Health Benefits of Medicinal Mushrooms Mark Stengler, 2005 Backed by centuries of use by Asian herbalists and doctors and now by solid scientific research, the supplemental use of medicinal mushrooms has gained tremendous popularity. Among their many benefits, medicinal mushrooms have been shown to restore the competency of the immune system and to improve the outcome for people with a variety of serious illnesses, including cancer, hepatitis, and other conditions where effective nontoxic treatment options are limited. This book describes the most common supplemental medicinal mushrooms—including maitake, reishi, shiitake, and cordyceps—and their best clinical uses. Choosing products that match the potency of the supplements used in the supporting research requires a basic understanding of quality and potency and how the descriptions on the labels relate to the strength of a product. Therefore, this book also provides the basic knowledge needed to make the best choices to achieve the desired and highest therapeutic results. Book jacket.

Never Give up . . . All Is Well David W. Hime,2017-08-03 What motivated me to write this book was to tell you about my life experiences in conquering horrific health problems and physical adversity covering over five decades of my lifetime. Before my fathers death in March 2006, he had also encouraged me to write my life story to inspire others who face seemingly insurmountable odds, outrageous misfortune, and overwhelming physical adversity by declaring that nothing is impossible for God to perform miracles for those who believe and trust in Him. My mothers words still ring in my ears: David,

you may give in when the going gets tough, but you never give up. That statement has resonated in my mind throughout my lifetime to give me comfort and inspiration.

Prostate Health in 90 Days Larry Clapp, Ph.D./J.D.,1997-08-01 Don't let them cut or fry your prostate! This proven, patient-tested program can restore vigorous health in 90 days. Each year, 40,000 American men have their prostates surgically removed or burned with radiation, often within 48 hours of cancer diagnosis. While doing so may eliminate an immediate problem, it will result in reduced quality of life, often including impotence and incontinence. And, unfortunately,

surgery and radiation don't work as well as claimed. Often the cancer recurs—35% require retreatment within five years. This book will teach you how to: · STOP PROSTATE TROUBLE IN ITS TRACKS using nutrition, massage, herbs, homeopathy, and other alternative healing approaches. · UNDERSTAND WHAT CAUSES CANCER, including toxins from your diet, drugs, the environment, pesticides, and parasites—all relatively easy to change. · REVERSE THE CANCER-CAUSING EFFECTS of dental toxins from hidden infections, root canals, and the 50% mercury content in silver-amalgam fillings. · CLEANSE AND STRENGTHEN VITAL ORGANS, including your colon and prostate. · ENHANCE YOUR SEX LIFE and become physically and mentally stronger. · VIRTUALLY ELIMINATE YOUR CHANCE FOR DISEASE by balancing your pH. The prostate is that vital center from which men derive their vitality, creative energy, and sexual drive. Without it, overall health and quality of life is severely diminished. That's why it's important to take care of your prostate now, before trouble begins. Waiting for symptoms may be waiting too long. Often there are no warning signs, even in cases of advanced cancer.
