

El Viejo Y El Mar The Old Man And The Sea

Traces a father and son journey around South America in a tiny boat they built together

La novela breve y el cuento largo presentes en este libro nos hablan de dos hombres viejos que luchan contra el destino y contra sí mismos. Son historias de valor, de superación, perseverancia y de un gran respeto por el adversario –los tiburones y el toro, respectivamente–. Con una escritura ágil y descriptiva, Hemingway nos transporta a las aguas del Caribe y a una plaza de toros en Madrid.

Cursed to suffer tragic love affairs and give birth to equally cursed daughters, a family of women in 20th-century Spain and France and their colorful inner circle watch over a youngest daughter's passionate affair with a landowner who leaves her pregnant and determined to make redemptive changes. 30,000 first printing.

Set in the Gulf Stream off the coast of Havana, Hemingway's magnificent fable is the story of an old man, a young boy and a giant fish. In a perfectly crafted story, which won for Hemingway the Nobel Prize for Literature, is a unique and timeless vision of the beauty and grief of man's challenge to the elements in which he lives.

El viejo y el marLUMEN

The story of an old Cuban fisherman, down on his luck, and his supreme ordeal, a relentless, agonizing battle with a giant marlin far out in the Gulf Stream.

If you love the emotionally complex novels of JoJo Moyes and the dramatic books of Jodi Picoult, you won't want to miss this newest book about second chances, redemption, and the power of hope from USA Today bestselling author of Shelter Me, Juliette Fay. On her own since the age of eighteen, Cass Macklin dated brilliant, troubled Ben McGreavy, convinced he was the smartest person she'd ever known. They partied their way through their twenties, slowly descending into a bleak world of binge-drinking and broken promises, inebriated for most of a decade. Now Ben is dead, and Cass is broke, homeless, scared...and pregnant. Determined to have a healthy pregnancy and raise Ben's baby, Cass has to find a way to stop drinking and build a stable life for herself and her child. But with no money, skills, or sober friends or family, the task seems insurmountable. At wit's end, Cass turns to the only person with the means to help her: Ben's brother Scott, third basemen for the Boston Red Sox, a man with a temper and problems of his own. The two make a deal that neither one of them is sure they can live up to. As Cass struggles to take control of her life and to ask for help when she needs it, Scott begins to realize there's a life for him beyond the baseball diamond. By turns heartbreaking and humorous, with its message that change is possible, that forgiveness can be freely given, and that life, though imperfect, is worth embracing, Catch Us When We Fall is a story of human connectedness and hope.

Los estudiantes se sienten inspirados con este relato de lucha y perseverancia contra la naturaleza. Se ofrecen ideas creativas para reforzar el aprendizaje en el salón de clases. Los estudiantes crean un vínculo entre la idea de la suerte y la sociedad en la que vive Santiago. Poner los sucesos entre Manolín y Santiago en el orden en que ocurren después de la lucha de Santiago con el aguja. Explorar el personaje de Santiago indicando lo que dijo que sugería que había peces grandes cerca, y lo que esto dice sobre su experiencia. Comparar esta historia con la de Moby Dick, imaginando en qué forma el tono de la historia cambiaría si Santiago se pareciera más al Capitán Ahab. También se incluyen crucigramas, búsqueda de palabras, prueba de comprensión y clave de respuestas adicionales alineadas con sus estándares estatales. Acerca de la novela: El viejo y el mar es una novela galardonada con el Premio Pulitzer sobre un pescador y su batalla con un aguja gigante. Santiago, un viejo pescador cubano, ha pasado 84 días sin pescar un solo pez. Con la esperanza de poner fin a su racha de mala suerte, Santiago decide navegar hasta las profundidades del Golfo para pescar. Pasan algunas horas hasta que un aguja pica su carnada. El aguja prueba ser un contendiente a la altura de Santiago, mientras lucha para mantener al pez en su sedal. Pasan dos noches, pero la batalla continúa. Santiago empieza a sentir aprecio por el pez, y piensa que nadie será digno de comérselo. Al tercer día, ambas partes están exhaustas y termina la batalla. El viejo y el mar es un cuento clásico de la lucha de un hombre contra la naturaleza.

Twice confiscated by Cuban authorities and rewritten from memory, this litany of despair--the story of life in totalitarian Cuba--is told through the voice of a wife (who remains nameless), then through that of her husband, Hector, a disenchanting revolutionary and poet. Hector, his wife and baby vacation for six days at a small seaside cabin. There, in feverish lyrical outbursts, they each lament the loss of the freedom they had barely begun to know in early Castro years, and with its passing the loss of everything else--enthusiasm, rebelliousness and hope. Nothing except terror remains, and as it grows, Hector and his wife's relationship becomes intolerable. Under the domestic idle chatter lie their complete solitudes, a vestige of wilted love, her disgust at the messier aspects of child care, his silent fury and homosexual desire.--From publisher description.

A new collection showcasing the best of Ernest Hemingway's short stories including his well-known classics, as featured in the magnificent three-part, six-hour PBS documentary by Ken Burns and Lynn Novick—introduced by award-winning author Tobias Wolff. Ernest Hemingway, a literary icon and considered one of the greatest American writers of all time, is the subject of a major documentary by award-winning filmmakers Ken Burns and Lynn Novick. This intimate portrait of Hemingway—who brilliantly captured the complexities of the human condition in spare and profound prose, and whose work remains deeply influential in literature and culture—interweaves a close study of biographical events with excerpts from his work. The Hemingway Stories features Hemingway's most significant short stories in chronological order, so viewers of the film as well as fans old and new can follow the trajectory of his impressive life and career. Hemingway's beloved classics, such as "The Short and Happy Life of Francis Macomber," "Up in Michigan," "Indian Camp," and "The Snows of Kilimanjaro," are accompanied by fresh insights from renowned writers around the world—Mario Vargas Llosa, Edna O'Brien, Abraham Verghese, Tim O'Brien, and Mary Karr. Tobias Wolff's introduction adds a new perspective to Hemingway's work, and Wolff has selected additional stories that demonstrate Hemingway's talent and range. The power of the Ernest Hemingway's revolutionary style is perhaps most striking in his short stories, and here

readers can encounter the tales that created the legend: stories of men and women in love and in war and on the hunt, stories of a lost generation born into a fractured time. This collection is a perfect introduction for a new generation of Hemingway readers and a vital volume for any fan.

"Carlos works on a fishing boat in the middle of the sea. After a storm, he spots a woman clinging to driftwood. The woman's friends are lost, maybe swallowed by the ocean. But the woman says it was no storm that capsized her ship, it was a monster!"--P.[4] of cover.

For old man Santiago, catching the biggest marlin in the deep sea has become an obsession. But even after 84 days at sea, the deprived old man is unable to break the bad luck that seems to be following him around. While the whole village of fishermen has given up on him, it's only his young apprentice, Manolin, who supports his passion, but he too is forbidden by his parents to accompany the old man into the sea. The 85th day changes everything. Alone, for the next three days, Santiago fights with the forces of nature and with the shortcomings brought on by his old age in search of the great catch. One of Ernest Hemingway's best works, *The Old Man and the Sea*, explores the themes of mortality, honour-in-defeat and man's place nature.

From the first North American scholar permitted to study in residence at Hemingway's beloved Cuban home comes a radically new understanding of "Papa's" life in Cuba Ernest Hemingway first landed in Cuba in 1928. In some ways he never left. After a decade of visiting regularly, he settled near Cojimar—a tiny fishing village east of Havana—and came to think of himself as Cuban. His daily life among the common people there taught him surprising lessons, and inspired the novel that would rescue his declining career. That book, *The Old Man and the Sea*, won him a Pulitzer and, one year later, a Nobel Prize. In a rare gesture of humility, Hemingway announced to the press that he accepted the coveted Nobel "as a citizen of Cojimar." In *Ernesto*, Andrew Feldman uses his unprecedented access to newly available archives to tell the full story of Hemingway's self-professed Cuban-ness: his respect for Cojimar fishermen, his long-running affair with a Cuban lover, the warmth of his adoptive Cuban family, the strong influences on his work by Cuban writers, his connections to Cuban political figures and celebrities, his denunciation of American imperial ambitions, and his enthusiastic role in the revolution. With a focus on the island's violent political upheavals and tensions that pulled Hemingway between his birthplace and his adopted country, Feldman offers a new angle on our most influential literary figure. Far from being a post-success, pre-suicide exile, Hemingway's decades in Cuba were the richest and most dramatic of his life, and a surprising instance in which the famous American bully sought redemption through his loyalty to the underdog.

In "A Book of Five Rings," Miyamoto Musashi takes the reader into a world filled to the brim with devotion, self-respect, discipline, honesty and purity of thought. Written originally for warriors and samurai in a completely different time and culture, Musashi's book provides a remarkable source of inspiration for self-development today. His teachings are concise and to the point. He uses phrases like "you must understand this" and "you must practice diligently" and explains only general, but unquestionable and fundamental, concepts of the Way of the Warrior. While some of his guidelines are not directly applicable in our time and age, those about striving to achieve improvement on the inside as well as the outside couldn't be more on target. Taken literally this book is about how to become an efficient, albeit enlightened, killer. It's value comes from reading between the lines--lines which speak volumes.

La historia tiene lugar en Cuba donde Santiago, conocido como "el viejo", es un pescador solitario y experimentado, pero su trayectoria profesional no se encuentra en su mejor momento. El hombre lleva 84 días sin conseguir pescar nada. Manolín es un joven del pueblo que lo acompaña desde muy pequeño en su labor. Un día sus padres deciden que ya no trabajara más con Santiago debido a su mala racha como pescador, aunque el muchacho nunca deja de acompañarlo para darle apoyo.

En un pueblo costero pequeño, un viejo pescador hace ya mucho tiempo que intenta, en vano, pescar un gran pez. Emprende una última y arriesgada travesía, un día se hace a la mar, y tras mucho esfuerzo, después de tres días de lucha con el pescado en el Golfo de México, el anciano regresa para el puerto, cargando la razón de su lucha en un cadáver devorado poco a poco por tiburones.

Ernest Hemingway has sometimes been called one of the most influential authors of the twentieth century. The titles of his works—novels such as *The Sun Also Rises* and *For Whom the Bell Tolls* or short stories such as "The Snows of Kilimanjaro"—are recognizable even to many who have never read them. His last novel, *The Old Man and the Sea*, won him the Pulitzer Prize in fiction, and he also won the Nobel Prize in literature. Hemingway used language to develop an innovative style, purposely seeking to set himself apart from those who had come before with his distinctive pared-down sentences. Inside you will read about... ? From Journalist to War Hero ? Bullfights and Book Deals ? Hemingway's Breakthrough ? Suicide in the Family ? Hemingway During World War II ? Pulitzer Prize and Plane Crashes And much more! In this short book, you'll discover that much of Hemingway's writing drew on the experiences of his life. From the bullfights of Spain to safaris in East Africa, from being a war correspondent in war zones around the world to surviving multiple airplane and car crashes, Hemingway's life is a riveting story worth exploring in and of itself.

Colofón

Equal parts freedom fighter and statesman, Nelson Mandela bestrode the world stage for the past three decades, building a legacy that places him in the pantheon of history's most exemplary leaders. As a foreign correspondent based in South Africa, author John Carlin had unique access to Mandela during the post-apartheid years when Mandela faced his most daunting obstacles and achieved his greatest triumphs. Carlin witnessed history as Mandela was released from prison after twenty-seven years and ultimately ascended to the presidency of his strife-torn country. Drawing on exclusive conversations with Mandela and countless interviews with people who were close to him, Carlin has crafted an account of a man who was neither saint nor superman. Mandela's seismic political victories were won at the cost of much personal unhappiness and disappointment. Knowing Mandela offers an intimate understanding of one of the most towering and remarkable figures of our age.

Esta maravillosa historia escrita por Ernest Hemingway en 1951 es considerada como uno de los trabajos de ficción más destacados del siglo XX, reafirmando el valor literario de la obra del autor. La historia se desarrolla en Cuba, en la ciudad de La Habana y su protagonista es Santiago, aunque todo el mundo lo llama el viejo. Santiago es un pescador ya envejecido que lleva 84 días sin conseguir pesca alguna, un buen día, decide salir solo a pescar y consigue atrapar un enorme pez espada con el que sostiene una titánica lucha ya que el pez lo arrastra mar adentro debido a su gran tamaño. La lucha con el pez dura tres días, en los que el protagonista recuerda su vida pasada cuando la suerte estaba de su lado y conseguía una gran pesca. La novela ha sido llevada al cine en numerosas ocasiones y Ernest Hemingway recibió el Premio Pulitzer y el Nobel de Literatura al año siguiente de la publicación de la obra.

Porque nuestras publicaciones están escritas con un estilo claro y conciso que te ayudará a ganar tiempo y a entender las obras sin esfuerzo. Disponibles en formato impreso y digital, te acompañarán en tu aventura literaria. Toma una dosis de literatura acelerada con ResumenExpress.com

Una de las historias más grandes jamás contadas. En esta nueva y magistral traducción de Miguel Temprano García, El viejo y el mar recobra todo el esplendor del clásico imperecedero que le valió el Premio Pulitzer de 1953 a Ernest Hemingway. Con un lenguaje de gran fuerza y sencillez, El viejo y el mar narra la historia de un viejo pescador cubano a quien la suerte parece haber abandonado, y del desafío mayúsculo al que se enfrenta: la batalla despiadada y sin tregua con un pez gigantesco en las aguas del golfo. Escrito en 1952, por encargo de la revista Life, este relato lo confirmó como uno de los escritores más significativos del siglo XX, obteniendo el Premio Pulitzer en 1953 y allanando su carrera hacia el Nobel de Literatura, que recibió en 1954. Reseña: «Su mejor obra. El tiempo demostrará que es la mejor que cualquiera de nosotros haya escrito, y con eso me refiero a sus coetáneos y a los míos.» William Faulkner

Presented by Hemingway's grandson Seán Hemingway, with a personal foreword by the author's son Patrick Hemingway, this new enhanced Library Edition of Ernest Hemingway's masterpiece about an American in the Spanish Civil War features early drafts and supplementary material, including three previously uncollected short stories on war by one of the greatest writers on the subject in history. In 1937 Ernest Hemingway traveled to Spain to cover the civil war there for the North American Newspaper Alliance. Three years later he completed the greatest novel to emerge from "the good fight," and one of the foremost classics of war literature in history. Published in 1940, For Whom the Bell Tolls tells the story of Robert Jordan, a young American in the International Brigades attached to an antifascist guerilla unit in the mountains of Spain. In his portrayal of Jordan's love for the beautiful Maria and his superb account of El Sordo's last stand, in his brilliant travesty of La Pasionaria and his unwillingness to believe in blind faith, Hemingway surpasses his achievement in The Sun Also Rises and A Farewell to Arms to create a work at once rare and beautiful, strong and brutal, compassionate, moving, and wise. "If the function of a writer is to reveal reality," Maxwell Perkins wrote Hemingway after reading the manuscript, "no one ever so completely performed it." Greater in power, broader in scope, and more intensely emotional than any of the author's previous works, For Whom the Bell Tolls tells of loyalty and courage, love and defeat, and the tragic death of an ideal. When it was first published, The New York Times called it "a tremendous piece of work," and it still stands today as one of the best war novels of all time.

This remarkable first novel depicts life in the small Mexican town of Ixtepec during the grim days of the Revolution. The town tells its own story against a variegated background of political change, religious persecution, and social unrest. Elena Garro, who has also won a high reputation as a playwright, is a masterly storyteller. Although her plot is dramatically intense and suspenseful, the novel does not depend for its effectiveness on narrative continuity. It is a book of episodes, one that leaves the reader with a series of vivid impressions. The colors are bright, the smells pungent, the many characters clearly drawn in a few bold strokes. Octavio Paz, the distinguished poet and critic, has written that it "is truly an extraordinary work, one of the most perfect creations in contemporary Latin American literature."

First published in 1927, Men Without Women represents some of Hemingway's most important and compelling early writing. In these fourteen stories, Hemingway begins to examine the themes that would occupy his later works: the casualties of war, the often uneasy relationship between men and women, sport and sportsmanship. In "Banal Story," Hemingway offers a lasting tribute to the famed matador Maera. "In Another Country" tells of an Italian major recovering from war wounds as he mourns the untimely death of his wife. "The Killers" is the hard-edged story about two Chicago gunmen and their potential victim. Nick Adams makes an appearance in "Ten Indians," in which he is presumably betrayed by his Indian girlfriend, Prudence. And "Hills Like White Elephants" is a young couple's subtle, heart-wrenching discussion of abortion. Pared down, gritty, and subtly expressive, these stories show the young Hemingway emerging as America's finest short story writer.

Until recently, the combination of a Cuban old boys' network and an ideological emphasis on "tough" writing kept fiction by Cuban women largely unknown and unread. Cubana, the U.S. version of a groundbreaking anthology of women's fiction published in Cuba in 1996, introduces these once-ignored writers to a new audience. Havana editor and author Mirta Yáñez has assembled an impressive group of sixteen stories that reveals the strength and variety of contemporary writing by Cuban women-and offers a glimpse inside Cuba during a time of both extreme economic difficulty and artistic renaissance. Many of these stories focus pointedly on economic and social conditions. Josefina de Diego's "Internal Monologue on a Corner in Havana" shows us the current crisis through the eyes and voice of a witty economist-turned-vendor who must sell her extra cigarettes. Others-Magaly Sánchez's erotic fantasy "Catalina in the Afternoons" and Mylene Fernández Pintado's psychologically deft "Anhedonia (A Story in Two Women)"-reveal a nascent Cuban feminism. The twelve-year-old narrator of Aida Bahr's "The Scent of Limes" tries to make sense of her grandparents' conservative values, her stepfather's disappearance, and her mother's fierce independence. The Cuban-American writer Achy Obejas recreates the strange dual identity of the immigrant, while avant-garde stories like the playful and savvy "The Urn and the Name (A Merry Tale)," written by Ena Lucía Portela, reveal the vitality of the experimental tradition in Cuba. And Rosa Ileana Boudet's "Potosí 11: Address Unknown" is both a romantic paean to a time of youth, passion, and revolution, and an attempt to reconcile that past with a diminished present.

Acompaña al viejo Santiago a su pesca de hoy. El anciano lleva muchos días sin pescar un solo pez, pero seguro que hoy será un buen día. ¡Te lo dije! Pescó un pez enorme, más grande que su barca. Como no cabe dentro, lo va a tener que llevar a rastras por fuera del barco. Tras varios días en alta mar, los tiburones empiezan a rodearlo. Lucha con fuerza pero son muchos, salen de aquí y de allá. Santiago no se rinde, se esfuerza una y otra vez hasta llegar al puerto. Disfruta la aventura y aprende la fabulosa lección de resistencia de este clásico El viejo y el mar.

En un pequeño pueblo costero de Cuba, un hombre viejo hace ya mucho que intenta, en vano, atrapar un gran pez. La suerte parece haberlo abandonado, pero el pescador habrá de enfrentarse al mayor desafío de su vida: la batalla sin tregua con un pez gigantesco en la inmensidad del mar. Una historia que te hablará sobre el valor ante el fracaso y del triunfo personal que se obtiene tras superar una derrota.
