

Eligibility Worker I Exam Study Guide

Provides examples of the questions for social investigator and eligibility specialist on the civil service examination for social services case workers.

Includes a free mobile & web app! "Dawn gave us the tools we needed to take the exam, and let me tell you - she was on point! Not only did she cover the content areas we needed to focus in on, but she also showed us how to read and interpret the questions on the exam." --Ammu D. Kowolik, LMSW, McSilver Institute for Poverty Policy and Research

Students and social workers preparing for the social work bachelors licensure exam will find an invaluable study resource in the Social Work ASWB® Bachelors Exam Guide. Written by a prominent social work leader and trainer for social work licensing exams in the United States, this guide is based on years of time-tested exam prep workshops conducted by the author. It mirrors the ASWB Bachelors "Knowledge, Skills, and Abilities" upon which the exam is based and incorporates information from the DSM-5TM. The guide is comprehensive yet focuses on the material most likely to be included on the exam, so readers can prioritize information as they study. A self-assessment section helps identify strengths and weaknesses before tackling the material. The author shares her extensive knowledge of the exam by providing useful test-taking strategies and tips for overcoming test anxiety. The 170-question practice test at the end of the guide (with explanations of the correct answers) mirrors the actual exam in both length and structure. Content includes human development, human behavior, diversity, assessment, direct and indirect practice, and professional values and ethics. This book will be a valuable asset for social workers throughout the United States and Canada. **KEY FEATURES:**

- Developed by a highly respected educator of social work licensure candidates
- Covers all the content areas on the bachelors and associate examinations, including new content added in 2015
- Begins with a self-assessment section to help identify areas of strength and weakness
- Offers a wealth of test-taking tips and strategies to foster exam confidence
- Includes a practice test (with explanations of the correct answers) that mirrors the exam

subjects you need to study. It provides hundreds of questions and answers in the areas that will likely be covered on your upcoming exam.

Foundations for Community Health Workers Foundations for Community Health Workers is a training resource for client- and community-centered public health practitioners, with an emphasis on promoting health equality. Based on City College of San Francisco's CHW Certificate Program, it begins with an overview of the historic and political context informing the practice of community health workers. The second section of the book addresses core competencies for working with individual clients, such as behavior change counseling and case management, and practitioner development topics such as ethics, stress management, and conflict resolution. The book's final section covers skills for practice at the group and community levels, such as conducting health outreach and facilitating community organizing and advocacy. Praise for Foundations for Community Health Workers "This book is the first of its kind: a manual of core competencies and curricula for training community health workers. Covering topics from health inequalities to patient-centered counseling, this book is a tremendous resource for both scholars of and practitioners in the field of community-based medicine. It also marks a great step forward in any setting, rich or poor, in which it is imperative to reduce health disparities and promote genuine health and well-being." —Paul E. Farmer, MD., PhD, Maude and Lillian Presley Professor of Social Medicine in the Department of Global Health and Social Medicine at Harvard Medical School; founding director, Partners In Health. "This book is based on the contributions of experienced CHWs and advocates of the field. I am confident that it will serve as an inspiration for many CHW training programs." —Yvonne Lacey, CHW, former coordinator, Black Infant Health Program, City of Berkeley Health Department; former chair, CHW Special Interest Group for the APHA. "This book masterfully integrates the knowledge, skills, and abilities required of a CHW through storytelling and real life case examples. This simple and elegant approach brings to life the intricacies of the work and espouses the spirit of the role that is so critical to eliminating disparities—a true model educational approach to emulate." —Gayle Tang, MSN, RN., director, National Linguistic and Cultural Programs, National Diversity, Kaiser Permanente "Finally, we have a competency-based textbook for community health worker education—well informed by seasoned CHWs themselves as well as expert contributors." —Donald E. Proulx, CHW National Education Collaborative, University of Arizona
