First in a new series about a sassy, adorable fairy and her friends who care for the plants and animals of Wildberry Acres. When little Larence wakes up with a growly tummy, he decides to feed the monster inside with Monster Charms, his favorite cereal. But what happens next surprises everyone. As soon as he takes his first bite of Monster Charms, out pops a green, warty hand that knocks over Larence's orange juice. While his mother blames the hand on Larence's active imagination, he knows otherwise, especially when he starts sporting monster teeth, spikes on his back, and a whole host of other monster-like features. Will his mother ever believe that he's actually developing into a monster? In this delightful tale, when a hungry little boy with a giant imagination feeds the monster inside his tummy, he discovers he's growing in ways he never imagined!

Bonding Before Birth combines up-to-the-minute research with enlightened and compassionate wisdom. This book explores what science knows about babies in the womb and explains why mother-baby bonding is so vital for the future well-being of mother, father, and baby. Dr. Miriam Stoppard writes about the feelings that expectant parents experience during the first, second and third trimesters and promotes the significance of rites of passage through pregnancy, from adjusting to the changes that parenthood brings to celebrating your future as a family. The emotional and psychological elements of pregnancy are often overlooked in favor of hard facts and scientific evidence. This book redresses the balance and turns its attention to the conflicting feelings of exhilaration and anxiety, dreams and fears that so often characterize the nine months of pregnancy and gives parents-to-be inspiring guidance through these uncharted waters. A collection of quotes and excerpts from such works of literature as *Pride and Prejudice*, *Emma*, *Mansfield Park*, and *Persuasion* provides insight into Austen's humor, intelligence, and independent spirit regarding such topics as courtship, friendship, and men. Original.

Desktop Rugby brings the excitement of rugby right to your fingertips. Included is everything you need to play the game--a goal, ball, tee, flag, and mini referee figurine to call that foul. Kit also includes a 32-page book on the history and rules of the game.

In October 1939, Albert Einstein warns President Franklin D. Roosevelt that Nazi Germany is actively pursuing an atomic bomb and urges him to make sure that the United States develops the bomb first. Roosevelt heeds the warning and launches the "Manhattan Project" in June 1942.

How do you make your way in a world that is changing at an unprecedented rate? Why do we have less and less time? Why are some people unfaithful? How can our government act against threats before they happen? This book is about change - from the small and seemingly insignificant transitions in our day-to-day lives, to the big and almost incomprehensible shifts in human history. Drawing on expert advice and often complex theories, the authors of the bestselling *The Decision Book* present fifty simple and effective models to help us make sense of change in our world. Change is happening all around us, in every sphere from the personal and political to economics and the environment. In *The Change Book* you'll find models explaining the financial crisis, why biotechnology is the industry of the future and why cities are the new nations. Whether you're buying a new car, deciding who to vote for, or making an investment, this little black book will offer surprisingly simple explanations of our complicated world - and radically challenge some of your preconceived ideas.

H.P. Lovecraft, one of the twentieth century's most important writers in the genre of horror fiction, famously referred to Edgar Allan Poe as both his "model" and his "God of Fiction." While scholars and readers of Poe's and Lovecraft's work have long recognized the connection between these authors, this collection of essays is the first in-depth study to explore the complex literary relationship between Lovecraft and Poe from a variety of critical perspectives. Of the thirteen essays included in this book, some consider how Poe's work influenced Lovecraft in important ways. Other essays explore how Lovecraft's fictional, critical, and poetic reception of Poe irrevocably changed how Poe's work has been understood by subsequent generations of readers and interpreters. Addressing a variety of topics ranging from the psychology of influence to racial and sexual politics, the essays in this book also consider how Lovecraft's interpretations of Poe have informed later adaptations of both writers' works in films by Roger Corman and fiction by Stephen King, Thomas Ligotti, and Caitlin R. Kiernan. This collection is an indispensable resource not only for those who are interested in Poe's and Lovecraft's work specifically, but also for readers who wish to learn more about the modern history and evolution of Gothic, horror, and weird fiction.

A woman disappears without trace. Nobody, including the police commissioner investigating the case, can understand how a woman could simply walk away, leaving husband and home behind. After all, in the Kingdom of Oil where His Majesty reigns supreme, no woman has ever dared disobey the command of men. When the woman finally reappears, there is a blurring between the men in her life, as she leaves one to join another, then returns to her first husband who has since taken a new wife. She is trapped in a man-made web, unable to escape from a male figure who continually fills urns that she must carry.

Thank you for reading our PRINCE2 Foundation Training Manual. The main objective of this book is to provide an easy-to-read and easy-to-understand PRINCE2(R) Foundation training manual. The official PRINCE2 manual, "Managing

Successful Projects with PRINCE2," is an excellent reference manual, but it is not a training manual and should not be used as one, as it is very difficult to comprehend and understand if you are new to project management. The official PRINCE2 manual also covers the complete Practitioner Syllabus, and it's impossible to know which parts are just focused on the PRINCE2 Foundation syllabus, so you have to read everything, which is not good if you are just studying for the foundation exam. Henceforth, this book is meant to be (and is) an easy introduction to PRINCE2 based on the Foundation syllabus, and it's quickly becoming the most read book for people wishing to learn about PRINCE2 and prepare for the foundation exam.

"A truly a well written, fast-paced, page turning book; I loved it!" "This was a wonderfully well-written and intense thriller that I thoroughly enjoyed and I will definitely be grabbing future releases in this series." "Fun, sexy, and dark." "I agree with other readers who have compared Miller's NEW HERO - Jake Noble to Mitch Rapp, Scot Harvath, and I would add Kyle Achilles and Sean Drummond."

A young homeless boy. An old man who had lost everything. An unlikely friendship that brought healing to both. Ben doesn't know what to think when a homeless boy shows up late one night behind Angelo's Bakery where he works as a handyman. He'd seen his share of suffering humanity on the streets of Philadelphia, but this boy is so young? so vulnerable. Pushing sixty and feeling as if his life has no purpose, Ben wrestles with his own demons. A recovering alcoholic, he is gripped with remorse over the loss of his wife and son, but determined to stay sober. Twelve-year-old Aden starts to run when an old man comes out of Angelo's Bakery and catches him hiding, but something about the man draws Aden to him. Terrified and naive to life on the streets, Aden was forced to forge his own survival in the face of dangerous predators and violence after his mother abandoned him almost a year ago. Can Aden trust the gentle old man

who offers him food and a hand of friendship? Will Ben be able to forgive himself and search for his son? While You Walked By delivers a heartfelt, coming-of-age story about the hope that can be found even in the most desperate circumstances.

Two hundred miles from home, completely on our own, with the easiest work in the world -- I can hardly wait! It has to be the best summer of Victoria Martin's life! She and her best friend, Steffi, are going to be waitresses at Camp Mohaph, and as far as they can see, that means sunbathing, swimming, wild parties,...and boys! Well, that's what they think! In the real world the staff quarters are shacks, her bosses are slavedrivers, and -- typical -- she's sharing a cabin with snobby Dena Joyce. But Torrie can just about handle all that. What she can't handle, however, is the feeling that she's seriously falling for Steffi's boyfriend, Robbie. Even worse, she suspects he feels the same way. Suddenly the best summer of Torrie's life looks like it could become a total nightmare!

The explosive growth and low cost of online trading has created a new class of investor who can now make a living buying and selling stocks over the Internet in a way that was once reserved for Wall Street's most powerful brokerage firms and investment banks. While technology has made entering the "major leagues" easy, staying in is not. Before taking to the fast-paced, high-risk playing field, it's absolutely essential that you have a firm grasp of the rules and a solid game plan. Day Trade Online is the play book novice competitors need to become strong contenders. Written by seasoned practitioner Christopher Farrell, it is a one-stop, step-by-step overview of how to make a successful living, whether full- or part-time, trading via the Internet. Day trading can be quite lucrative, but only if you know what you are doing. As Farrell points out: "Trading for a living is hard. Trading for a living over the Internet is even harder. There are many challenges and obstacles that confront you. Venturing into this jungle unprepared is a recipe for disaster." This straightforward guide provides the head start and heads up necessary to thrive as an Internet day trader, covering everything from the dangers and pitfalls of trading online to an in-depth analysis of which trading techniques work and

which don't. Day Trade Online presents inside information on the strategies of top trading firms, including the most secretive, misunderstood, and profitable function on Wall Street: exploiting the bid-ask spread. Along with complete details on this rarely revealed methodology, you'll learn about: The tools needed to get started in online trading. Trading on the NYSE and NASDAQ. Which stocks to trade - and which to avoid. Beating the specialists and the market makers at their own game. The dangers and pitfalls of online brokers. Most importantly, you will learn to look at ten different stocks and pinpoint which one to trade, when, at what price, and why. With the right know-how, you will then be able to apply this knowledge to every single stock that you screen. Written for the day trader, by a day trader, this is indispensable reading for anyone looking to join an increasingly popular - and profitable - arena. "I see the ads on television. Open an account and your first trade is free. Trade as many shares as you'd like for one flat fee. Free real-time quotes. Free market research. Trade stocks. Trade options. With the click of a mouse. It's that easy. Anyone can do it . . . I think back on my time on Wall Street. Does the little guy really have a chance?" - from Day Trade Online. Yes. You do have a chance - a tremendous opportunity to day trade online. But only if you are prepared. Only if you know what you are getting into. In Day Trade Online, a successful online day trader walks you through the ins and outs of day trading online, and provides you with everything you need to get started and be successful. This step-by-step guide will show you: How to choose and use online brokers. How to set up an online account. What equipment you will need and what it will cost. How much capital you need. What stocks to trade, when to trade them, when to stay out of the game. How to trade on margin - safely and profitably. The day trader's secret weapon - a strategy for your trades. Be prepared. Get Day Trade Online for the tools, tips, and strategies you need to thrive as an Internet day trader. Don't make your first trade without it!

Continuing the heart-pounding, time-bending action of the TimeRiders series, The Eternal War brings readers back to a pivotal time period in American history: the Civil War. Only this alternate history is one where a young Abraham Lincoln has somehow followed Liam into the present from 1831, and the entire course of American history has changed. If the TimeRiders can't return Lincoln to the past, the country could be trapped in a dangerous state of never-ending civil war. Can Maddy persuade two colonels on either side of no man's land to cease fire long enough to save the future?

First released in the anthology *Dead After Dark*, dive into this hot novella from #1 New York Times bestselling author J.R. Ward. Available for the first time ever as a standalone ebook, get lost in the sinful pleasures of a vampire so obsessed with one woman, he will relinquish her blood, if only he can have her heart... Held captive by a dark, seductive vampire with an unworldly hunger, the beautiful Claire Stroughton fears her life as a lawyer has irrevocably taken a turn for the worse. But when this deeply sensual and highly dangerous vampire convinces Claire that his desire for her is stronger than his lust for blood, she is compelled to give everything up to him, body and soul...in *The Story of Son*.
