

Dragonflight Pern 1 Anne McCaffrey

Three complete books of Pern, Dragonsong, Dragonsinger, and Dragondrums.

Six months ago, their marriage ended... He has twelve hours to claim her back! Odir Farouk is about to become king—but to take his throne, he needs his errant wife by his side! Odir denied his hunger for Eloise, refusing to compromise power for passion. His rejection drove her away. Now Odir has until news of his succession breaks to win back his queen...and pleasure will be his most powerful weapon!

'Anne McCaffrey, one of the queens of science fiction, knows exactly how to give her public what it wants' The Times _____ Another Turn, and the deadly silver Threads began falling again. So the bold dragonriders took to the skies and their magnificent dragons swirled and swooped in space, belching flames that destroyed the shimmering strands before they reached the ground. But F'lar knew he had to find a better way to protect the peoples and lands of Pern, and he had to find it before the rebellious Oldtimers could breed any more dissent...before his brother F'nor would be foolhardy enough to launch another suicide mission...and before the mercurial fire lizards could cause even more trouble.

Dragonsong Simon and Schuster

Volume II of The Dragonriders of Pern®, the legendary series by award-winning author Anne McCaffrey Since Lessa and Ramoth, her golden queen dragon, traveled into the past to bring forward a small army of dragons and riders to save their world from deadly alien spores, fear and desperation have spread across the land. But while the dragonriders struggle with threats both otherworldly and human, a young rider named F'nor and his brown dragon, Canth, hatch a bold plan to destroy the alien scourge at its source—the baleful red star that fills the heavens and promises doom to all.

Science fiction legend Anne McCaffrey's beloved Harper Hall trilogy, set within the bestselling Dragonriders of Pern series, is now available in a collectable boxed set. Every two hundred years or so, on the planet colony of Pern, shimmering Threads fall from space, raining death. Yet the great dragons of Pern, mounted by the stalwart dragonriders, scour the skies with fire to destroy the deadly Thread and save the planet. Here we meet Menolly as she navigates her way as the first journeywoman Harper in the history of Pern; and fellow student Piemur whom is secretly asked to leave Harper Hall, drafted by Masterharper Robinton to embark on a dangerous mission to the Southern Hold. The Harper Hall trilogy, set within science fiction legend Anne McCaffrey's beloved and bestselling Dragonriders of Pern series, is a seminal work and a must-have for any fantasy or science fiction fan. At a time when the number of Dragonriders has fallen too low for safety and only one Weyr trains the creatures and their riders, the Red Star approaches Pern, threatening it with disaster

"When McCaffrey's beloved dragons roar and their riders soar on the beasts' mighty backs . . . fans of Pern will likely be enthralled."—Publishers Weekly For generations, the dragonriders had dedicated their lives to fighting Thread, the dreaded spores that periodically rained from the sky to ravage the land. On the backs of their magnificent telepathic dragons they flew to flame the deadly stuff out of the air before it could reach the planet's surface. But the greatest dream of the dragonriders was to find a way to eradicate Thread completely, so that never again would their beloved Pern be threatened with destruction. Now, for the first time, it looks as if that dream can come true. For when the people of Pern, led by Masterharper Robinton and F'lar and Lessa, Weyrleader and Weyrwoman of Bendon Weyr, excavate the ancient remains of the planet's original settlement, they uncover the colonists' voice-activated artificial intelligence system—which still functions. And the computer has incredible news for them: There is a chance—a good chance—that they can, at long last, annihilate Thread once and for all.

Volume III of The Dragonriders of Pern®, the influential series by sci-fi/fantasy titan Anne McCaffrey Never in the history of Pern has there been a dragon like Ruth. Mocked by other dragons for his small size and pure white color, Ruth is smart, brave, and loyal—qualities that he shares with his rider, the young Lord Jaxom. Unfortunately, Jaxom is also looked down upon by his fellow lords, and by other riders as well. His dreams of joining the dragonriders in defending Pern are dismissed. What else can Jaxom and Ruth do but strike out on their own, pursuing in secret all they are denied? But in doing so, the two friends will find themselves facing a desperate choice—one that will push their bond to the breaking point . . . and threaten the future of Pern itself.

Anne McCaffrey draws the reader back in time to an earlier Pern to tell the story of one of Pern's great and true heroines. An air of pleasant anticipation hung so thickly over the Halls, Holds and Weyrs of Pern that it had affected even the businesslike ways of Moreta, the Weyrwoman of Fort Weyr, where her dragon, Queen Orlich, would soon clutch. Then without warning, a runnerbeast fell ill. Soon myriads of holders, craftsmen, and dragonriders were dying; and the mysterious ailment had spread to all but the most inaccessible holds. Pern was in mortal danger. For, if dragonriders did not rise to char Thread, the parasite would devour any and all organic life it encountered. The future of the planet rested in the hands of Moreta and the other deicated, lelfless Pernese leaders. But of all their problems, the most difficult to overcome was time. . . .

At a time when the number of Dragonriders has fallen too low for safety and only one Weyr trains the creatures and their riders, the Red Star approaches Pern, threatening the planet with disaster. Reprint. 25,000 first printing.

Travel back to the earliest days of Pernese history in this first-ever Dragonriders of Pern short-story collection! Join the original survey team as they explore Pern and decide to recommend it for colonization. Share the terror of the evacuation from the Southern Continent as a flotilla of ships, aided by intelligent, talking dolphins, braves the dreadful currents of the Pernest ocean. Learn how the famous Ruatha Hold was founded, and thrill with the dragonriders as they expand into a second, then a third Weyr. And discover a secret lost in time: the rescue of some of the original colonists before the planet was cut off forever! Building a new life on a distant world, braving the dreaded Thread that falls like silver rain from the sky only to destroy every living thing it touches, flying heroically on the wondrous dragons: The Dragonriders of Pern!

A deadly epidemic was sweeping across Pern! Everyone, holder and dragonrider alike, pitched in to help—except Nerilka's father, who refused to share Fort Hold's bounty with the other Holds. So, ashamed of her family and determined to do her part, Nerilka packed up medicines and supplies and sneaked off to aid her people. Her quest to help wherever she was most needed led her finally to Ruatha Hold, where Lord Alessan was frantically preparing the precious serum needed for mass inoculations against the dread plague. Nerilka had long ago abandoned her hope of marriage and a home of her own. Now she found happiness in being useful and appreciated—first the Healers and then Alessan made very clear that they were grateful for her help. She had no idea that her new path would change the course of her life forever!

The planet Pern has been colonized for centuries by humans. When humans first settled on this world, they did not take notice of its sister planet, which had an indigenous life form that attempted to land on Pern when it came within reach. These silver

"threads" fell in a destructive wave on the temperate lands of Pern once every 200 years, destroying all life they encountered. To combat this menace, the inhabitants of Pern developed a species of dragon that could burn these threads out of the sky before they touched down. Now, centuries have passed between threadfalls, and the danger of thread is considered a myth. However, a dragon rider named F'lar knows that the riders are once again needed.

Self-made billionaire Zephyr Nikos has come a long way from the streets of Athens, but his heart is stone-cold—like marble. He can't offer Piper Madison his love; instead he offers her his world—fine dining, private jet, rubbing shoulders with the rich and powerful.... As their desire heats up and finally reaches boiling point, Zephyr and Piper must end their affair before one of them gets hurt. There's just one small complication...Piper's pregnancy test just came back positive!

NEW YORK TIMES BESTSELLER Scores of dragons are dead after plague swept across the world of Pern, and now the Weyrs are struggling to rebuild before Threadfall destroys everything—and everyone—left alive. Their best hope lies with a group of new dragonriders who have volunteered to brave the dangers of an unexplored island populated by vicious wild felines and voracious tunnel-snakes to create a safe home for their young dragons, whose offspring will hopefully replenish Pern's decimated population. But their leader, Xhinna, the first female rider of a blue dragon, faces an uphill battle to win the respect of her peers, especially after tragedy leaves the new colony reeling. The way forward seems to lie with the awesome ability of the dragons to travel through time. But that power comes with risks: By venturing into the past, Xhinna may jeopardize the very future she has sworn to save. "Memorable characters and a good balance of individual dramas and large-scale action make this a strong addition to the Pern saga."—Library Journal "Longtime fans will enjoy the latest adventures of the cheerful dragonriders and their colorful mounts."—Publishers Weekly "McCaffrey will be remembered, rightly, as one of science fiction's grand masters."—Tor.com

NEW YORK TIMES BESTSELLER • Together in one volume—the first three books in the world's most beloved science-fiction series!

DRAGONFLIGHT On a beautiful world called Pern, an ancient way of life is about to come under attack. Lessa is an outcast survivor—her parents murdered, her birthright stolen—a strong young woman who has never stopped dreaming of revenge. But when an ancient threat reemerges, Lessa will rise—upon the back of a great dragon with whom she shares a telepathic bond more intimate than any human connection. Together, dragon and rider will fly, and Pern will be changed forever. **DRAGONQUEST** Since Lessa and Ramoth, her golden queen dragon, traveled into the past to bring forward a small army of dragons and riders to save their world from deadly alien spores, fear and desperation have spread across the land. But while the dragonriders struggle with threats both human and otherworldly, a young rider named F'nor and his brown dragon, Canth, hatch a bold plan to destroy the alien scourge at its source—the baleful Red Star that fills the heavens and promises doom to all. **THE WHITE DRAGON** Never in the history of Pern has there been a dragon like Ruth. Mocked by other dragons for his small size and pure white color, Ruth is smart, brave, and loyal—qualities that he shares with his rider, the young Lord Jaxom. Unfortunately, Jaxom is also looked down upon by his fellow lords, and by other riders as well. His dreams of joining the dragonriders in defending Pern are dismissed. What else can Jaxom and Ruth do but strike out on their own, pursuing in secret all they are denied? But in doing so, the two friends will find themselves facing a desperate choice—one that will push their bond to the breaking point . . . and threaten the future of Pern itself.

When young Fiona is asked to take on the role of Weyrwoman, she soon discovers the challenges of her new position, from unexpected perils to the possibility of losing her own dragon to the sickness that has claimed others.

After moving with her mother to the English countryside, Jenny, a young American girl, begins to unravel a mystery on the grounds and uncovers evidence of another, hidden, occupant of her new home—a three-hundred-year-old ghost named Tamsin. Reissue.

A new hero emerges in a divided world as one of sci-fi's most beloved series—Anne McCaffrey's Dragonriders of Pern—relaunches with this original adventure from Anne's daughter, Gigi McCaffrey. In honor of the fiftieth anniversary of the Dragonriders of Pern series, Gigi does her mother proud, adding to the family tradition of spinning unputdownable tales that recount the adventures of the brave inhabitants of a distant planet who battle the pitiless adversary known as Thread. The last time Thread attacked Pern, the world was unprepared for the fight—until the Oldtimers appeared. These courageous dragonriders arrived from the past, traveling four hundred years to help their descendants survive. But the collision of past and present took its toll. While most of the displaced rescuers adapted to their new reality, others could not abide the jarring change and found themselves in soul-crushing exile, where unhappiness and resentment seethed. Piemur, a journeyman harper, also feels displaced, cast adrift by the loss of his spectacular boyhood voice and uncertain of his future. But when the Masterharper of Pern sees promise in the young man and sends him undercover among the exiled Oldtimers, Piemur senses the looming catastrophe that threatens the balance of power between the Weyrs and Holds of Pern. When the unthinkable happens, Piemur must rise to the challenge to avert disaster and restore honor to the dragons and dragonriders of Pern. Because now, in a world already beset by Thread, another, more insidious danger looms: For the first time in living memory, dragons may be on the verge of fighting dragons.

"Personable characters and superb storytelling make this an excellent choice. . . . Essential for Pern fans of all ages."—Library Journal (starred review) The son of a miner, Kindan has no expectations for any other life. He loves his lessons with the camp's harper, but music isn't part of a miner's future. He also enjoys helping out with the camp's watch-wher—a creature distantly related to dragons and uniquely suited to work in dark, cold spaces—but even that important job can't promise a future above the ground. Then disaster strikes. In one terrible instant, Kindan loses his family and the camp loses its watch-wher. It will take a new friendship and a new responsibility to teach Kindan that even a seemingly impossible dream is never out of reach . . . and that light can be found in the deepest darkness. "A guaranteed pleaser [in] one of SF's most splendid and longest-lived sagas."—Booklist "Another delightful entry in the Pern series."—Publishers Weekly

NEW YORK TIMES BESTSELLER • Go back in time and visit Pern like it's never been seen before in this thrilling prequel about the creation of dragons. The beautiful planet Pern seemed a paradise to its new colonists—until unimaginable terror turned it into hell. Suddenly deadly spores were falling like silver threads from the sky, devouring everything—and everyone—on their path. It began to look as if the colony, cut off from Earth and lacking the resources to combat the menace, was doomed. Then some of the colonists noticed that the small, dragonlike lizards that inhabited their new world were joining the fight against Thread, breathing fire on it and teleporting to safety. If only, they thought, the dragonets were big enough for a human to ride and intelligent enough to work as a team with a rider... And so they set their most talented geneticist to work to create the creatures Pern so desperately needed—Dragons!

In this triumphant return to Pern, Anne McCaffrey takes us on an adventure as surprising and unforgettable as any that has come before . . . It is a time of hope and regret, of endings and beginnings. The Red Star, that celestial curse whose eccentric orbit was responsible for Thread, has been shifted to a harmless orbit, and the current Threadfall will be the last. Technological marvels are changing the face of life on Pern. And the dragonriders, led by F'lessan, son of F'lar and Lessa and rider of bronze Golanth, and Tia, rider of green Zaranth, must forge a new place for themselves in a world that may no longer need them. But change is not easy for everyone. There are those who will stop at nothing—not even violence—to keep Pern and its people pure. And now a brand-new danger looms from the skies . . . and threatens a catastrophe of unimaginable proportions. Once again, the world looks to the dragons and their riders to solve the crisis and save the world. But now, as the friendship of F'lessan and Tia begins to bloom into something more, unforeseen tragedy strikes: a tragedy destined to forever change the future—not just of the two young lovers, but of every human and dragon on Pern . . .

NEW YORK TIMES BESTSELLER Even though Lorana cured the plague that was killing the dragons of Pern, sacrificing her queen dragon in

the process, the devastating disease has left too few dragons alive to fight the fall of deadly Thread. As morale at Telgar Weyr plunges in the wake of the widespread loss, and Weyrwoman Fiona and the harper Kindan struggle to keep hope from vanishing, a pregnant Lorana decides she must take drastic steps. Nothing short of manipulating time itself will undo the damage done by the plague. But attempting time travel could have devastating consequences—altering history, and destiny, forever. Now, somehow, Lorana must find a way to accomplish what seems impossible: bending the natural laws of the universe without wreaking havoc on existence itself. To ensure the future of Pern, she's willing to take the fateful chance—even if it demands yet another, far greater, sacrifice. BONUS: This edition contains an excerpt from Anne McCaffrey and Todd McCaffrey's *Sky Dragons*.

The men who rode the dragons were a breed apart. Chosen when the dragons were first hatched, they became soulmates for life with the huge, magnificent beasts they controlled - the green, blue, brown and bronzes - beautiful - terrible - the only creatures who could defend the planet Pern from the blood-red star. But without the Queen, the dragons would become extinct. Only the gigantic, golden Queen could breed the new flights. And the Queen was fading...dying...leaving behind one last, huge, golden egg. DRAGONFLIGHT is the first book in Anne McCaffrey's world-famous *Chronicles of Pern*.

In Anne McCaffrey's New York Times bestselling *Dragonseye*, join Weyrleaders, Holders, and Craftmasters in the creation of the legendary Star Stones and the teaching ballads of Pern! It's been two hundred years since the deadly Thread fell like rain upon Pern, devouring everything in its path. No one alive remembers that first horrific onslaught and no one believes in its return—except for the dragonriders. For two centuries they have been practicing and training, passing down from generation to generation the formidable Threadfighting techniques. Now the ominous signs are appearing: the violent winter storms and volcanic eruptions that are said to herald the approach of the Red Star and its lethal spawn. But one stubborn Lord Holder, Chalkin of Bitra, refuses to believe--and that disbelief could spell disaster. So as the dragonriders desperately train to face a terrifying enemy, they and the other Lord Holders must find a way to deal with Chalkin—before history repeats itself and unleashes its virulence on all of Pern. . . .

A splendid selection of stories from the lady who taught dragons to fly and rockets to sing . . . *Lady in the Tower* The Rowan was one of a select group of telepaths—a complete Prime, one of only five. Then one day, another Prime appeared mysteriously from the outer boundaries of space, asking for help in a savage battle against evil! *Finder's Keepers* Young Peter had a unique gift which earned him and his mother a little money and gave pleasure to others. Then, one day, an unscrupulous man forced Peter to use his precious gift in a crooked scheme—and Peter grew up fast! *Honeymoon Helva* and her new brawn were sent on an especially urgent mission . . . a mission that not only put them both in great danger, but a mission that also caused them to break the ultimate taboo! *The Smallest Dragon Boy* The only thing Keevan wanted in life was to be a dragonrider, just like his father . . . but everything seemed to stand in his way! “[McCaffrey is the] master of the well-told tale.”—Chicago Sun-Times As long as the people of Pern could remember, the Holds had protected them from Thread, the deadly silver strands that fell from the sky. In exchange for sanctuary in the huge stone fortresses, the people tithed to their Lord Holders, who in turn supported the dragonriders, Pern's greatest weapon against Thread. But not everyone on Pern was protected. Some, like Jayge's trader clan, simply preferred the freedom of the roads to the security of a hold. Others, like Aramina's family, had lost their homes. Regardless of their differences, however, they all feared the outlaws who preyed on holds and holdless alike. The Lady Thella's renegades are the most dangerous yet—all they need is Aramina, whose telepathic link with dragons can help them evade the dragonrider patrols. But Jayge is out to stop Thella . . . and he will never let her have Aramina.

“[Anne] McCaffrey here adds yet another dimension to her colorful and vivid saga by focusing on the attractive dolphins and their highly believable society.”—Publishers Weekly When the first humans came to settle the planet Pern, they did not come alone: intelligence-enhanced dolphins also crossed the stars to colonize Pern's oceans while their human partners settled the vast continents. But then disaster struck. The deadly silver spores called Thread fell like rain from the sky, and as the human colonists' dreams of a new, idyllic life shattered into a desperate struggle for survival, the dolphins were forgotten. Now, centuries later, as the dragonriders of Pern prepare to complete the momentous task of ridding their world of Thread forever, T'lon, a young bronze rider, and his friend Readis, son of the Lord Holder of Paradise River Hold, make contact with the legendary “shipfish.” And as the dragonriders grapple with the end of an era, T'lon, Readis, and the dolphins face the start of a new one: reviving the bond between land- and ocean-dwellers—and resurrecting the dreams of the first colonists of Pern.

“This is Pern, in the hands of a new master-grade harper. . . . May the saga continue!” —David Weber, New York Times bestselling author of *The Shadow of Saganami* A mysterious epidemic is striking dragons, and the next deadly cycle of Threadfall is only days away. Somehow, dragonrider Lorana must find a way to save all the dragons—including her own beloved Arith—before they succumb to the sickness, leaving Pern undefended. No doubt the first colonists, who originally bred the dragons, possessed the advanced technology to find a cure. But over the centuries, that knowledge was lost. Five hundred years in the past, a scientist foresees that a disease may ultimately destroy the dragons, and she is determined to find a way to change the future. Now two brave women, separated by hundreds of years but joined by bonds transcending time, become unknowing allies in a desperate race for nothing less than Pern's survival. Praise for *Dragonsblood* “Dragonsblood is a strong, lively story, with vivid, interesting characters and plenty of exciting action. Todd has captured the tone as well as the familiar settings of the Pern books. Pern fans (and newcomers to the Pern universe) have reason to rejoice.”—Elizabeth Moon, Nebula Award-winning author of *Marque* and *Reprisal* “For Pern lovers, the good news is that Todd McCaffrey has inherited his mother's storytelling ability. His dragons and firelizards, his harpers in Harper's Hall, carry on the great traditions—and add much to them. Huzzah, Todd! You have learned wisdom indeed.”—Jane Yolen, award-winning author of *Briar Rose* “Dragonsblood is cause for celebration! A worthy addition to one of the grandest traditions in the literature of the fantastic, this is a lock-the-door, take-the-phone-off-the-hook, send-the-kids-out-to-play, curl-up-and-enjoy adventure!”—David Gerrold, author of *Blood and Fire* “The torch has been passed

and burns more brightly than ever in this latest chapter of the venerable Pern saga, the first of what one hopes will be many solo efforts by the son of series creator Anne McCaffrey. . . . This stand-alone tale fits beautifully into the existing history and style of earlier books while still breaking new ground.”—Publishers Weekly (starred review) “McCaffrey convincingly spins a dramatic, thoroughly captivating tale, steeped in the lore and well-drawn characterizations of the people and the dragons for which the Pern novels are prized. Fans old and new will be delighted by his continuance of a beloved saga.”—Booklist

In *Changelings*, bestselling authors Anne McCaffrey and Elizabeth Ann Scarborough returned to the sentient planet Petaybee with a story of growth and transformation in the face of deadly new threats. The telepathic, shapeshifting twins Murel and Ronan found that Petaybee had plans for them as well. Now those plans begin to bear fruit with fresh possibilities . . . and dangers. Now that Petaybee is forming a new equatorial island, the planet has agreed to harbor a group of new refugees, workers indentured to the powerful InterGal Corporation. But the mission to collect the immigrants becomes a rescue operation when it is revealed that InterGal is doing nothing to help these survivors of a world devastated by a meteor shower. Murel and Ronan set out to persuade the frightened refugees to come out of hiding, leave their world, and bring along their sacred totem animals, the gifted sea turtles called the Honus. But the twins discover that they've taken on more than they expected: The Honus are not the only animals sacred to the refugees. There are also the Manos, intelligent sharks who have lost none of their predatory habits—and who cannot be left behind to die. When the Manos are released into Petaybee's waters, a tragic misunderstanding endangers the whole resettlement operation. At the same time, the mysterious sea otters who once rescued the twins' father are suddenly revealed to be much more than they appear to be. Now it is up to Ronan and Murel, with the intrepid assistance of their river otter friend Sky, to smooth the waters before a maelstrom of revenge destroys Petaybee's harmonious way of life. But even as the twins uncover startling new facts about Petaybee's past that will change everything they thought they knew about the planet, the forces of InterGal are gathering, preparing to strike. . . .

For more than thirty years, Pern has conjured visions of brave men and women mounted upon the backs of dragons. As anyone knows who has been touched by the storytelling magic of Anne McCaffrey, to read of the exotic world of Pern is to inhabit it—and to experience its extraordinary dragons is to soar aloft with them and share their dazzling adventures. Now, *A Gift of Dragons* brings together three beloved stories and a thrilling new tale of Pern in a single volume illustrated with beautiful artwork by Tom Kidd. In “The Smallest Dragonboy,” Keevan is the youngest dragonrider candidate, determined to impress a dragon when the next clutch of eggs hatches. But what transpires will surprise everyone—Keevan most of all. In “The Girl Who Heard Dragons,” a young girl's rare ability to communicate with dragons puts her family in danger and will bring her face to face with her greatest fears—and with her most secret desire. The “Runner of Pern” is a girl named Tenna, who follows family tradition by delivering messages—and who will find her destiny on the mossy traces that runners have used for centuries under the dragon-filled sky. And finally, a very special gift: an exciting new Pern adventure, published here for the first time, fresh from the imagination of Anne McCaffrey. With a cast of beloved characters from previous Pern novels, *Dragongirl* is another triumph for Todd McCaffrey—and a riveting chapter for the *Dragonriders of Pern*. Young Fiona, rider of the gold queen Talenth, has returned with the dragons and riders who fled into the past to heal their battle wounds and prepare to fight anew the menace of Thread. Now more than three years older, Fiona is no longer a child but a woman—thrust into authority by a shocking tragedy. But leading weyrfolk who are distrustful of a young outsider will be only one of her challenges. Despite gaining reinforcements from the past, too few dragons have survived the recent plague to stem the tide of the intensifying Threadfall. As a senior Weyrwoman, Fiona must take decisive action. With the aid of Lorana, the rider who sacrificed her dragon for others, and Fiona's true love, the harper Kindan, she proposes a daring, nearly impossible plan. But if it succeeds, it just might save them all. This classic work is an essential tool for collection development, research, reference, and readers' advisory work.”--BOOK JACKET.

NEW YORK TIMES BESTSELLER • “At last, Robinton has his own book . . . McCaffrey adds another absorbing chapter to dragon lore. . . . Readers will revel in this compelling character study of a fascinating personality.”—Romantic Times In a time when the deadly scourge Thread has not fallen on Pern for centuries—and many dare to hope that Thread will never fall again—a boy is born to Harper Hall. A musical prodigy who has the ability to speak with the dragons, he is called Robinton, and he is destined to be one of the most famous and beloved leaders Pern has ever known. It is a perilous time for the harpers who sing of Thread—they are being turned away from holds, derided, attacked, even beaten. In this climate of unrest, Robinton will come into his own. But despite the tragedies that beset his own life, he continues to believe in music and in the dragons, and he is determined to save his beloved Pern from itself—so that the dragonriders can be ready to fly against the dreaded Thread when at last it returns . . . “The story takes wing . . . when McCaffrey's beloved dragons roar and their riders soar upon the beasts' mighty backs. . . . Fans of Pern will likely be enthralled.”—Publishers Weekly

NEW YORK TIMES BESTSELLER • “A richly detailed story on a par with the rest of the Pern canon . . . another successful McCaffrey mother-and-son collaboration.”—Booklist At Natalon's mining camp, Pellar embarks on a secret mission to discover whether the condemned criminals known as the Shunned are stealing coal. But the gifted tracker discovers that a far more treacherous plot is unfolding. A heartless thief named Tenim has realized there is profit to be made from firestone, the volatile mineral that enables the dragons of Pern to burn the lethal Thread out of the sky. When the last remaining firestone mine explodes, a desperate race begins to find a new deposit of the deadly but essential mineral. Sure enough, Tenim has a murderous plan to turn tragedy to his own advantage. Now Pellar and his new friends—the kind and gentle Halla, a child of the Shunned, and Cristov, the son of a corrupt miner—must stop Tenim. If they fail, it will mean the end for Pern and its dragonriders. “Grittier than the early parts of the series; Todd's apparently brought a wider, more current worldview to Pern.”—The San Diego Union-Tribune “These fabled dragons still cast a spell.”—Publishers Weekly

NATIONAL BESTSELLER • “Captivating . . . The McCaffreys are well known for their brilliant characterizations, and they do not disappoint here.”—Booklist In Fort Hold, a clutch of fire-lizard eggs is about to hatch, and Lord Bemin's beautiful young daughter, Koriana, is determined to Impress one of the delightful creatures. At the hatching, apprentice harper Kindan impresses a fire-lizard of his own . . . and wins the heart of Koriana. But Lord Bemin mistrusts harpers and will not hear of a match between his daughter and the low-born Kindan. Then fate intervenes in the form of a virulent plague as fast-spreading as it is deadly. Arising suddenly, as if out of nowhere, the contagion decimates hold after hold, paying no heed to distinctions of birth. In this feverish crucible, friendship and love will be tested to the breaking point and beyond. For with Threadfall scant years away, the Dragonriders dare not expose themselves to infection, and it will fall to Kindan and his fellow apprentices to bravely search for a cure and save humanity. “Strong storytelling and compelling drama, along with memorable characters.”—Library Journal
