

## Ed Emberleys Complete Funprint Drawing Book

Explains how to use a few simple shapes, letters, numbers, and symbols to draw almost any animal.

Seventeen-year-old Alyssa thought she knew who she was. She had her family and her best friends and, most important, she had Sarah. Sarah, her girlfriend, with whom she dreamed with about the day they could move far away and live out and proud and accepted for themselves, instead of having to hide their relationship. Alyssa never thought she would have to make that move by herself, but disowned by her father and cut off from everyone she loves, she is forced to move hundreds of miles away to live with Carly, the biological mother she barely knows, in a town where everyone immediately dismisses her as "Carly's girl." As Alyssa struggles to forget her past and come to terms with her future, will she be able to build a new life for herself and believe in love again? Or will she be forced to relive the mistakes that have cost her everything and everyone she cared about? National Book Award finalist Julie Anne Peters has written a compelling novel about coming out, finding love, and discovering your place in the world. Alyssa's story will speak to anyone who has known the joy and pain of first love and the struggle to start over again.

Ed Emberley shies away from calling himself an artist and instead likes to say that "he draws pictures for a living." Now in his eighties, Ed Emberley is a Caldecott award-winning children's book illustrator and writer who has been creating original books since the 1960s. He has written and illustrated more than 100 books and is perhaps best known for his beloved how-to-draw books for kids such as: Ed Emberley's Big Green Drawing Book, Ed Emberley's Drawing Book of Faces, and Ed Emberley's Great Thumbprint Drawing Book, and many others. These simple and straightforward books,

first published in the 1970s, have encouraged a generation of kids to take the drawing process step by step. Contemporary working artists today often cite Ed Emberley as a beloved early inspiration in their development as artists. By encouraging kids to draw using just a few simple shapes, Emberley has made drawing and creating accessible to everyone. As Emberley likes to say, "Not everyone needs to be an artist, but everyone needs to feel good about themselves." This definitive monograph on the wide repertoire of Emberley's life's work has been beautifully put together by Todd Oldham and Caleb Neelon. Highlighting work spanning over five decades, this gorgeous and comprehensive book celebrates the talented and prolific life of Ed Emberley.

It's easy to sketch accurate, character-filled likenesses of dogs, and this book will show you how to draw 30 different types of canines: hunting, working, sporting, hounds, terriers, and other kinds of dogs. You'll discover how combining circles, ovals, rectangles, and other simple forms results in realistic depictions of a beagle, cocker spaniel, collie, Dalmatian, Old English sheepdog, golden retriever, and 24 other breeds. If you like, you can even create your own fantasy dogs by combining heads, bodies, tails, and legs from different breeds. Each of the step-by-step guides includes a blank practice page as well as a short description of the breed. The finished drawings are great for coloring, too.
