The Study Guide is divided into sections that coincide with the textbook and includes exercises that reinforce the knowledge and skills required of all Medical Assistants.

The Portraits in Rhythm Study Guide contains a detailed analysis of the fifty snare drum etudes from Portraits in Rhythm. The observations and interpretations represent many years of performing and teaching. This comprehensive study guide gives you the author's insight on how to maximize the exercises, and it inspires skills which will carry over to other compositions and performances.

Do you have the leadership skills you need to solve problems, reach goals, and develop others? The COACH Model® is a radically different approach to leading people. Rather than provide answers, leaders ask questions to draw out what God has already put into others. ICF Professional Certified Coach and speaker Keith Webb teaches Christian leaders how to create powerful conversations to assist others to solve their own problems, reach goals, and develop their own leadership skills in the process. Whether leaders are working with employees, teenagers, or a colleague living in another city, they'll find powerful tools and techniques to increase leadership effectiveness. Based on first-hand experience and taught around the world, The COACH Model for Christian Leaders is packed with stories and illustrations that bring the principles and practice to life and transform leaders' conversations into powerful results.

Master the content from your textbook with this helpful study tool! Corresponding to the chapters in Clinical Procedures for Medical Assistants, 8th Edition, by Kathy Bonewit-West, this study guide helps you understand and apply material with exercises, activities, checklists, review questions, and more. Chapter assignment sheets, study guide assignment sheets, and laboratory assignments make it easy to get organized and prepare for what's coming next. Pre-tests and posttests provide a quick assessment of your knowledge. Key term assessments with matching exercises help in mastering new vocabulary. Critical thinking activities utilize realistic situations to help you analyze and apply what you've learned with games, role-playing situations, fun crossword puzzles, and independent study questions. Evaluation of Learning questions let you assess your understanding, evaluate progress, and prepare for the certification examination. Practice for Competency sections offer extra practice on clinical skills presented in the book. Evaluation of Competency checklists evaluate your performance versus stated objectives and performance standards, updated with the new CAAHEP and ABHES standards. Video evaluation activities reinforce the procedures demonstrated on the textbook DVDs. Additional charting exercises let you practice documentation. Apply Your Knowledge questions ask you to think critically and quiz yourself on various aspects of the chapter. Practicum activities and worksheets help you learn how your practicum site functions.

Master your course with the practice and hands-on-activities that will help you get ready for the medical office. In this new edition of Study Guide for Jones & Bartlett Learning's Administrative Medical Assisting, the exercises and activities align with the American Association of Medical Assistants (AAMA) curriculum standards. The Study Guide aligns to the textbook and includes exercises that reinforce the knowledge and skills required of all Medical Assistants.
