an empire are being played out. Who is the man in the mask, and how are his chess games affecting life and death in his prison? What is the secret of the knights in armor that line the bleak walls of the settlement. And what is the nature of the alien ship approaching -- and what will it want when it arrives? Soon the TARDIS crew find themselves under siege with a deadly robotic race and human traitors to defeat -- and the future of an entire stellar empire hangs in the balance: if the Doctor cannot triumph it will become a force not for good, but for evil.

This omnibus collects three volumes of Doctor Who tales, all involving the Tenth Doctor as portrayed by David Tennant. The collection begins with Agent Provocateur: as The Doctor and Martha Jones search for the best chocolate milkshakes in the cosmos, someone else is on the hunt for him. Next, fans will enjoy Through Time and Space, a collection of six one-shot stories from creators such as Leah Moore, Ben Templesmith, Tony Lee, and John Ostrander. The omnibus concludes with The Forgotten, a story in which The Doctor is stranded in a strange museum dedicated to him, featuring appearances by all 10 Doctors!

FROM AWARD-WINNING TRANSLATORS RICHARD PEVEAR AND LARISSA VOLOKHONSKY Doctor Zhivago is the epic novel of Russia in the throes of revolution and one of the greatest love stories ever told. Yuri Zhivago, physician and poet, wrestles with cruel experience of the new order and the changes it has wrought in him, and is torn between love for his wife and family, and the passionate, beautiful Lara. Banned in the Soviet Union until 1988, Doctor Zhivago was nonetheless published covertly in Russian by the CIA and translated into many languages. In 1958 Pasternak was awarded the Nobel Prize for Literature. The Vintage Classic Russians Series- Published for the 100th anniversary of the 1917 Russian Revolution, these are must-have, beautifully designed editions of six epic masterpieces that have survived controversy, censorship and suppression to influence decades of thought and artistic expression.

The Doctor Who 50th Anniversary Collection: Eleven classic adventures. Eleven brilliant writers. One incredible Doctor.

Rediscover the lost Doctor Who adventure by Douglas Adams. Intergalactic war? That's just not cricket ... or is it? The Doctor promised Romana the end of the universe, so she's less than impressed when what she gets is a cricket match. But then the award ceremony is interrupted by eleven figures in white uniforms and peaked skull helmets, wielding bat-shaped weapons that fire lethal bolts of light into the screaming crowd. The Krikkitmen are back. Millions of years ago, the people of Krikkit learned they were not alone in the universe, and promptly launched a xenophobic crusade to wipe out all other life-forms. After a long and bloody conflict, the Time Lords imprisoned Krikkit within an envelope of Slow Time, a prison that could only be opened with the Wicket Gate key, a device that resembles -- to human eyes, at least -- an oversized set of cricket stumps... From Earth to Gallifrey, from Bethselamin to Devalin, from Krikkit to Mareeve II to the far edge of infinity, the Doctor and Romana are tugged into a pan-galactic conga with fate as they rush to stop the Krikkitmen gaining all five pieces of the key. If they fail, the entire cosmos faces a fiery retribution that will leave nothing but ashes...

The Doctor, the Brigadier, and Liz Shaw all get caught up in a conspiracy that goes all the way to the heart of the British government.

From award-winning science-fiction writer Alastair Reynolds, a spellbinding new adventure featuring the Third Doctor. After billions of years of imprisonment, the vicious Sild have broken out of confinement. From a ruined world at the end of time, they make preparations to conquer the past, with the ultimate goal of rewriting history. But to achieve their aims, they will need to enslave an intellect greater than their own... On Earth, UNIT is called in to investigate a mysterious incident on a North Sea drilling platform. The Doctor believes something is afoot, and no sooner has the investigation begun when something even stranger takes hold: the Brigadier is starting to forget about UNIT's highest-profile prisoner. And he is not alone in his amnesia. As the Sild invasions begins, the Doctor faces a terrible dilemma. To save the universe, he must save his arch-nemesis...the Master.

Invites readers to change their perceptions about illness in order to understand disease as an essential component of the evolutionary process, citing the role of such malaises as diabetes, STDs, and the Avian Bird Flu in protecting the survival of the human race. (Health & Fitness)

Reports of a time disturbance lead the Ninth Doctor to modern-day London, where he discovers a Neanderthal Man, twenty-eight thousand years after his race became extinct. A trip back to the dawn of humanity only deepens the mystery: who are these strange humans from the far future now living in the distant past? The Doctor must learn the truth about the Osterberg experiment before history is changed forever. An adventure featuring the Ninth Doctor as played by Christopher Eccleston and his companion Rose

The Beautiful Death is the ultimate theme-park ride: a sightseeing tour of the afterlife. But something has gone wrong, and when the Fourth Doctor arrives in the aftermath of the disaster, he is congratulated for saving the population from destruction -- something he hasn't actually done yet. He has no choice but to travel back in time and discover how he became a hero. And then he finds out. He did it by sacrificing his life. An adventure featuring the Fourth Doctor as played by Tom Baker and his companions Romana and K-9

Every time the lights go out, someone dies... The TARDIS lands at an academy for top athletes, all hoping to be chosen for the forthcoming Globe Games. But is one of them driven enough to resort to murder? The Doctor discovers that the students have been hushing up unexplained deaths. Teaming up with a young swimmer called Emma, the Doctor begins to investigate - but he doesn't expect to find a squad of Sontarans invading the academy! As the Sontarans begin their own lethal version of the Globe Games, the Doctor and Emma must find out what's really going on. But the Doctor is captured and forced to take part in the Sontaran Games. Can even a Time Lord survive this deadly contest? Featuring the Doctor as played by David Tennant in the acclaimed Doctor Who series from BBC Television.

Anji has just had the worst week of her life. She should be back at her desk, not travelling through time and space in a police box. The Eighth Doctor is supposed to be taking her home, so why are there dinosaurs outside? The Doctor doesn't seem to know either, or else he surely would have mentioned the homicidal princesses, teen terrorists and mad robots? One thing is certain: Anji is never going to complain about Monday mornings in the office again. An adventure featuring the Eighth Doctor as played by Paul McGann and his companions Fitz and Anji

It is almost Halloween in the sleepy New England town of Blackwood Falls. Autumn leaves litter lawns and sidewalks, paper skeletons hang in windows, and carved pumpkins leer from stoops and front porches. The Doctor and Martha soon discover that something long-dormant has awoken in the town, and this will be no ordinary Halloween. What is the secret of the ancient chestnut tree and the mysterious book discovered tangled in its roots? What rises from the local churchyard in the dead of night, sealing up the lips of the only witness? And why are the harmless trappings of Halloween suddenly taking on a creepy new life of their own? As nightmarish creatures prowl the streets, the Doctor and Martha must battle to prevent both the townspeople and themselves from suffering a grisly fate... Featuring the Tenth Doctor and Martha as played by David Tennant and Freema Agyeman in the hit sci-fi series from BBC Television.

Featuring over 500 sketches, paintings, sculptures and digital artworks, as well as the expert commentaries of the actual artists throughout, this book offers a wealth of detail available nowhere else on how J.R.R. Tolkien's spellbinding literary work was turned into unforgettable movie magic.

The hauntingly prophetic classic novel set in a not-too-distant future where books are burned by a special task force of firemen. 'Another indispensable classic' The Times "Ray Bradbury's gift for storytelling reshaped our culture and expanded our world" Barack Obama Guy Montag is a fireman. His job is to burn books, which are forbidden, being the source of all discord and unhappiness. Even so, Montag is unhappy; there is discord in his marriage. Are books hidden in his house? The Mechanical Hound of the Fire Department, armed with a lethal hypodermic, escorted by helicopters, is ready to track down those dissidents who defy society to preserve and read books. The classic dystopian novel of a post-literate future, Fahrenheit 451 stands alongside Orwell's 1984 and Huxley's Brave New World as a prophetic account of Western civilization's enslavement by the media, drugs and conformity. Bradbury's powerful and poetic prose combines with uncanny insight into the potential of technology to create a novel which, decades on from first publication, still has the power to dazzle and shock.

"The peace and quiet of a remote homestead in the 1880s American West is shattered by the arrival of two shadowy outriders searching for the healer . When the farmer refuses to help them, they raze the house to the ground using guns that shoot bolts of energy instead of bullets... n the town of Redwater, the Doctor and Martha learn of a snake-oil salesman who s patent medicines actually cure his patient. But when the Doctor and Martha investigate they discover the truth is stranger, and far more dangerous. aught between the law of the gun and the deadly plans of intergalactic mercenaries, the Doctor and Martha are about to discover just how wild the West can become eaturing the Doctor and Martha as played by David Tennant and Freema Agyeman in the hit series from BBC Television."

There are few days in American history so immortalized in public memory as November 22, 1963, the date of President John F. Kennedy's assassination. Adding to the wealth of information about this tragic day is We Were There, a truly unique collection of firsthand accounts from the doctors and staff on scene at the hospital where JFK was immediately taken after he was shot. With the help of his former fellow staff members at Parkland Memorial Hospital, Dr. Allen Childs recreates the horrific day, from the president's arrival in Dallas to the public announcement of his death. Childs presents a multifaceted and sentimental reflection on the day and its aftermath. In addition to detailing the sequence of events that transpired around JFK's death, We Were There offers memories of the First Lady, insights on conspiracy theories revolving around the president's assassination, and recollections of the death of Lee Harvey Oswald, who succumbed two days later in the same hospital where his own victim was pronounced dead. A compelling, emotional read, We Were There pays tribute to a critical event in American modern history—and to a man whose death was mourned like no other. The Doctor discovers a Neanderthal man in modern day London, so he takes a trip back to the dawn of humanity to find out how he became displaced.

Wilfred Mott is very happy: his granddaughter, Donna, is back home, catching up with family and gossiping about her journeys, and he has just discovered a new star and had it named after him. He takes the Tenth Doctor with him to the naming ceremony. But the Doctor soon discovers something else new, and worryingly bright, in the heavens – something that is heading for Earth. It's an ancient force from the Dark Times. And it is very, very angry... An adventure featuring the Tenth Doctor as played by David Tennant and his companion Donna
Doctor Who: Beautiful Chaos 50th Anniversary Edition Random House

The aerodrome in Culverton has new owners and the Doctor is sent to investigate when suspicious things start happening in the village, like black-shirted troops mysteriously appearing on the streets.

Far out in space, on the ragged edges of Earth's bloated empire, an elite unit of soldiers is on a training mission. But deep in the heart of the hollowed-out planetoid that forms their battleground, a chilling secret waits to be discovered: ten alien corpses, frozen in time at the moment of violent, bloody death. The bodies are those of the empire's most wanted terrorists, and their discovery could end a war of attrition devastating the galaxy. But is the same force that slaughtered them still lurking in the dark tunnels of the training ground? And what are its plans for the people of Earth? When the Doctor arrives on the planetoid with Ben and Polly, he soon scents a net tightening about them. And as the soldiers begin to disappear one by one, paranoia spreads; is the real enemy out there in the darkness, or somewhere among them? Arriving on the sun-baked veldt in the middle of the Boer War, the Sixth Doctor is soon involved in the adventures of struggling politician and war correspondent Winston Churchill. Of course, he knows Churchill is destined for great things, but unseen forces seem to be interfering with Winston's historic career... The Doctor suspects the hidden hand of the Players, mysterious beings who regard human history as little more than a game. With time running out, can the Doctor find the right moves to defeat them? An adventure featuring the Sixth Doctor as played by Colin Baker and his companion Peri

With unfinished business to attend to, the Seventh Doctor returns to where it all began: Coal Hill School in London in 1963. Last time he was here, the Doctor left something behind – a powerful Time Lord artefact that could unlock the secrets of time travel. Can the Doctor retrieve it before two rival factions of Daleks track it down? And even if he can, how will the Doctor prevent the whole of London becoming a war zone as the Daleks meet in explosive confrontation? An adventure featuring the Seventh Doctor as played by Sylvester McCoy and his companion Ace

THE SUNDAY TIMES BESTSELLER What are you afraid of? In his first-ever Doctor Who novel, Tom Baker's incredible imagination is given free rein. A story so epic it was originally intended for the big screen, Scratchman is a gripping, white-knuckle thriller almost forty years in the making. The Doctor, Harry and Sarah Jane Smith arrive at a remote Scottish island, when their holiday is cut short by the appearance of strange creatures – hideous scarecrows, who are preying on the local population. The islanders are living in fear, and the Doctor vows to save them all. But it doesn't go to plan – the time travellers have fallen into a trap, and Scratchman is coming for them. With the fate of the universe hanging in the balance, the Doctor must battle an ancient force from another dimension, one who claims to be the Devil.

Scratchman wants to know what the Doctor is most afraid of. And the Doctor's worst nightmares are coming out to play...

Deep in the heart of a hollowed-out moon the First Doctor finds a chilling secret: ten alien corpses, frozen in time at the moment of their death. They are the empire's most wanted terrorists, and their discovery could end a war devastating the galaxy. But is the same force that killed them still lurking in the dark? And what are its plans for the people of Earth? An adventure featuring the First Doctor as played by William Hartnell and his companions Ben and Polly

From the desert world of Karris to the interplanetary scrapyard of Junk, the Doctor and Donna discover that appearances can be deceptive, that enemies are lurking around every corner, and that the centuries-long peace between humans and machines may be about to come to an

end.

Missy's up to her old (or new?) tricks and is plotting to retrieve the Key to Time from an unbreakable vault. In order to do so, she attempted to break her former incarnation, the Master, out of Stormcage prison by pretending to be her nemesis, the Doctor. But the Master has his own agenda...

The winter festival is approaching for the hardy colony of Morphans, but no one is in the mood to celebrate. They're trying to build a new life on a cold new world, but each year gets harder and harder. It's almost as if some dark force is working against them. Then three mysterious travelers arrive out of the midwinter night, one of them claiming to be a doctor. Are they bringing the gift of salvation or doom? And what else might be lurking out there, about to wake up? An adventure featuring the Eleventh Doctor as played by Matt Smith and his companions Amy and Rory

The Doctor does not like to remember the version of himself that lived during the Time Wars, when he crashed on the planet Moldox, where the Dalek took humans prisoner, and he joined forces with a young Dalek hunter, Cinder.

The aerodrome in Culverton has new owners, and they promise an era of prosperity for the idyllic village. But former Spitfire pilot Alex Whistler is suspicious – when black-shirted troops appear on the streets, he contacts his old friend Brigadier Lethbridge-Stewart at U.N.I.T. The Third Doctor is sent to investigate – and soon uncovers a sinister plot to colonise the Earth. The Gaderene are on their way... An adventure featuring the Third Doctor as played by Jon Pertwee and his companion Jo

"Being scared is the least of your worries." The Shining Men are everywhere. You spot them out of the corner of your eye. Abnormally tall, with long lank hair, blank faces and blazing eyes. If they catch you, they'll drag you away to who knows where. No one is safe. They're on every street corner. Waiting. Watching. Shining bright. Of course it's a hoax. It has to be, right? It started as a joke, a prank for Halloween. Then it went viral. Idiots dressing up as monsters. Giving folk a scare. Silly masks and fright wigs. No one gets hurt. Because bogeymen aren't real. Until people start going missing and lights burn in the darkness. Burning like eyes. But help is on its way, in the form of a strange man called the Doctor and his friend, Bill. The Doctor will keep us safe. The Doctor will stop the monsters. Unless the monsters stop the Doctor first... An original novel featuring the Twelfth Doctor and Bill as played by Peter Capaldi and Pearl Mackie.
