“What to read after A Court of Thorns and Roses! Full of twists you'll never see coming!” –UppercaseYA I've never been a stranger to the darkness. But when darkness comes knocking and looks that good, who wouldn't invite him in? Draven is mysterious, evasive, and hot as sin. The only thing more infuriating than how much he won't say is how obnoxious he is every time he does open his mouth. But when a group of strangers attacks me and he fights back, causing them to vanish into a cloud of black dust, I know Draven is more than he seems. He finally shows me there's a veil separating the world I know from a world of demons living all around us. Turns out, good and evil are just words. Some of the demons don't fall into either category. And I'm realizing just how easily I fit in among the ancient warlocks, the divine soldiers, and the twisted supernaturals... There's so much more to me. To my past. And to what I am truly capable of than I ever thought possible. So when all signs point to me having the ability to unleash Hell on earth? I'll have to decide if I want to do the world a solid and save it, or give it one hell of a makeover. The Ember of Night series is best enjoyed in order.

A match made in hell? Devon and Tanner fight like... well, cats and dogs. Which makes sense since hellcats and hellhounds aren't exactly a match made in heaven.

Unfortunately, their demons' antipathy towards each other is matched only by the red-hot sexual tension between Tanner and Devon. It's driving them - and their long-suffering friends Harper and Knox - mad. When Devon is nearly kidnapped, Tanner's protective instincts kick into overdrive - he's sticking by her side, day and night. But staying so close means their hunger can no longer be denied . . . They know their demons won't accept the match, but after one red-hot night they'll fight to stay together as long as they can, even though shadows are gathering around them. Devon's would-be kidnapper is still on the loose, a serial killer carrying rage from a twisted past threatens the lair and, most of all, Tanner and Devon are losing themselves to the heat between them.
