Time to Get Tough Donald J. Trump, 2011-12-06 A New York Times bestseller! For the first time in his own words, President-elect Donald J. Trump explains his plan to make America great again! He wants to “put America's interests first—and that means doing what's right for our economy, our national security, and our public safety.” Throughout the 2016 campaign, Trump conjured images of American strength and culture when small towns boomed with industry, mom and pop shops bustled, and people said, “Merry Christmas!” The media scoffed at Trump's vision and the people who supported him; they were blinded by the Clinton machine. But their eyes were opened after Trump won 62 million votes and the Oval Office.

Even Republican House Speaker Paul Ryan said, “Donald Trump heard a voice in this country that no one else heard.” As Trump says in *Time to Get Tough*, “I’ve built businesses across the globe. I’ve dealt with foreign leaders. I’ve created tens of thousands of American jobs. My whole life has been about executing deals and making real money—massive money. That’s what I do for a living: make big things happen...” Trump is about to make the biggest deals of his life, and he’s going to make them for America! From reversing lax immigration policies to eliminating regulations that restrict small businesses, Donald Trump understands that America “doesn’t need cowardice, it needs courage.” President Elect Trump is about to “Make America Great Again” and *Time to Get Tough* is his blueprint!

The Big Cheat David Cay Johnston, 2021-11-30 Pulitzer Prize-winning reporter and dean of Trumpologists David Cay Johnston reveals years of eye-popping financial misdeeds by Donald Trump and his family. While the world watched Donald Trump’s presidency in horror or delight, few noticed that his lifelong grifting quietly continued. Less than forty minutes after taking the oath of office, Trump began turning the White House into a money machine for himself, his family, and his courtiers. More than \$1.7 billion flowed into Donald Trump’s bank accounts during his four years as president. Foreign governments rented out whole floors of his hotel five blocks from the White House while lobbyists conducted business in the hotel’s restaurants. Payday lenders and other trade groups moved their annual conventions to Trump golf resorts. And individual favor seekers joined his private Mar-a-Lago club with its \$200,000 admission fee in hopes of getting a few minutes with the President. Despite earning more than \$1 million every day he was in office, Trump left the White House as he arrived—hard up for cash. More than \$400 million in debt comes due by 2024, and Trump still lacks the resources to pay it back. “Few people are as well positioned to write an exposé of the former president as Johnston” (The Washington Post), and *The Big Cheat* offers a guided tour of how money flowed in and out of Trump’s hundreds of enterprises, showing in simple terms how a corrupt president used our government for his benefit, even putting national security at risk. Johnston details the four most recent years of the corruption that has defined the Trump family since 1885 and reveals the costs of Trump’s extravagant lifestyle for American taxpayers.

I Alone Can Fix It Carol Leonnig, Phil Rucker, 2021-07-20 The instant #1 New York Times bestseller | A Washington Post Notable Book | One of NPR's Best Books of 2021 The definitive behind-the-scenes story of Trump's final year in office, by Phil Rucker and Carol Leonnig, the Pulitzer-Prize winning reporters and authors of *A Very Stable Genius*. “Chilling.” - Anderson Cooper “Jaw-dropping.” - John Berman “Shocking.” - John Heilemann “Explosive.” - Hallie Jackson “Blockbuster new reporting.” - Nicolle Wallace “Bracing new revelations.” - Brian Williams “Bombshell reporting.” - David Muir The true story of what took place in Donald Trump’s White House during a disastrous 2020 has never before been told in full. What was really going on around the president, as the government failed to contain the coronavirus and over half a million Americans perished? Who was influencing Trump after he refused to concede an election he had clearly lost and spread lies about election fraud? To answer these questions, Phil Rucker and Carol Leonnig reveal a dysfunctional and bumbling presidency’s inner workings in unprecedented, stunning detail. Focused on Trump and the key players around him—the doctors, generals, senior advisers, and Trump family members— Rucker and Leonnig provide a forensic account of the most devastating year in a presidency like no other. Their sources were in the room as time and time again Trump put his personal gain ahead of the good of the country. These witnesses to history tell the story of him longing to deploy the military to the streets of American cities to crush the protest movement in the wake of the killing of George Floyd, all to bolster his image of strength ahead of the election. These sources saw firsthand his refusal to take the threat of the coronavirus seriously—even to the point of allowing himself and those around him to be infected. This is a story of a nation sabotaged—economically, medically, and politically—by its own leader, culminating with a groundbreaking, minute-by-minute account of exactly what went on in the Capitol building on January 6, as Trump’s supporters so easily breached the most sacred halls of American democracy, and how the president reacted. With unparalleled access, Rucker and Leonnig explain and expose exactly who enabled—and who foiled—Trump as he sought desperately to cling to power. A classic and heart-racing work of investigative reporting, this book is destined to be read and studied by citizens and historians alike for decades to come.

Win Bigly Scott Adams, 2017-10-31 NEW YORK TIMES BESTSELLER The New York Times bestseller that explains one of the most important perceptual shifts in the history of humankind Scott Adams was one of the earliest public figures to predict Donald Trump’s election. The mainstream media regarded Trump as a lucky clown, but Adams - best known as “the guy who created Dilbert” -- recognized a level of persuasion you only see once in a generation. We’re hardwired to respond to emotion, not reason, and Trump knew exactly which emotional buttons to push. The point isn’t whether Trump was right or

wrong, good or bad. Adams goes beyond politics to look at persuasion tools that can work in any setting—the same ones Adams saw in Steve Jobs when he invested in Apple decades ago. *Win Bigly* is a field guide for persuading others in any situation—or resisting the tactics of emotional persuasion when they’re used on you. This revised edition features a bonus chapter that assesses just how well Adams foresaw the outcomes of Trump’s tactics with North Korea, the NFL protesters, Congress, and more.

Rage Bob Woodward, 2020-09-15 *Rage* is an unprecedented and intimate tour de force of new reporting on the Trump presidency facing a global pandemic, economic disaster and racial unrest. Woodward, the #1 international bestselling author of *Fear: Trump in the White House*, has uncovered the precise moment the president was warned that the Covid-19 epidemic would be the biggest national security threat to his presidency. In dramatic detail, Woodward takes readers into the Oval Office as Trump’s head pops up when he is told in January 2020 that the pandemic could reach the scale of the 1918 Spanish Flu that killed 675,000 Americans. In 17 on-the-record interviews with Woodward over seven volatile months—an utterly vivid window into Trump’s mind—the president provides a self-portrait that is part denial and part combative interchange mixed with surprising moments of doubt as he glimpses the perils in the presidency and what he calls the “dynamite behind every door.” At key decision points, *Rage* shows how Trump’s responses to the crises of 2020 were rooted in the instincts, habits and style he developed during his first three years as president. Revisiting the earliest days of the Trump presidency, *Rage* reveals how Secretary of Defense James Mattis, Secretary of State Rex Tillerson and Director of National Intelligence Dan Coats struggled to keep the country safe as the president dismantled any semblance of collegial national security decision making. *Rage* draws from hundreds of hours of interviews with firsthand witnesses as well as participants’ notes, emails, diaries, calendars and confidential documents. Woodward obtained 25 never-seen personal letters exchanged

between Trump and North Korean leader Kim Jong Un, who describes the bond between the two leaders as out of a “fantasy film.” Trump insists to Woodward he will triumph over Covid-19 and the economic calamity. “Don’t worry about it, Bob. Okay?” Trump told the author in July. “Don’t worry about it. We’ll get to do another book. You’ll find I was right.”

The Making of Donald Trump David Cay Johnston, 2016-08-02 THE NEW YORK TIMES BESTSELLER that first revealed the Russia connection The culmination of nearly 30 years of reporting on Donald Trump, this in-depth report by Pulitzer Prize-winning investigative reporter David Cay Johnston takes a revealingly close look at the mogul's rise to prominence --- and, now, ultimate power Covering the long arc of Trump's career, Johnston tells the full story of how a boy from a quiet section of Queens, NY would become an entirely new, and complex, breed of public figure. Trump is a man of great media savvy, entrepreneurial spirit, and political clout. Yet his career has been plagued by legal troubles and mounting controversy. From the origins of his family's fortune, to his own too-big-to-fail business empire; from his education and early career, to his whirlwind and ultimately successful presidential bid, *The Making of Donald Trump* provides the fullest picture yet of Trump's extraordinary ascendancy. Love him or hate him, Trump's massive influence is undeniable, and figures as diverse as Woody Guthrie (who wrote a scathing song about Trump's father) and Red Scare prosecutor Roy Cohn, mob bosses and high rollers, as well as the average American voter, have all been pulled into his orbit. Drawing on decades of interviews, financial records, court documents, and public statements, David Cay Johnston, who has covered Trump longer and more closely than any other journalist working today, gives us the most in-depth look yet at the man who has shocked the world. "Provides useful, vigorously reported overviews of Mr. Trump's life and career ... Mr. Johnston, who has followed the real estate impresario for nearly three decades, offers a searing indictment of his business practices and creative accounting."—Michiko Kakutani, *The New York Times* "David Cay Johnston has given us this year's must-read Trump book."—Lawrence O'Donnell, MSNBC's *The Last Word* "Johnston devastatingly covers ground he broke open as a reporter on the Trump beat in Philadelphia and at *The New York Times*...The best of investigative reporting is brought to bear on a man who could potentially lead the free world."—USA Today "Carefully fleshes out the details of Trump's known biography...with solid documentation."—Tampa Bay Times

Be Obsessed or Be Average Grant Cardone,2016-10-11 From the millionaire entrepreneur and New York Times bestselling author of *The 10X Rule* comes a bold and contrarian wake-up call for anyone truly ready for success. One of the 7 best motivational books of 2016, according to *Inc. Magazine*. Before Grant Cardone built five successful companies (and counting), became a multimillionaire, and wrote bestselling books... he was broke, jobless, and drug-addicted. Grant had grown up with big dreams, but friends and family told him to be more reasonable and less demanding. If he played by the rules, they said, he could enjoy everyone else's version of middle class success. But when he tried it their way, he hit rock bottom. Then he tried the opposite approach. He said NO to the haters and naysayers and said YES to his burning, outrageous, animal obsession. He reclaimed his obsession with wanting to be a business rock star, a super salesman, a huge philanthropist. He wanted to live in a mansion and even own an airplane. Obsession made all of his wildest dreams come true. And it can help you achieve massive success too. As Grant says, we're in the middle of an epidemic of average. The conventional wisdom is to seek balance and take it easy. But that has really just given us an excuse to be unexceptional. If you want real success, you have to know how to harness your obsession to rocket to the top. This book will give you the inspiration and tools to break out of your cocoon of mediocrity and achieve your craziest dreams. Grant will teach you how to:

- Set crazy goals—and reach them, every single day.
- Feed the beast: when you value money and spend it on the right things, you get more of it.
- Shut down the doubters—and use your haters as fuel.

Whether you're a sales person, small business owner, or 9-to-5 working stiff, your path to happiness runs through your obsessions. It's a simple choice: be obsessed or be average.

The Dangerous Case of Donald Trump Bandy X. Lee,2019-03-19 As this bestseller predicted, Trump has only grown more erratic and dangerous as the pressures on him mount. This new edition includes new essays bringing the book up to date—because this is still not normal. Originally released in fall 2017, *The Dangerous Case of Donald Trump* was a runaway bestseller. Alarmed Americans and international onlookers wanted to know: What is wrong with him? That question still plagues us. The Trump administration has proven as chaotic and destructive as its opponents feared, and the man at the center of it all remains a cipher. Constrained by the APA's "Goldwater rule," which inhibits mental health professionals from diagnosing public figures they have not personally examined, many of those qualified to weigh in on the issue have shied away from discussing it at all. The public has thus been left to wonder whether he is mad, bad, or both. The prestigious mental health experts who have contributed to the revised and updated version of *The Dangerous Case of Donald Trump* argue that their moral and civic duty to warn supersedes professional neutrality. Whatever affects him, affects the nation:

From the trauma people have experienced under the Trump administration to the cult-like characteristics of his followers, he has created unprecedented mental health consequences across our nation and beyond. With eight new essays (about one hundred pages of new material), this edition will cover the dangerous ramifications of Trump's unnatural state. It's not all in our heads. It's in his.
