

## Ed Fox li English German And French Edition

The most authoritative and feature-rich edition of On War in English Carl von Clausewitz's On War is the most significant attempt in Western history to understand war, both in its internal dynamics and as an instrument of policy. Since the work's first appearance in 1832, it has been read throughout the world, and has stimulated generations of soldiers, political leaders, and intellectuals. First published in 1976 and revised in 1984, Michael Howard and Peter Paret's Princeton edition of Clausewitz's classic work has itself achieved classic status and is widely regarded as the best translation and standard edition of On War in English. This feature-rich edition includes an essay by Paret on the genesis of Clausewitz's book, an essay by Howard on Clausewitz's influence, and an essay by Bernard Brodie on the continuing relevance of On War. In addition, Brodie provides a lengthy and detailed commentary on and guide to reading On War, and the edition also includes a comprehensive index.

Vols. for 1871-76, 1913-14 include an extra number, The Christmas bookseller, separately paged and not included in the consecutive numbering of the regular series.

This 1999 book contains a critical edition of the two early versions of Lady Chatterley's Lover.

"As I write in my quiet library the history of those stirring events which began and ended while the bells of 19— were ringing in the New Year in the Kingdom of Bharbazonia, I am interrupted on my literary journey by the sound of a sweet voice singing, in the room below, the robust melody of "The King and the Pope," my favourite song." -an excerpt

The glamour goes on with this sun-drenched collection of Ed Fox photography, featuring voluptuous models, arresting locations, and plenty of beautifully curved feet. This special edition comes with a 60-minute original DVD bringing the stills to vibrant life, as well as a reversible Panic Cover to keep the real contents hidden from your boss.

After looking at the early careers of Wurtz's two mentors, Liebig and Jean-Baptiste Dumas, Rocke describes Wurtz's life and career in the politically complex period leading up to 1853. He then discusses the turning point in Wurtz's intellectual life—his conversion to the "reformed chemistry" of Laurent, Gerhardt, and Williamson—and his efforts to persuade his colleagues of the advantages of the new system. In 1869, Adolphe Wurtz (1817-1884) called chemistry "a French science." In fact, however, Wurtz was the most internationalist of French chemists. Born in Strasbourg and educated partly in the laboratory of the great Justus Liebig, he spent his career in Paris, where he devoted himself to introducing German ideas into French scientific circles. His life therefore provides an excellent vehicle for considering the divergent trajectories of French and German chemistry—and, by extension, French and German science—during this crucial period. After looking at the early careers of Wurtz's two mentors, Liebig and Jean-Baptiste Dumas, Rocke describes Wurtz's life and career in the politically complex period leading up to 1853. He then discusses the turning point in Wurtz's intellectual life—his conversion to the "reformed chemistry" of Laurent, Gerhardt, and Williamson—and his efforts (social and political, as well as scientific) to persuade his colleagues of the advantages of the new system. He looks at political patronage, or the lack thereof, and at the insufficient material support from the French government,

during the middle decades of the century. From there Rocke goes on to examine the rivalry between Wurtz and Marcellin Berthelot, the debate over atoms versus equivalents, and the reasons for Wurtz's failure to win acceptance for his ideas. The story offers insights into the changing status of science in this period, and helps to explain the eventual course of both French and German chemistry.

**BROTHERS GRIMM VOL. 1: German & English THIS EDITION:** The dual-language text has been arranged into sub-paragraphs and paragraphs, for quick and easy cross-referencing. The original German text has been modernised and amended to suit this dual language project. The revised English text is in part a new translation from German.

Essentially, the Brothers Grimm stories have been rewritten in contemporary English from German. The emphasis is on attaining a high correlation between each set of text fragments. The reader can choose between four formats: Section 1:

English to German Section 2: German to English Section 3: English Section 4: German **BRIEF SYNOPSIS:** This book
