Introducing the Old Testament Clyde T. Francisco, Barnette, 1999-02-01

Parables John F. MacArthur, 2015-10-27 Discover how Jesus' parables can help you better understand God's Word and how to live today. Have you ever wondered why Jesus often spoke in parables? Are you curious about what lessons we can learn from these parables today? Pastor and bestselling author John MacArthur breaks down the parables and teaches you how we can apply these deceptively simple stories to modern Christianity. Jesus was a master storyteller, and the parables he often told were no exception. Beneath these unassuming stories were deeply profound spiritual lessons that were designed to reach all who heard them--from the faithful to the faithless--and they're still relevant today. In *Parables*, MacArthur argues that these short, memorable stories represented more than just symbolism or a clever teaching style--they were carefully crafted tales that made the mysteries of the Gospel more accessible to everyday believers. *Parables* will help you see Jesus' teachings in a brand-new light, addressing some of the most common questions on the topic, including: When did Jesus start teaching in parables? What makes parables so accessible? How can we interpret these stories? What common threads link each of the parables together? What do parables teach us about the kingdom of God? John MacArthur has spent a lifetime sharing the Word of God in clear and comprehensible terms with believers of all walks of life. Let him be your guide as he sheds light on the essential lessons contained in the most infamous and influential short stories the world has ever known.

The Bible Code 2 Michael Drosnin, 2003 'Twin Towers was encoded in the 3000-year-old text. Airplane appeared in exactly the same place. It caused to fall, knocked down crossed airplane and towers...But it was not this terrorist attack that really shook me. It was what the Bible code predicted was yet to come.' This is the sensational sequel to *THE BIBLE CODE*, which rocketed to the top of the bestseller charts in 1997. The discovery of a code encrypted in the Bible some 3000 years ago caught the public imagination. But if this code predicted the disastrous events of 9/11, what more can it tell us about our future? And if we are on the road to Armageddon, can it give us the information we need to survive? One word of advice - don't make big plans for 2006...

The Book of Ezekiel, Chapters 25-48 Daniel I. Block,1998-06-19 This work completes Daniel Block's two-volume commentary on the book of Ezekiel. The result of twelve years of studying this difficult section of Scripture, this volume, like the one on chapters 1-24, provides an excellent discussion of the background of Ezekiel and offers a verse-by-verse exposition that makes clear the message of this obscure and often misunderstood prophet. Block also shows that Ezekiel's ancient wisdom and vision are still very much needed as we enter the twenty-first century.

Catechism of the Catholic Church U.S. Catholic Church,2012-11-28 Over 3 million copies sold! Essential reading for Catholics of all walks of life. Here it is - the first new Catechism of the Catholic Church in more than 400 years, a complete summary of what Catholics around the world commonly believe. The Catechism draws on the Bible, the Mass, the Sacraments, Church tradition and teaching, and the lives of saints. It comes with a complete index, footnotes and cross-references for a fuller understanding of every subject. The word catechism means instruction - this book will serve as the standard for all future catechisms. Using the tradition of explaining what the Church believes (the Creed), what she celebrates (the Sacraments), what she lives (the Commandments), and what she prays (the Lord's Prayer), the Catechism of the Catholic Church offers challenges for believers and answers for all those interested in learning about the mystery of the Catholic faith. The Catechism of the Catholic Church is a positive, coherent and contemporary map for our spiritual journey toward transformation.

The Attributes of God A. W. Pink,2009-04-01 Despite the ubiquity of the word God in our daily lives, how much time do we spend actually contemplating the nature of the divine? In this volume, author A.W. Pink plumbs the Scriptures and Christian theology to compile a surprisingly detailed account of the nature of God. Even lifelong believers might be surprised by some of the findings presented in this engrossing analysis.

A Faith to Confess Sidney Maurice Houghton,1975 Here in modern English is the most famous of Baptist Confessions containing the heart and soul of the Reformation in terms of clear Biblical truth. Here is a Confession of faith for churches to be founded upon, a faith for church members to know, love, defend and propagate, a faith that church officers can hand on to future generations. The Introduction which forms a preface to this Confession explains its origin and discusses several particularly relevant issues contained in the chapters, thereby increasing the usefulness of the whole.

The Temple - Its Ministry and Services as They Were at the Time of Jesus Christ Alfred Edersheim,2022-08-18 *** This Premium Edition includes An Easy to Read Layout making reading comfortable *** It has been my wish in this book, to take the reader back nineteen centuries; to show him Jerusalem as it was, when our Lord passed through its streets, and the Sanctuary, when He taught in its porches and courts; to portray, not only the appearance and structure of the Temple, but to describe its ordinances and worshippers, the ministry of its priesthood, and the ritual of its services. In so doing, I have hoped, not only to illustrate a subject, in itself most interesting to the Bible-student, but also, and chiefly, to sketch, in one important aspect, the religious life of the period in which our blessed Lord lived upon earth, the circumstances under which He taught, and the religious rites by which He was surrounded; and whose meaning, in their truest sense, He came to fulfil. The Temple and its services form, so to speak, part of the life and work of Jesus Christ; part also of His teaching, and of that of His apostles. Alfred Edersheim (7 March 1825 - 16 March 1889) was a Biblical scholar known especially for his book *The Life and Times of Jesus the Messiah*.
