THE SUNDAY TIMES TOP TEN BESTSELLER SHORTLISTED FOR THE PENDERYN MUSIC BOOK PRIZE 'Tender, wise and funny' Sunday Express 'Beautifully observed, deadly funny' Max Porter Before becoming an acclaimed musician and writer, Tracey Thorn was a typical teenager: bored and cynical, despairing of her aspirational parents. Her only comfort came from house parties and the female pop icons who hinted at a new kind of living. Returning to the scene of her childhood, Thorn takes us beyond the bus shelters, the pub car parks and the weekly discos, to the parents who wanted so much for their children and the children who wanted none of it. With great wit and insight, Thorn reconsiders the Green Belt post-war dream so many artists have mocked, and yet so many artists have come from.

The Eighties were about big ideas writ large - new money, new style, gender fluidity, gay pride, attritional politics, the 'special relationship', nuclear fear, AIDS, cocaine, ecstasy, tabloid royalty, the rise of urban pop, and ultimately geopolitical chaos. Using a big narrative approach, Dylan Jones' history of the decade in pop frames the decade through some of its most important and popular hits, choosing records which either epitomised their time, or ushered in a new cultural shift. So we move seamlessly from Rapper's Delight and the genre defining moment of hip hop into The Specials' spectral, Ghost Town; from ABC and the apotheosis of New Pop (The Look of Love) to Madonna's breakthrough moment with Like a Virgin, and so on. In the '80s each year brought a new twist as technology shifted and genres snowballed, MTV reigned supreme and the story of pop became globalised. It was a decade of excess in all areas, especially ambition, but it was in the transcendent moments of pop perfection that the '80s found its true art-

form. Subjective and idiosyncratic, SHINY AND NEW takes us from downtown New York to post-industrial Manchester, in the first widescreen attempt to weave together the stories, the songs and events that re-shaped music and society. This Christmas, consider everyday objects from a new point of view, embrace a fresh color palette, or give your children's handmade ornaments or special family heirlooms a new life. The inspiration is endless here, with one-of-a-kind trees that celebrate food, nature, fashion, folk art, typography, color, and art history. Each spectacular design is easily replicated, with step-by-step instructions for crafting coordinating ornaments, garlands, and toppers, plus advice on selecting the right tree, choosing lights, and more. Whether you have space for a towering fir or a sweet tabletop creation, whether your taste skews modern or traditional, quirky or sophisticated, there's something for everyone!

Lullaby of Birdland The Autobiography of George Shearing A&C Black

First came fire, the wheel, and penicillin...and then, according to Dylan Jones, a compulsive album collector, music journalist, and multi award-winning men's magazine editor, the next great invention to bless the human race was the iPod, Apple's groundbreaking mp3 player. Small, sleek, and sexy, but with the capacity to hold up to ten thousand songs, the iPod has stunned music lovers and gadget enthusiasts around the world. It has delighted indie-rock college kids and elderly jazz fans, classical musical buffs and teenage hip-hop hustlers, almost no technology has so seamlessly crossed the great divide. In iPod, Therefore I Am, Jones tells the story of his own entrée into this exponentially growing cult, taking the reader on a hilariously candid journey through his lifelong addiction to all genres of music, however unfashionable. Along the way, he gives a tantalizing behind-the-scenes look at the genesis of the iPod, from its original conception by Steve Jobs, the man who famously reinvented Apple Computer, to the landmark design of Jonathan Ive, the innovative designer who has become a legend in his own time. Behind it all, we get an insight into the way that the iPod has radically transformed the way we approach music, listen to music, and possess music—turning all of us into curators. Appendices containing Jones's top playlists and his expert tips on getting the most out of your iPod make this love song to the iPod as practical as it is entertaining.

Pianist George Shearing is that rare thing, a European jazz musician who became a household name in the US, as a result of the "Shearing sound"—the recordings of his historic late 1940s quintet. Together with his unique "locked hands" approach to playing

the piano, Shearing's quintet with guitar and vibraphone in close harmony to his own playing revolutionized small group jazz, and ensured that after seven years as *Melody Maker's* top British pianist, he achieved even greater success in America. His compositions have been recorded by everyone from Sarah Vaughan to Miles Davis, and his best known pieces include "Lullaby of Birdland", "She" and "Conception". His story is all the more remarkable because Shearing was born blind. His candid reminiscences include a behind the scenes experience of New York's 52nd Street in its heyday, as well as memories of a vast roll-call of professional colleagues that includes all the great names in jazz.

The Instant #1 New York Times Bestseller The global icon, award-winning singer, songwriter, producer, actress, mother, daughter, sister, storyteller, and artist finally tells the unfiltered story of her life in *The Meaning of Mariah Carey* It took me a lifetime to have the courage and the clarity to write my memoir. I want to tell the story of the moments - the ups and downs, the triumphs and traumas, the debacles and the dreams, that contributed to the person I am today. Though there have been countless stories about me throughout my career and very public personal life, it's been impossible to communicate the complexities and depths of my experience in any single magazine article or a ten-minute television interview. And even then, my words were filtered through someone else's lens, largely satisfying someone else's assignment to define me. This book is composed of my memories, my mishaps, my struggles, my survival and my songs. Unfiltered. I went deep into my childhood and gave the scared little girl inside of me a big voice. I let the abandoned and ambitious adolescent have her say, and the betrayed and triumphant woman I became tell her side. Writing this memoir was incredibly hard, humbling and healing. My sincere hope is that you are moved to a new understanding, not only about me, but also about the resilience of the human spirit. Love, Mariah

Love stories have always been at the heart of French cinema, but romantic comedies have, until recently, been absent from it. In 2001, the global success of *Amelie* catalysed a major development in the Western world's second-largest film industry: the appropriation of the 'Hollywood' romantic comedy genre (or *Rom-Com à l'Américaine*). In *From France with Love*, Mary Harrod explores this contemporary phenomenon, examining both local hits and films with international status. Using socio-cultural data, box-office figures and analysis of critical reception, she reveals the ways in which these films mirror shifting attitudes towards gender roles within French society, as well as the increasingly important interrelation between French national cinema and transnational filmmaking paradigms.

CD: Twelve popular standards from the gold age of jazz recorded by singing legends Ella Fitzgerald, Billie Holiday, Nat King Cole, Sarah Vaughan and Chet Baker, amongst others.

Brilliant and tense, Dany Laferrière's first novel, *How to Make Love to a Negro Without Getting Tired*, is as fresh and relevant today as when it was first published in Canada in 1985. With ribald humor and a working-class intellectualism on par with Charles Bukowski's or Henry Miller's, Laferrière's narrator wanders the streets and slums of Montreal, has sex with white women, and writes a book to save his life. With this novel, Laferrière began a series of internationally acclaimed social and political novels about the love of the world, and the world of sex, including *Heading South* and *I Am a*

Japanese Writer. It launched Laferrière as one of the literary world's finest provocateurs and continues to draw strong comparisons to the writings of James Baldwin, Henry Miller, Charles Bukowski, and Jack Kerouac. The book was made into a feature film and translated into several languages — this is the first U.S. edition.
