My First Book of Korean Words is a beautifully illustrated book that introduces young children to Korean language and culture through everyday words. The words profiled in this book are all commonly used in the Korean language and are both informative and fun for English-speaking children to learn. The goals of My First Book of Korean Words are multiple: to familiarize children with the sounds and structure of Korean speech, to introduce core elements of Korean culture, to illustrate the ways in which languages differ in their treatment of everyday sounds and to show how, through cultural importation, a single word can be shared between languages. Both teachers and parents will welcome the book's cultural and linguistic notes, and appreciate how the book is organized in a familiar ABC structure. Each word is presented in Hangeul, as well as in its Romanized form. With the help of this book, we hope more children (and adults) will soon be a part of the nearly 80 million people worldwide that speak Korean! Master your Korean writing skills with our Easy Learning Fundamental Korean Writing Practice Book. Our workbook provides a writing guide to help you effectively learn the proper way to write the

From the author of *The Almost Nearly Perfect People*, a lively tour through Japan, Korea, and China, exploring the intertwined cultures and often fraught history of these neighboring countries. There is an ancient Chinese proverb that states, “Two tigers cannot share the same mountain.” However, in East Asia, there are three tigers on that mountain: China, Japan, and Korea, and they have a long history of turmoil and tension with each other. In his latest entertaining and thought provoking narrative travelogue, Michael Booth sets out to discover how deep, really, is the enmity between these three “tiger” nations, and what prevents them from making peace. Currently China’s economic power continues to grow, Japan is becoming more militaristic, and Korea struggles to reconcile its westernized south with the dictatorial Communist north. Booth, long fascinated with the region, travels by car, ferry, train,

and foot, experiencing the people and culture of these nations up close. No matter where he goes, the burden of history, and the memory of past atrocities, continues to overshadow present relationships. Ultimately, Booth seeks a way forward for these closely intertwined, neighboring nations. An enlightening, entertaining and sometimes sobering journey through China, Japan, and Korea, *Three Tigers, One Mountain* is an intimate and in-depth look at some of the world's most powerful and important countries.

From master storyteller An Na comes the Printz Award-winning novel about a Korean girl who tells her firsthand account of trying to find her place and identity in America from the day she leaves Korea as a child to her rocky journey through the teenage years. At age four, Young Ju moves with her parents from Korea to Southern California. She has always imagined America would be like heaven: easy, blissful, and full of riches. But when her family arrives, she finds it to be the opposite. With a stubborn language barrier and cultural dissimilarities, not only is it impossible to make friends, but even her family's internal bonds are wavering. Her parents' finances are strained, yet her father's stomach is full of booze. As Young Ju's once solid and reliable family starts tearing apart, her younger brother begins to gain more freedom and respect simply because of his gender. Young Ju begins to

lose all hope in the dream she once held—the heaven she longs for. Even as she begins to finally fit in, a cataclysmic family event will change her idea of heaven forever. But it also helps her to recognize the strength she holds, and envision the future she desires, and deserves.

This intermediate level text has been developed in accordance with performance-based principles, contextualization, use of authentic materials, function/task-orientedness, and balance between skill getting and skill using. Each topic covers punctuation, grammar and new words and expressions.

Benny Lewis, who speaks over ten languages—all self-taught—runs the largest language-learning blog in the world, *Fluent In 3 Months*. Lewis is a full-time "language hacker," someone who devotes all of his time to finding better, faster, and more efficient ways to learn languages. *Fluent in 3 Months: How Anyone at Any Age Can Learn to Speak Any Language from Anywhere in the World* is a new blueprint for fast language learning. Lewis argues that you don't need a great memory or "the language gene" to learn a language quickly, and debunks a number of long-held beliefs, such as adults not being as good of language learners as children.

how and systematic grammar organization acquired by the three authors from their experience actually teaching Korean to foreigners in the classroom. In focusing strictly on Korean grammar, this series represents a departure from most current integrated teaching materials, allowing foreign learners to more easily concentrate on grammar in their study of Korean. The authors have included real dialogues and illustrations to make the study of Korean more interesting, especially for those students who have heretofore felt Korean grammar to be difficult. Further, this series equally serves as a general Korean grammar reference that can be used by Korean language instructors both in Korea and abroad who regularly experience the difficulty of teaching Korean grammar first-hand.

Sometimes home is best understood from the other side of the world. It's Chicago in 2012, and Matthew has three jobs, two degrees, and one relentless itch to return home to Ohio. Rather than drive 317 miles east to Columbus, he and his wife travel 6600 miles west to teach English in South Korea. Follow Matthew as he navigates living, working and traveling in the Land of the Morning Calm. Whether he's plucking gray hairs for a co-teacher, visiting a toilet museum, or starring in a Johannes Gutenberg documentary, Matthew approaches each new adventure along his journey home with wit, heart, and a good dose of cluelessness.
