

## Doctor Who Official 50th Anniversary Annual

Discover the new Doctor Who classics. When the entire universe is at stake, three different Doctors will unite to save it. The Tenth Doctor is hunting shape-shifting Zygons in Elizabethan England. The Eleventh is investigating a rift in space-time in the present day. And one other – the man they used to be but never speak of – is fighting the Daleks in the darkest days of the Time War. Driven by demons and despair, this battle-scarred Doctor is set to take a devastating decision that will threaten the survival of the entire universe... a decision that not even a Time Lord can take alone. On this day, the Doctor's different incarnations will come together to save the Earth... to save the universe... and to save his soul.

Missy's up to her old (or new?) tricks and is plotting to retrieve the Key to Time from an unbreakable vault. In order to do so, she attempted to break her former incarnation, the Master, out of Stormcage prison by pretending to be her nemesis, the Doctor. But the Master has his own agenda...

The Doctor does not like to remember the version of himself that lived during the Time Wars, when he crashed on the planet Moldox, where the Dalek took humans prisoner, and he joined forces with a young Dalek hunter, Cinder.

Doctor Who The Official 50th Anniversary Annual BBC Children's Books

College Ruled Color Paperback. Size: 6 inches x 9 inches. 55 sheets (110 pages for writing). Doctor Who 50th Anniversary Posters The 11th Doctor. 1572854691100

The Beautiful Death is the ultimate theme-park ride: a sightseeing tour of the afterlife.

But something has gone wrong, and when the Fourth Doctor arrives in the aftermath of the disaster, he is congratulated for saving the population from destruction – something he hasn't actually done yet. He has no choice but to travel back in time and discover how he became a hero. And then he finds out. He did it by sacrificing his life. An adventure featuring the Fourth Doctor as played by Tom Baker and his companions Romana and K-9

Premiering the day after the JFK assassination, Doctor Who humbly launched one of the entertainment world's first super-brands. We begin with a look at TV programming of the day and the original pitch documents before delving into the Daleks, which almost didn't make the cut but inspired many monsters to follow. After three years, First Doctor William Hartnell left, prompting the BBC to recast their hit rather than end it, giving us the first "regeneration" and making TV history. We follow the succession of Doctors—including Third Doctor Jon Pertwee, exiled to Earth and targeted by the Master—and see how the program reflected the feminism of the 1970s while gaining mainstream popularity with Fourth Doctor Tom Baker . . . until declining support from the BBC eventually led to cancelation. Fan outcry saved the series only for it to suffer a repeat cancelation. Yet many continued to enjoy the Whoniverse in syndication, novels, audio dramas, and Doctor Who Magazine. Paul McGann impressed many as the Eighth Doctor in a 1996 TV movie, but it failed to reignite the series. A new age dawned in 2005 with Ninth Doctor Christopher Eccleston and a serious special effects budget before Tenth Doctor David Tennant helped rocket the series to international popularity and a new era of spinoffs. With Eleventh Doctor Matt Smith, the show became a bona fide success here in America. Following the program's fiftieth anniversary, Whovians will meet the Twelfth Doctor, ushering in yet another era for the unstoppable Time Lord.

Featuring discussions of concepts and characters, with insights from producers, writers, and actors from across the years, here is a rich, behind-the-camera investigation into the dazzling multiverse of Doctor Who.

Presents information about all eleven doctors from the entire history of the show and stories about their various companions, friends, and enemies, and includes puzzles and Dr. Who comics.

This print edition is the culmination of a year-long series of ebooks to celebrate the fiftieth anniversary of the hit BBC series, Doctor Who. Eleven stories, eleven authors, eleven unique interpretations of the Doctor: his terrifying alien enemies and his time-travelling adventures. The authors involved in this exciting project are Eoin Colfer, Michael Scott, Marcus Sedgwick, Philip Reeve, Patrick Ness, Richelle Mead, Malorie Blackman, Alex Scarrow, Charlie Higson, Derek Landy and Neil Gaiman.

Deep in the heart of a hollowed-out moon the First Doctor finds a chilling secret: ten alien corpses, frozen in time at the moment of their death. They are the empire's most wanted terrorists, and their discovery could end a war devastating the galaxy. But is the same force that killed them still lurking in the dark? And what are its plans for the people of Earth? An adventure featuring the First Doctor as played by William Hartnell and his companions Ben and Polly

The aerodrome in Culverton has new owners and the Doctor is sent to investigate when suspicious things start happening in the village, like black-shirted troops mysteriously appearing on the streets.

Far out in space, on the ragged edges of Earth's bloated empire, an elite unit of soldiers is on a training mission. But deep in the heart of the hollowed-out planetoid that forms their battleground, a chilling secret waits to be discovered: ten alien corpses, frozen in time at the moment of violent, bloody death. The bodies are those of the empire's most wanted terrorists, and their discovery could end a war of attrition devastating the galaxy. But is the same force that slaughtered them still lurking in the dark tunnels of the training ground? And what are its plans for the people of Earth? When the Doctor arrives on the planetoid with Ben and Polly, he soon scents a net tightening about them. And as the soldiers begin to disappear one by one, paranoia spreads; is the real enemy out there in the darkness, or somewhere among them? The must-have gift for Doctor Who fans of all ages! Join the Doctor for a brand new adventure in the TARDIS! Jam packed with activities, puzzles, stories and so much more, this beautifully illustrated annual will entertain fans for hours.

Eleven Doctors, eleven months, eleven stories: a year-long celebration of Doctor Who! The most exciting names in children's fiction each create their own unique adventure about the time-travelling Time Lord. Thousands of years ago, Time Lords built a Prison for the Kin. They made it utterly impregnable and unreachable. As long as Time Lords existed, the Kin would be trapped forever and the universe would be safe. They had planned for everything . . . everything, that is, other than the Time War and the fall of Gallifrey. Now the Kin are free again and there's only one Time Lord left in the universe who can stop them! Author Neil Gaiman puts his own unique spin on the Doctor's amazing adventures through time and space in the eleventh and final story in the bestselling 50th anniversary series!

The Doctor Who 50th Anniversary Collection: Eleven classic adventures. Eleven brilliant writers. One incredible Doctor.

On a moon of the ruined planet Akoshemon, an age-old terror is about to be reborn.

Something that remembers the spiral of war, pestilence and deprivation – and rejoices in it.

The Fifth Doctor joins a team of archaeologists searching for evidence of the planet's infamous past, and uncovers more than just ancient history. The Third Doctor and Jo Grant arrive for a well-deserved holiday of sun and 'blokarting' on a salt lake in Australia in 2028. Weird sculptures adorn the landscape – statues carved from the salt. People have been leaving them in the salt lakes for years – but these look different. Grotesque, distorted figures twisted in pain. They don't last long in the rain and the wind, but they're just made of salt... Aren't they?

As the newly-regenerated Twelfth Doctor arrives on our TV screens, Puffin are publishing the twelfth instalment in its sensational series of Doctor Who eShorts! With 11 previous stories by some of the most exciting names in children's fiction, this Twelfth Doctor ebook is written by bestselling US author Holly Black.

With unfinished business to attend to, the Seventh Doctor returns to where it all began: Coal Hill School in London in 1963. Last time he was here, the Doctor left something behind – a powerful Time Lord artefact that could unlock the secrets of time travel. Can the Doctor retrieve it before two rival factions of Daleks track it down? And even if he can, how will the Doctor prevent the whole of London becoming a war zone as the Daleks meet in explosive confrontation? An adventure featuring the Seventh Doctor as played by Sylvester McCoy and his companion Ace

'Even though they're gone from the world, they're never gone from me.' The Doctor is many things – curious, funny, brave, protective of her friends...and a shameless namedropper. While she and her companions battled aliens and travelled across the universe, the Doctor hinted at a host of previous, untold adventures with the great and the good: we discovered she got her sunglasses from Pythagoras (or was it Audrey Hepburn?); lent a mobile phone to Elvis; had an encounter with Amelia Earhart where she discovered that a pencil-thick spider web can stop a plane; had a 'wet weekend' with Harry Houdini, learning how to escape from chains underwater; and more. In this collection of new stories, Star Tales takes you on a rip-roaring ride through history, from 500BC to the swinging 60s, going deeper into the Doctor's notorious name-dropping and revealing the truth behind these anecdotes.

Wilfred Mott is very happy: his granddaughter, Donna, is back home, catching up with family and gossiping about her journeys, and he has just discovered a new star and had it named after him. He takes the Tenth Doctor with him to the naming ceremony. But the Doctor soon discovers something else new, and worryingly bright, in the heavens – something that is heading for Earth. It's an ancient force from the Dark Times. And it is very, very angry... An adventure featuring the Tenth Doctor as played by David Tennant and his companion Donna

The winter festival is approaching for the hardy colony of Morphants, but no one is in the mood to celebrate. They're trying to build a new life on a cold new world, but each year gets harder and harder. It's almost as if some dark force is working against them. Then three mysterious travelers arrive out of the midwinter night, one of them claiming to be

a doctor. Are they bringing the gift of salvation or doom? And what else might be lurking out there, about to wake up? An adventure featuring the Eleventh Doctor as played by Matt Smith and his companions Amy and Rory

Drawing on unseen and iconic material from the BBC archive and private collectors, The Vault is an unforgettable journey through 50 years of Doctor Who, via carefully selected photographs, props, costumes designs, production memos, letters, scripts and more. This is the full and official story of Doctor Who, from the first pre-production memos in 1963 to the most recent props created for the 2013 series, including interviews with key contributors and scores of prop photos, design sketches and behind the scenes stills from every decade of the show's production. Taking you year by year through the world's longest running science fiction series, Marcus Hearn explores the show's groundbreaking innovations as well as its impact on popular culture through books and comics, magazines and toys, merchandise and ephemera. The Vault is a collector's dream and the ultimate celebration of Doctor Who.

Anji has just had the worst week of her life. She should be back at her desk, not travelling through time and space in a police box. The Eighth Doctor is supposed to be taking her home, so why are there dinosaurs outside? The Doctor doesn't seem to know either, or else he surely would have mentioned the homicidal princesses, teen terrorists and mad robots? One thing is certain: Anji is never going to complain about Monday mornings in the office again. An adventure featuring the Eighth Doctor as played by Paul McGann and his companions Fitz and Anji
