A girl raised by dolphins must choose between two worlds in this critically acclaimed novel about what it means to be a human being.

When 12-year-old KT Wynn learns that she has to move from Iowa City to Florida, she's distraught. Not only does she have to leave behind her best friends and the only home she's ever known, she also has to deal with being the new kid in school. And she's especially worried about how her wheelchair, Sprinkles, will affect things. On the bright side, she'll still have her big sister, Lucy, with her, and she'll even get to see a dolphin-her favorite animal!-for the very first time. In fact, KT has always dreamed of swimming with a dolphin, and with the help of her sister, she's determined to make it happen. But when she meets Cola for the first time, he's not what she expected. KT is suddenly afraid, and she's unsure if she can swim with Cola given her disability. Will KT be able to overcome her fear and gain the confidence to take the plunge?

"A 22-volume, highly illustrated, A-Z general encyclopedia for all ages, featuring sections on how to use World Book, other research aids, pronunciation key, a student guide to better writing, speaking, and research skills, and comprehensive index"-- This book looks at dolphins as wild mammals and discusses the need to preserve their natural environment.

Discusses the use of leveled texts in kindergarten through eighth-grade classrooms, examines the "text base" needed for effective language literacy instruction, provides guidelines for creating a high-quality leveled book collection and matching books to readers, and explains how to analyze and level books.
