"Don't f*ck the case lead." If that's a rule in the detective handbook, I'm SCREWED. Eight years ago, Hunter wasn't exactly the type of boy you brought home. Rough and rugged, his fresh leather jacket only made him look even more dangerous. Didn't help that he knew how to make that motorcycle between his muscular thighs purr... And that wasn't the only huge thing that drew my unwavering attention... When I broke his heart, he disappeared out of my life. For forever, I thought. Turns out, forever lasts less than a decade... Now, our lives are on a collision course again. Only this time, we're on opposite sides of the law. Me, the fresh new detective, hunting down a missing girls case. And Hunter... the rock-hard biker president of a notorious motorcycle club. Guess what? He just turned up in the case file... and he might be my only help. Is this a chance to fix everything and set it all right again? If I get swept into this life, there's no turning back...

He is the supernatural world's hand of justice. She is the abomination he's sworn to kill. Their love conquered all. Until now. When a dark spell hits San Francisco, former mercenary mage Sera Dering and dragon shifter Kai Drachenburg find themselves on opposite sides of a supernatural war that has been raging for centuries-with no memory of their love or the world that was. They have every reason to hate each other, but if they want to survive this Shadow World, they'll have to put their differences behind them and find the person who cast the spell before this hellish reality becomes permanent. Shadow World is a new complete trilogy set in the bestselling Dragon Born world. It includes the three books: Magic Eclipse, Midnight Magic, and Magic Storm.

Cadence Lightbringer, daughter of an archangel, has trained from birth to one day drink the Nectar of the gods and ascend to the angels' ranks. She's always been the perfect soldier. She's always known exactly where her life is headed. Until she is assigned to a mission with Damiel Dragonsire, Master Interrogator of the Legion of Angels. Powerful, paranoid, and brutally intelligent, Damiel has built up a reputation for hunting down each and every traitor hiding within the Legion's ranks. And his latest suspect is Cadence. Convinced she is not the perfect soldier everyone believes her to be, he will stop at nothing to expose her. Angel Fire is the first book in the Immortal Legacy series.

Living in exile after failing in his job as an investigator of religious groups and supernatural claims, Justin March, a man from a near-future world decimated by religious extremists, is invited to join an elite branch of the military. Harold is a curious four-year-old whose imagination - and ubiquitous purple crayon - leads him into a world of his own invention. This story is full of twists and surprises as young Harold draws himself some wonderful adventures.

A decade ago Darrow led a revolution, and laid the foundations for a new world. Now he's an outlaw. Cast out of the very Republic he founded, with half his fleet destroyed, he wages a rogue war on Mercury. Outnumbered and outgunned, is he still the hero who broke the chains? Or will he become the very evil he fought to destroy? In his darkening shadow, a new hero rises. Lysander au Lune, the displaced heir to the old empire, has returned to bridge the divide between the Golds of the Rim and Core. If united, their combined might may prove fatal to the fledgling Republic. On Luna, the embattled Sovereign of the Republic, Virginia au Augustus, fights to preserve her precious democracy and her exiled husband. But one may cost her the other, and her son is not yet returned. Abducted by enemy agents, Pax au Augustus must trust in a Gray thief, Ephraim, for his salvation. Far across the void, Lyria, a Red refugee accused of treason, makes a desperate bid for freedom with the help of two unlikely new allies. Fear dims the hopes of the Rising, and as power is seized, lost, and reclaimed, the worlds spin on and on toward a new Dark Age. From princess to private detective. Exiled, stripped of her title and magic armor, former paranormal princess Terra Cross is living a new life as a private detective. Working side-by-side with her father, she hunts down galactic bail jumpers hiding on Earth, rescues kidnapped children from otherworldly gangsters, and stops ritualistic summonings of interdimensional monsters. But her old life comes knocking when a vampire soldier shows up on her doorstep with a job: to find the missing twin heirs to the vampires' empire.

Assailed by monsters and machines, Terra seeks the help of the galaxy's most infamous assassin, a darkly tempting mage with devastating telekinetic powers. What begins as a rescue mission, however, soon grows into a conspiracy that reaches back centuries and spans worlds. Vampires & Vigilantes is the first book in the rebooted Sorcery & Science series.

STONEFIRE DRAGONS BOOK 2 On her first visit to Clan Stonefire, Department of Dragon Affairs inspector Evie Marshall has an ulterior motive--she needs to seduce its clan leader. If she can't seduce him and become his mate, the dragon hunters will kill her. Of course, Evie doesn't know the first thing about seducing a man, let alone a dragon-shifter, but with her life on the line, she's going to have to become a fast learner or die trying. Bram Moore-Llewellyn has a track record of scaring off DDA inspectors, but when the latest inspector shows up wearing tight clothes and a sexy smile, his inner dragon takes notice. While battling his attraction to the human, he soon finds himself with an impossible choice: he can either break the law to mate the female and risk a backlash from both the dragon hunters and the British government, or he can turn her away and let her die at the hands of the hunters. and cities of cruel splendor, where heroes must battle the horrible monsters and vicious raiders who roam the desert, while in the cities undying sorcerer-kings crush any who dare to oppose them. This is Athas, the unrelenting world of the Dark Sun®; a world shaped by inherently destructive magic, and ruled by intrinsic evil. In such a world, the forces of good—and the heroes who emerge in this unforgiving land—fight not only for themselves, but for life of the world itself. Aric, is a half-elf with a rare natural ability with the psionic discipline known as “the Way.” When Aric is brought into a quest to search for a priceless trove weapons, he would rather keep his head down and live a simple life. But nothing is simple in the city of Nibenay with its reclusive ruler known as the Shadow King. And in a world where metal is the rarest of commodities, Aric’s “way” with metal is an even rarer talent. Enlisted by the Shadow King himself to seek out this cache of metal weaponry, Aric heads into the desert with a treacherous band of adventurers. Allegiances are tested and secrets are uncovered. But sometimes the secrets hidden by the sands of time should remain undiscovered. When Aric and his band uncover an evil perhaps greater than the Shadow King himself, it is a race against time to see who will harness its power.

To survive the week, Sera has to trust dragon shifter Kai, the world's most powerful mage-even knowing he has his own plans for her. Magic Games is the second book in the Dragon Born Serafina urban fantasy series.

"A unique and splendidly researched story, following the trials and triumphs of Julius Caesar's Legio X-arguably the most famous legion of its day-from its activation to the slogging battle of Munda and from Thapsus, Caesar's tactical masterpiece, to the grim siege of the Jewish fortress of Masada. More than a mere unit account, it incorporates the history of Rome and the Roman army at the height of their power and gory glory. Many military historians consider Caesar's legions the world's most efficient infantry before the arrival of gunpowder. This book shows why. Written in readable, popular style, Caesar's Legion is a must for military buffs and anyone interested in Roman history at a critical point in European civilization." —T. R. Fehrenbach, author of *This Kind of War*, *Lone Star*, and *Comanches* Stephen Dando-Collins paints a vivid and definitive portrait of daily life in the Tenth Legion as he follows Caesar and his men along the blood-soaked fringes of the Empire. This unprecedented regimental history reveals countless previously unknown details about Roman military practices, Caesar's conduct as a commander and his relationships with officers and legionaries, and the daily routine and discipline of the Legion. From penetrating insights into the mind of history's greatest general to a grunt's-eye view of the gruesome realities of war in the Classical Age, this unique and riveting true account sets a new standard of excellence and detail to which all authors of ancient military history will now aspire.

Leda's quest to gain the magic she needs to save her brother leads her to the castle of the Dragons, home of four soldiers in the Legion of Angels with extraordinary powers over the elements. If she makes it through their training, she might just survive her next sip of the gods' Nectar and level up her magic. But the gods' gifts of magic come at a price. Leda can already feel the Nectar changing her, making her less human-and so is her budding romance with the angel Nero. Sip by sip, kiss by kiss, the change is taking hold of her. As if that's not enough, Leda finds herself once again caught between the armies of heaven and hell-and tempted by a darkness that threatens to consume the Earth. When the world of Azeroth was young, the god-like titans brought order to it by reshaping its lands and seas. Throughout their great work, they followed a magnificent design for what they envisioned Azeroth would become. Although the titans departed Azeroth long ago, that design endures to this day. It is known as the Emerald Dream, a lush and savagely primal version of the... WORLD OF WARCRAFT Many are the mysteries surrounding the Emerald Dream and its reclusive guardians, the green dragonflight. In times past, druids have entered the Dream to monitor the ebb and flow of life on Azeroth in their never-ending quest to maintain the delicate balance of nature. However, not all dreams are pleasant ones. Recently the Emerald Nightmare, an area of corruption within the Emerald Dream, began growing in size, transforming the Dream into a realm of unimaginable horror. Green dragons have been unexpectedly caught up in the Nightmare, emerging from it with shattered minds and twisted bodies. Druids who have entered the darkening Dream lately have found it difficult -- sometimes even impossible -- to escape. Nor are these the Nightmare's only victims: more and more people are being affected. Even Malfurion Stormrage, first and foremost of the

druids on Azeroth, may have fallen victim to this growing threat. As uncontrollable nightmares spread across the world, a desperate quest begins to find and free the archdruid. Soon nature's enemies will learn the true meaning of the name STORMRAGE. In this book I have written about some aspects of the war which, I believe, the world must know and remember, not only as a memorial of men's courage in tragic years, but as a warning of what will happen again--surely--if a heritage of evil and of folly is not cut out of the hearts of peoples. Here it is the reality of modern warfare not only as it appears to British soldiers, of whom I can tell, but to soldiers on all the fronts where conditions were the same.

Cadence Lightbringer, daughter of a legendary archangel, has always known her gods-endowed magic comes with a price. As an angel in the Legion of Angels, she lives where the Legion commands her to live, trains how the Legion tells her to train, and marries whom the Legion instructs her to marry. Somehow it all sounded simpler in her head. When Cadence is ordered to marry the enigmatic angel Damiel Dragonsire, a man she hardly knows, her whole perfect, predictable life is turned upside down. The wedding, however, is cut short by a dark threat that throws Cadence and Damiel into a world of magic as ancient and deadly as the original Immortals, powerful deities who once ruled the entire known universe. Bob Johansson has just sold his software company and is looking forward to a life of leisure. There are places to go, books to read, and movies to watch. So it's a little unfair when he gets himself killed crossing the street. Bob wakes up a century later to find that corpsesicles have been declared to be without rights, and he is now the property of the state. He has been uploaded into computer hardware and is slated to be the controlling AI in an interstellar probe looking for habitable planets. The stakes are high: no less than the first claim to entire worlds. If he declines the honor, he'll be switched off, and they'll try again with someone else. If he accepts, he becomes a prime target. There are at least three other countries trying to get their own probes launched first, and they play dirty. The safest place for Bob is in space, heading away from Earth at top speed. Or so he thinks. Because the universe is full of nasties, and trespassers make them mad - very mad.

I've had three long years of practice shutting down his every advance. So ignoring him should be a piece of cake, right? Wrong. JT was given an ultimatum at the end of last season- clean up his act or get traded. For some odd reason, my brother Liam has decided to take him under his wing. So now the golden haired, green eyed mountain of muscle is around all the time. Sitting across from me during Thursday night family dinners. Knocking on the door and pushing his way inside when I'm babysitting my niece and nephews. Showing up at the shop where I get coffee on my way to school. If all that weren't bad enough, he has this annoying habit of watching me. What I'd like to know is when exactly did his gaze start to feel like a physical caress? It's enough to make me scream. It's also enough to send my pulse skittering and my resolve to the brink of shattering. Because this new and improved JT... the one who doesn't whore around or drink, well- he's more difficult to resist. Especially when all that sexy attention is focused solely on me. *This is a mature New Adult novel with strong language and sexual situations intended for readers over the age of 18*
