From one of America's most popular short story writers and an Academy Award nominee: the O. Henry Award–winning tale that inspired the movie *The Hunt*. A subject of mysterious rumors and superstition, the deserted Caribbean Island was shrouded in an air of peril. To Sanger Rainsford, who fell off a yacht and washed up on its shores, the abandoned isle was a welcome paradise. But unknown to the big-game hunter, a predator lurked in its lush jungles—one more dangerous than any he had ever encountered: a human. First published in 1924, this suspenseful tale “has inspired serial killers, films and stirred controversy in schools. A century on, the story continues to thrill” (*The Telegraph*). “[A] tense, relentless story of man-against-man adventure, in which the hunter Sanger Rainsford learns, at the hands of General Zaroff, what it means to be hunted.” —*Criterion*

A Modest Proposal by Dr. Jonathan Swift *A Modest Proposal for Preventing the Children of Poor People From Being a Burthen to Their Parents or Country, and for Making Them Beneficial to the Publick*, commonly referred to as *A Modest Proposal*, is a

Juvenalian satirical essay written and published anonymously by Jonathan Swift in 1729. Swift suggests that the impoverished Irish might ease their economic troubles by selling their children as food for rich gentlemen and ladies. This satirical hyperbole mocks heartless attitudes towards the poor, as well as British policy toward the Irish in general. In English writing, the phrase "a modest proposal" is now conventionally an allusion to this style of straight-faced satire.

The Gift of the Magi is a treasured short story written by O. Henry. A young and very much in love couple can barely afford their one-room apartment, let alone the extra expense of getting Christmas presents for one another. But each is determined to show their love for the other in this traditional time of giving; each sells a thing they hold most dear in order to afford a present, with poignant and touching results that capture their love for one another.

Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. I Know Why the Caged Bird

Sings captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free instead of imprisoned. Poetic and powerful, *I Know Why the Caged Bird Sings* will touch hearts and change minds for as long as people read. "*I Know Why the Caged Bird Sings* liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity."—James Baldwin From the Paperback edition.

A chronicle of the war in Sarajevo from a child's perspective details the author's struggle for survival and a normal life in a chaotic nation from 1991 through 1993, revealing how an innocent life of piano lessons and birthday parties was transformed into horrifying days of food shortages, friends dying, and hiding out in a neighbor's cellar during bombings. Reissue.

¡Viva la causa! ¡Viva César Chávez! Up and down the San Joaquin Valley of California, and across the country, people chanted these words. Cesar Chavez, a migrant worker himself, was helping Mexican Americans work together for better wages, for better working conditions, for better lives. No one thought they could win against the rich and powerful growers. But Cesar was out to prove them wrong -- and that he did.

IN THIS AGE OF CONSTANT CONNECTIVITY, LEARN HOW TO ENJOY SOLITUDE AND FIND HAPPINESS WITHOUT OTHERS. Our fast-paced society does not

approve of solitude; being alone is antisocial and some even find it sinister. Why is this so when autonomy, personal freedom, and individualism are more highly prized than ever before? In *How to Be Alone*, Sara Maitland answers this question by exploring changing attitudes throughout history. Offering experiments and strategies for overturning our fear of solitude, she helps us practice it without anxiety and encourages us to see the benefits of spending time by ourselves. By indulging in the experience of being alone, we can be inspired to find our own rewards and ultimately lead more enriched, fuller lives.

First published in the 1950s, this is a classic account of the discovery in 1911 of the lost city of Machu Picchu. In 1911 Hiram Bingham, a pre-historian with a love of exotic destinations, set out to Peru in search of the legendary city of Vilcabamba, capital city of the last Inca ruler, Manco Inca. With a combination of doggedness and good fortune he stumbled on the perfectly preserved ruins of Machu Picchu perched on a cloud-capped ledge 2000 feet above the torrent of the Urubamba River. The buildings were of white granite, exquisitely carved blocks each higher than a man. Bingham had not, as it turned out, found Vilcabamba, but he had nevertheless made an astonishing and memorable discovery, which he describes in his bestselling book **LOST CITY OF THE INCAS**.

The acclaimed bestseller--a selection of Oprah's Book Club--that brings vividly to life the Georgetown neighborhood of Washington, DC, circa 1925, a community reeling from a young girl's tragic death. Five-year-old Clara Bynum is dead, drowned in the Potomac River in the shadow of a seemingly haunted rock outcropping known locally as the Three Sisters. *River, Cross My Heart*, which marks the debut of a wonderfully gifted new storyteller, weighs the effect of Clara's absence on the people she has left behind: her parents, Alice and Willie Bynum, torn between the old world of their rural North Carolina home and the new world of the city, to which they have moved in search of a better life for themselves and their children; the friends and relatives of the Bynum family in the Georgetown neighborhood they now call home; and, most especially, Clara's sister, ten-year-old Johnnie Mae, who must come to terms with the powerful and confused emotions stirred by her sister's death as she struggles to decide what kind of woman she will become. This highly accomplished first novel resonates with ideas, impassioned lyricism, and poignant historical detail as it captures an essential part of the African-

American experience in our century.

Knowledge is a pyramid of understanding. The pinnacle represents ultimate truth from which all other knowledge can be derived. Moving down the pyramid many details and complexity come into play. These complexities are just different expressions of a single simple reality. Scientists have searched for grand unification, and many individuals have pondered the meaning of life. Ultimately, these questions are about the same thing. Joe Paladin's insight and engineering expertise, combined with help from partners, brings a new line of products to market. These products have a remarkable effect on water and serve to rejuvenate the body. These products include solid energy crystals that never wear out, and serve as a proof of concept for the physics presented in this book. Invisible oscillating spheres of energy exist and account for 90 percent of gravitational forces in this universe. The Earth's magnetosphere is pure primordial energy accelerating towards a massive near term energy release. PRovides a basic understanding of American crime problems and historical perspectives. Units include the study of crime, types of crimes, criminology, and the criminal justice system. The House of the Seven Gables is a Gothic novel written beginning in 1850 by American author Nathaniel Hawthorne and published. The novel follows a New England family and their ancestral home. In the book, Hawthorne explores themes of guilt, retribution, and atonement, and colors the tale with suggestions of the supernatural and witchcraft. The setting for the book was inspired by the Turner-Ingersoll Mansion, a gabled house in Salem, Massachusetts, belonging to Hawthorne's cousin Susanna Ingersoll, as well as ancestors of Hawthorne who had played a part in the Salem Witch Trials of 1692. The book was well received upon publication and later had a strong influence on the work of H.P Lovecraft.
