The Druids were the mystics, philosophers, and magicians of the ancient Celtic world. Their spirituality was borne from their near-worship of poetry and music, their warrior prowess, and the world of nature. The Mysteries of Druidry reveals this mystical romanticism as it was in ancient times, and shows various ways to bring it to life today, in both private and social realms. Thoroughly researched, provocative, and informative, the book carries the reader back to the world of the Druids, not just through Celtic mythology and traditional storytelling, but through the author's own experience of living and traveling in Ireland and visiting its sacred sites. The Mysteries of Druidry combines a high-quality "training manual" for modern spiritual Celts and Druids with an original and thought-provoking philosophical account of the spiritual meaning of Druidry.

At a time when we seek closer connection with the natural world, The Druid Craft Tarot Deck invites us to celebrate the earth and the rhythm of her seasons.
