

Earth Angels A Pocket Guide For Incarnated Angels Elementals Starpeople Walk Ins And Wizards

When Doreen and her son Grant Virtue were recording podcasts, they noticed that whenever she said the word angel, the recording graphics were shaped like angel wings! So they studied the other words she said and realized that those with a spiritual or loving basis had large graphs. So they experimented with saying negative words and found that their appearance was completely different: tight and small. Similar to Masaru Emoto's work with water crystals, Angel Words gives visual proof of the power and impact of speaking in a loving way. You'll come to understand why positive words express the most energy and therefore have the most power to manifest your dreams. You'll also see how negative words have low energy and read how they can actually draw negative experiences to you. This unforgettable book will immediately motivate you to choose positive words!

In the Spirit Worlds and the dimensions that exist, reside numerous kingdoms that house a plethora of Spirits that inhabit various forms. One of these tribes is called the Wise Ones, a darker breed in the spirit realm who often chooses to incarnate into a human body one lifetime after another for important purposes. The Realm of the Wise One takes you on a magical journey to the spirit world where the Wise Ones dwell. This is followed with in-depth and detailed information on how to recognize a human soul who has incarnated from the Wise One Realm. Author, Kevin Hunter, is a Wise One who uses the knowledge passed onto him by his Spirit team of Guides and Angels to relay the wisdom surrounding all things Wise One. He discusses the traits, purposes, gifts, roles, and personalities among other things that make up someone who is a Wise One. Wise Ones have come in the guises of teachers, shaman, leaders, hunters, mediums, entertainers and others. Realm of the Wise One is an informational guide devoted to the tribe of the Wise Ones, both in human form and on the other side. This book requires an untainted open mind to what's unseen or misunderstood. What readers have said about the "Realm of the Wise One": "Read the book Realm of the Wise One and what an awesome book! It was full of wisdom and beauty that it touched my heart." - A Reader "Reading Realm of the Wise One had calmed my anxiety down within minutes. I have shared this book with a few people that are ready to receive the messages and they've told me it helped their journey tremendously. Thank you Kevin Hunter for your work here on earth and beyond." - A Reader "I'm devouring Realm of the Wise One for the second time. I went through it so fast the first time it was a bit of a whirlwind. Much of it got blown away by all of the "Oh my God, so it's not just me" emotions. I've read Doreen Virtue's information on realms, but that was barely an appetizer. This book explains it to me with all the words I had inside me already. Fascinating!" - A Reader "I'm about 100 pages into the book, "Realm of the Wise One". I woke up at 2:45 one morning and rather than going online I started reading it. It has helped me connect to the spirit dimensions in a very visceral way. I feel the presence of the spirit realms in a way that felt more elusive before. I definitely see so much of myself in the wise one archetype. It has helped me own those parts of myself rather than thinking I should be different - in particular the introverted part of me that has about zero tolerance for small talk or BS. I don't identify with all of it so I am thinking I might have some other archetypes mixed in there, but I definitely have a lot of the wise one in me. And there are some definite unicorns in my life. It's fascinating to read about all of this. I look forward to learning more. Thank you to the author for gifting the book to the Universe!" - A Reader "I bought Realm of the Wise One and it had me hooked. I liked this one so much and would be interested to read more books on Wise Ones by this author." - A Reader "I'm on the last chapter of the book, "Realm of the Wise One". I have so much to say I don't even know where to begin. First of all, AWESOME BOOK! It made me understand and see some people in my own life and where they are coming from. One of them being my uncle. I see so much of a Wise One in him that it's not even funny. But what made me laugh so hard is the way Incarnated Angels are portrayed. I loved that chapter because it's like it was describing me to a tee!" - A Reader "I've been reading the book, "Realm of the Wise One", and it's a page-turner to me! Wow!" - A Reader "Love the book 'Realm of the Wise One'! Actually reading the book again to absorb the invaluable information. The first time I came across the Wise One Realm was in Doreen Virtue's book. The information seemed a little limited. I had to find more information, but couldn't find it anywhere. I asked my Spirit Family for help for about a year. And one day I was guided to look for a new book to read. I almost fell out of my chair and started laughing when I saw this book! It definitely has answered many questions about who I am. Great book!" - A Reader "I am on page 99 of the "Realm of the Wise One" book, and this book is so positively energetic I love it!" - A Reader "I have been reading this book and can't put it down! It's so good! Kevin Hunter should be a teacher in a school or college, or counselor. This stuff he wrote is right to the point and right on the mark. I kept thinking, damn he's good! I'm just about to start chapter 8 and each chapter is like wow, "He's so right on! Great job with this. What a gifted Angel Wise One this author is and a true Warrior for sharing the right stuff! Thank you!" - A Reader "Wow! The "Realm of the Wise One" book arrived this afternoon (today – the day of the Equinox), I took it to the gorgeous Lake Alpsee and I read the first 29 pages. I could hardly stop. I am impressed! And moved. The unicorns have been knocking on my door for a few months now and they keep knocking. It's like my heart is remembering something, and now I read in this book that there is a connection between unicorns and Sagittarius! Thank you for writing this great book!" - A Reader "I directed the Realm of the Wise One book to a Wise One who seemed to be in need of a change from his day job. He teaches meditation and self-empowerment courses, but he needed more stimulation, as he sounded bored with that, so I gave him this book and he said it helped him. We love this book!" - A Reader "I read the book "Realm of the Wise One" the other night in one

sitting. When I got to the description of the author's home and the different beings I started to cry. I immediately recognized my friend in this as a Wise One. I messaged her and demanded, cajoled and begged her to immediately buy the book. I said to her...You KNOW this guy or you will know him. I can see it as plain as day. She's now read it and came back to me with, "You're right! There's someone like me!" So uh yeah, guilty as charged for that one." - A Reader "I recently picked up the book REALM OF THE WISE ONE from a stall in India. I turned over to the back of the book and a picture of the author was printed. I saw the picture and my heart started racing at like 250 bpm. I knew I had to buy this book and I'm glad I did. What an amazing book!" - A Reader "WOW! What a fantastic book Realm Of The Wise One is! I've been reading it off and on all afternoon. Great book! Makes you think whoa! Things were said that hit me like POW! This is such an insightful book! I'm loving it and will be reading it again." - A Reader "I'm not even a Wise One and I found the Realm of the Wise One book richly informative and a thoroughly enjoyable read. Hope the author gets inspired to write more on the other Realms someday. He has such an incisive way of animating the material." - A Reader "Realm of the Wise One was enchanting I loved it. This author is a trendsetter. A man writing the truth that others are drinking up. You know the magick. The magick of being a Wise One is showing others the truth and giving them the option to drink up the Truth or to spit it back out and keep grunting like Neanderthals." - A Reader "It has come to my attention that the author and I "see" the same places. I find this unusual. Thy Realms he speaks of in his book, "Realm of the Wise One", are known to me as Fey or Fae Realms. It is the places between The Veil. I am drawn in, but wary and I cannot place why. It is not fear of embarrassment (think me a fool it doesn't unsettle me). Rather a strange sensation of being seen, of knowing you are from my home, a nakedness of spirit perhaps. I have ridden the white horse with wings all my life, visited crystal cities that seem to burn in the setting sun only to return to cool shining glassy crystal in the purple of evening. Yet it was the waterfalls he describes, or most specifically the grass, of every shade of green that brought me to tears of knowing. Even the cover of the book is familiar to me. I called it my House Tree as a child with stairs that wind both up and down. And a doorway that is higher up to settle and watch the lights in the leaves in the evening. I will look for this author in my forest and perhaps in the mountains too, or maybe I will return to the crystal city and the dancing there. This was an amazing book to me." - A Reader

Incarnated angelic beings and starseeds are born with an inherent spiritual awareness that, sooner or later, leads them to question the nature of reality. Often these individuals feel they don't belong here. Since childhood, they have challenged many of the teachings they receive. It is as though they are immune to the mundane and are aware of another reality. Their journey is the mystical and metaphorical journey of the hero: the journey to leave home, delve into the depths, and return home once again but this time, with wisdom. If you identify with some of the ideas in this book, it is very possible that you, too, are an incarnated angel or a starseed.

Angels have been with us in every time and culture, and in many religious traditions. Ask Your Angels vividly chronicles how they are currently reaching out to every one of us in a totally new way, bridging our physical reality with their pure spiritual energy. From historical writings and widespread contemporary experience that includes their own workshops, the authors show us how we can draw on the power of angels to reconnect with our lost inner selves and to achieve our goals, whether they be better relationships, healing an illness, or recovery from addiction. To align with the angelic energy field, you will use five simple steps, as well as exercises, meditations, and visualizations, to learn how to talk with your angels—in your mind, in letters, in dreams, on a computer—and ask their guidance in matters from the inspired to the mundane. From Gabriel, Michael, Raphael, and Uriel to the angels of birth and death, from the Earth Angel to the guardian or companion angel who is your personal teacher, comforter, and intimate friend, this guide will introduce you to humor, wisdom, and companionship that come from contact with angels, for they are a doorway to the Divine within us.

Two leading spiritual teachers share new, high-frequency ascending information—so that you can accelerate your journey to the light. Since 2012, the energy on this planet has changed considerably, with much more high-frequency energy coming in. In addition, many of the tools and techniques we have been using on the ascension path have moved to a new vibration with different geometric set-ups. Diana Cooper and Tim Whild have been working with the angels for many years and believe that people are ready to receive this higher-level information. The Archangels are stepping in to help you to ascend your frequency to the fifth dimension and beyond. In *The Archangel Guide to Ascension*, they offer clear steps to accelerate your journey to the light. These steps are sequential so that your path will be smooth and clear. Each chapter offers guidance about the Archangels, information about the step you are on, and a visualization to assist you. Archangel Metatron, who vibrates with the number 55, is overlighting the whole book, and will be with you as you work with the guidance it offers.

You'll gain tools to enhance your dreamtime journeys, including techniques for creating your own dreams and improving your recall upon awakening. Since the publication of her best-selling book *Earth Angels* (more than 80,000 copies sold), Doreen Virtue presented workshops about these lightworkers to several international audiences, which yielded additional information about the various realms that these beings originate from. In addition to the "core realms" that Doreen discussed in the first book (*Incarnated Angels*, *Incarnated Elementals*, *Star People*, and *Wise Ones*), some new realms have been discovered. In *Realms of the Earth Angels*, Doreen discusses the original *Earth Angels* book, plus gives updated descriptions about the new realms, which include Mystic Angels (half-angel, half-wise one); Leprechauns (half-elemental, half-wise one); Merpeople; Knights; and more. As with the original book, you, the reader, can take an expanded quiz to help you recognize your own realm. Each realm has its own chapter, with Earth Angel characteristics, suggestions, advice, and case studies.

In the same way that "The Indigo Children" was a phenomenon that was much talked-about, before the book came out and explained it, "Earth Angels" is a topic of much discussion among spiritually minded people world-wide. Four years ago, Doreen Virtue wrote an article on the topic, and then a chapter in her book, "Healing with the Angels," and then more information in "Healing with the Fairies." Since that time, Doreen has been flooded with letters from people who resonate with the idea, requesting more information. "Earth Angels" will be the first book devoted to the topic. Doreen will describe the five different types of lightworkers: Incarnated Angels (those who had previous lives as angels, but who are now here as humans); Incarnated Elementals (those whose previous lives were in the elemental kingdom, as fairies, elves, etc.); Starpeople (those who have lived the majority of their past lives on other planets); Walk-In's (those who came from a high spiritual realm and walked-in to another person's life, as that soul gladly exited their body); and Reincarnated Sorcerers, Sorceresses, and Wizards (those whose most recent past life was during Arthurian or Atlantian times, when they practiced high magic). The book will include dozens of case studies; a fascinating analysis of an extensive survey that Doreen has conducted among people who identify with the five types of Earth Angels; and guidance to help readers to feel happier about their lives, their own idiosyncrasies, and their missions.

The book is filled with charts to help you discern the difference between true Divine guidance and the voice of the ego, and it will help you engage in clear and understandable conversations with Heaven.

When Doreen Virtue visited Santorini Island in Greece recently, she was contacted by a powerful group of angels calling themselves the "angels of Atlantis." Doreen was then taken on an amazing spiritual adventure, where she uncovered the ancient secrets of the healing temples of the lost civilizations of Atlantis. Doreen found that her previous healing work with the angels, as well as the thousands of case studies of angelic healing that she'd amassed over the years, dovetailed perfectly with the messages from the angels of Atlantis. Part spiritual adventure story and part reference book, *Angel Medicine* is a three-part work that relates the exciting story of Doreen's recovery of memories of Atlantean healing methods along with messages from the Egyptian and Greek prophet and deity Hermes and the angels. The second and third parts of the book reveal the scientific studies, case studies, methods, and charts supporting the importance of love and light in healing. Whether you want to heal yourself or someone else, you're sure to gain additional faith and understanding from reading *Angel Medicine*.

Crystal Children reflect the new generation that has come to the Earth plane after the Indigo Children. They are approximately ages 0 through 5, although some members of the first wave of Crystal Children are as old as 7. These children are like Indigos—highly psychic and sensitive—but without the dark edge and the anger energy. The term Crystal Children is already taking hold worldwide, and people everywhere are talking about these special kids. Since Doreen is the only researcher who is publicly giving speeches on the subject, her audiences have been asking her for a book on the topic. It's a natural sequel to her book *The Care and Feeding of Indigo Children*. As babies, Crystal Children may take longer than normal to begin talking. They are highly telepathic, and their tuned-in mothers communicate with them nonverbally. Because they're so sensitive, the Crystal Children babies may fuss and cry a lot in crowded places. They're also very fond of nature. Doreen once watched one Crystal Child walk from tree to tree, giving each one a big hug. Crystal Children are beautiful inside and out, like magnificent little high-priests and priestesses. One look in their eyes, and you'll recognize Divine love and wisdom. Their auras are bright, radiant, and opalescent—they seem to glow from the inside! They talk about past lives, distant galaxies, and profound insights concerning peace and love. Most Crystal Children's parents are aware that their kids are special, and they're thrilled to be parenting such delightful children. The book includes many interviews with Crystal Children, their parents, and teachers. It discusses parenting and teaching methods that are essential to keeping these children happy and healthy, and how to avoid pitfalls that could spoil their special gifts.

The sole survivor of a brutal crime back East, Reece Gilmore settles in Angel's Fall, Wyoming--temporarily, at least--and takes a job at a local diner. And suddenly, the man is on top of the woman, his hands around her throat... By the time Reece reaches a gruff loner named Brody farther down the trail, the pair is gone. And when authorities comb the area where she saw the attack, they find no trace that anyone was even there. No one in Angel's Fall seems to believe Reece--except Brody, despite his seeming impatience and desire to keep her at arm's length. When a series of menacing events makes it clear that someone wants her out of the way, Reece must put her trust in Brody--and herself--to find out if there is a killer in Angel's Fall, before it's too late.

By the time you finish this book, the term "inanimate object" will no longer have a place in your vocabulary, for Shaun McNiff will awaken you to the wondrous energies streaming out of familiar things and bringing a sense of magic into everyday life. Join the author as he discovers the autonomous spirits of a silver Mercedes convertible, a mysterious cigarette burn on the dining room table, and the scary shadow of a tree outside a child's room. Contemplate with him the bleakness of a hotel conference room and the crucifix that hung over his childhood bed. Let him lead you on a field trip to the "unholy lands" of the shopping mall and faculty meeting, to the familiar spirits of his seaside New England homes, to the realm of dream, reverie, and memory, as he demonstrates how to connect with the life-giving energies of images and things, places and people. These are the earth angels—spirits of everyday life that call for the return of our lost soul to the world. Unlike the images of winged beings that now pervade popular culture, the earth angels also include the soul's unattractive messengers, whose mission may require offense, pain, or fear as a preparation for change and renewal. Does a Styrofoam cup have soul? McNiff says yes, for the most debased things show us that the presence of the divine depends upon the quality of attention that we bring to our experiences.

Assertiveness for Earth Angels is for anyone who wants to learn the art of speaking up in relationships and in their activism about issues related to the world. Whether you need more assertiveness with your family, on the job or in your lightwork, you'll appreciate Doreen's gentle-but-firm approach to negotiating your earthly needs in heavenly ways!

When a group of powerful fairies contacted Doreen Virtue, her life became an enchanting story of healings, manifestation, and true love. Healing with the Fairies is Doreen's very personal story of how the fairies helped her deal with a divorce and prepare herself for a spiritually based relationship. In this truly inspired book, you'll read how the fairies introduced Doreen to her lifelong soulmate, a man who she later discovered was the boy-next-door she'd had a childhood crush on. You'll also learn, along with Doreen, about the fairies' incredible powers of manifestation. Doreen shares what the dolphins, mermaids, dragonflies, and other members of the elemental kingdom taught her. You'll see that the fairies have the ability to help you create and attract miracles, and this book can teach you how to work with them to empower and heal your entire life!
