

Employment Law An Introduction For Hr And Business Students

EMPLOYMENT LAW FOR HUMAN RESOURCE PRACTICE, 4TH EDITION explains the major issues and rules of employment law and how they apply to your human resource career. Clippings of current news stories and events, hypothetical situations, and real cases help you understand how the law applies to each stage of employment--from hiring, to managing, to firing--and emphasize the application of legal concepts to future business situations. Practical advice for what to do as a manager is conveniently summarized at the end of each chapter. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

For courses in Employment Law, Labor Law, and Human Resource Management. Using cases and examples in every chapter, the second edition of Employment Law deals with this complex and controversial subject by making it easy to understand. The text is a simple approach to employment law, with a foundation of legal principles explained in the layperson's language. The principles, once learned, can be applied to understand the judges' opinions in the cases presented.

A new volume in the successful Unlocking the Law series on this fascinating and dynamic area of law, containing the essential recent developments, including the Equality Act 2010. Each chapter opens with aims and objectives and contains activities such as quick quizzes and self-test questions, key facts charts, diagrams to aid learning and numerous headings and sub-headings to make the subject manageable. Features include summaries to check your understanding of each chapter, a glossary of legal terminology, essay questions with answer plans and exam questions with guidance on answering. All titles in the series follow the same formula and include the same features so students can move easily from one subject to another. The series covers all the core subjects required by the Bar Council and the Law Society for entry onto professional qualifications as well as popular option units. Resources supporting this book are available online at www.unlockingthelaw.co.uk.

"An Introduction to Labor and Employment Discrimination Law is not an attempt to teach law to undergraduates, but rather to introduce them to legal reasoning. The principal means to this end are cases that present competing arguments (e.g., in majority and dissenting opinions) on major issues. Each case is preceded by the author's introduction and followed by the author's comments and questions. Chapter 1 focuses on labor law in the Nineteenth and early Twentieth Centuries, i.e., before the National Labor Relations Act of 1935. Chapter 2 surveys modern labor law under the Labor Act, covering such topics as representation and unfair labor practices. Chapter 3 is a brief introduction to the law of employment discrimination under the Equal Pay Act, Title VII of the Civil Rights Act of 1964, and Americans With Disabilities Act. The book is accompanied by an appendix that contains a glossary of legal terms plus excerpts from the Constitution and relevant federal statutes"--Textbook Web page.

The most accessible and concise law textbook available for undergraduate and postgraduate students studying law for the first time.

The Employment Law Review, edited by Erika C Collins of Proskauer Rose LLP, serves as a tool to help legal practitioners and human resources professionals identify issues that present challenges to their clients and companies. As well as in-depth examinations of employment law in 48 jurisdictions, the book provides further general interest chapters covering the variety of employment-related issues that arise during cross-border merger and acquisition transactions, aiding practitioners and human resources professionals who conduct due diligence and provide other employment-related support in connection with cross-border corporate M&A deals. Other chapters deal with global diversity and inclusion initiatives across the globe, social media and mobile device management policies, and the interplay between religion and employment law. Contributors include: Els de Wind, Van Doorne; Annie Elfassi, Loyens Loeff. "Excellent publication, very helpful in my day to day work." - Mr Frederic Thorat, Head of HR, BNP Paribas"Excellent coverage and detail on each country is brilliant." - Mr Raani Costelloe, General manager of Legal and Business Affairs, Sony music Entertainment, Australia"An excellent resource for in-house counsel for a company with an international footprint." - Mr John R Pendergast, Senior Counsel, BASF Corporation, USA"It's invaluable to any lawyer dealing with cross-border and privacy-related employment issues and is a cornerstone to my own legal research" - Oran Kiazim, Vice President, Global Privacy, SterlingBackcheck, UK

Employment LawAn IntroductionOxford University Press, USA

p>Contemporary Employment Law, Fourth Edition, is a straightforward approach to learning the legal essentials of managing a modern workforce, through a practical, balanced discussion of employment and labor law. Designed for a one-semester course that covers the major aspects of employment and discrimination law, the text begins by identifying the differences between employees and independent contractors. In a three-part format, the authors cover the Employment Relationship, Equal Opportunity Laws, and Employee Protections and Benefits. The text is written with the student in mind, with interesting examples, concept summaries, modern topics and issues, and a clearly written narrative approach to the material. The revised Fourth Edition continues to provide the information students need in a practical and contemporary text. New to the Fourth Edition: New summary charts provide helpful overviews of complex topics:

Recruitment, Selection, and Testing at the end of Chapter 2 Remedies for Discrimination Claims at the end of chapter 4 Post Hire Employment Discrimination Claims at the end of Chapter 5 Leaves of Absence at the of Chapter 11 Wage and hour claims at the end of Chapter 14 WARN Mass Layoffs and Plant Closures at the end of Chapter 14 The most up-to-date developments in employment law, with new statutes, regulations, and Supreme Court cases, including those on gender orientation and transgender status. An updated glossary which makes it easier for students to find definitions of the important terms discussed in the text. Updated forms. Professors and student will benefit from: Rich pedagogical design Landmark as well as current cases, edited to give attention to the key points while using the actual language of the court in its decision Every briefed case includes thought provoking Focus on Ethics questions Sample forms used in employment law and human resource practice are placed throughout the text and enable students to appreciate how a concept is applied in the real world. Practice problems for exam review that facilitate student learning Teaching materials Include: Instructor's Manual Test Bank PowerPoints

Succinct in its treatment of the fundamentals, and interwoven with contextual explanation and analytical consideration of the key debates, Honeyball and Bowers' Textbook on Employment Law continues to provide readers with an accessible account of the subject. Including chapter introductions and new end-of-chapter summaries, students of employment law are guided through the intricacies, while further

reading suggestions assist with independent research and essay preparation. The critical elements of individual and collective employment law are considered along with treatment of the relationship between UK and EU law, to give readers a wider view of the issues.

This new edition to the series will provide an up-to-date textbook covering a wide-range of employment and labour law issues which affect the Commonwealth Caribbean. Initially the book will embark on a comparative analysis of employment and labour law in Jamaica, Trinidad and Barbados, as a reference point for distinguishing the laws of other Commonwealth Caribbean jurisdictions. The book will continue to examine how the law operates within the legal systems of the Caribbean, taking into account the umbilical link to British jurisprudence and the persuasive precedent of other Commonwealth jurisdictions, and the impact this has had on the growth and development of the area. Commonwealth Caribbean Employment and Labour Law will be essential reading for students enrolled on Employment Law, Discrimination and Dismissal Law courses in the Caribbean.

Written by Shawe & Rosenthal, a law firm with a nationwide practice in management labor and employment law, located in Baltimore, MD. This firm represents thirty Fortune 500 companies throughout the United States. This handy deskbook will make employment law accessible to the human resources professional. • Covers every stage of the employer/employee relationship, from the initial employment application through termination • Written in a clear, straightforward manner offering solid guidance for complying with the law and for recognizing those practices that may give rise to legal action • Discusses the entire range of important issues confronting employers: drug and alcohol testing, sexual harassment claims, employee benefits • Incorporates practical material throughout including checklists, charts, tables and sample forms • Provides a state-by-state summary of key employment-related statutes

An effective teaching and learning text, Basic Labor and Employment Law for Paralegals covers all the essential elements in depth and breadth in a rational three part structure. "Introduction to Labor and Employment Law" examines the historical development of labor and employment law in America alongside the nature of the employment relationship. "Labor-Management Relations in the Union Setting" shows how American labor law regulates labor-management relations and includes methods of selecting collective bargaining representatives, unfair labor practices by employers and unions, economic weapons in labor disputes and the formation and administration of labor contracts. "Employment Discrimination" deals with the various forms of discrimination and the methods and procedures of pursuing employment discrimination claims. To underscore concepts and ensure student understanding, each chapter features marginal definitions, fact scenarios illustrating the concepts, and questions about specific facts for the students to consider. Answers to the fact scenarios are included at the end of each chapter. Discussion questions and exercises are provided to help students apply the concepts, and engaging case excerpts give them experience with case analysis. The Second Edition has been completely updated to include new material analyzing the Lilly Ledbetter Fair Pay Act of 2009, a federal statute amending the Civil Rights Act of 1964. Additional new material discusses the Genetic Information Nondiscrimination Act, a federal statute prohibiting employment discrimination on the basis of genetic information. Fresh case references and examples appear throughout the text. Hallmark features of Basic Labor and Employment Law for Paralegals: Covers all essential elements of United States labor and employment law in depth Divided into three sections o Introduction to Labor and Employment Law historical development of labor and employment law in America nature of the employment relationship o Labor-Management Relations in the Union Setting how labor law regulates labor-management relations methods of selecting collective bargaining representatives unfair labor practices by employers and unions economic weapons in labor disputes the formation and administration of labor contracts o Employment Discrimination various forms of employment discrimination in American law methods and procedures of pursuing employment discrimination claims Chapter pedagogy o marginal definitions o fact scenarios illustrating the concepts

Gain a thorough understanding of employment law and its application with this clear and easy to navigate textbook which is ideal for students with no experience of UK employment law.

This textbook is aimed at helping those with day-to-day responsibilities for employee relations and human resource management to manage within the law.

Written especially for HR professionals and business people, California Employment Law: An Employer's Guide is the essential resource for avoiding the many perils and pitfalls California employers face. Comprehensively updated to address new developments, the 2019 Edition features: new independent contractor test; new harassment training requirements; class-action waivers in arbitration agreements; new rules on national origin discrimination; requirement that employees be paid for minimal preparation and concluding work; clarification of rules regarding salary history inquiries; new NLRB standards for employee conduct policies; requirements for lawful time clock rounding; rules for rest break pay for commissioned and piece-rate employees; and new rules regarding lactation breaks.

This is an accessible introduction to UK employment law for non-law students. It provides a wide range of topics reflecting the content of employment law modules, and the extensive evaluative material raises the major debates and encourages critical thinking.

Employment Law is the core textbook for the CIPD Level 7 Employment Law module. It takes the reader step-by-step through everything that they need to know, including the formation of the Contract of Employment, discrimination, health and safety in the workplace, unfair dismissal and redundancy. Easy to read and navigate, and full of case studies and useful examples that encourage deeper thinking, this fully updated 15th edition provides a thorough theoretical grounding in employment law that can be applied in practice. This new edition of Employment Law is completely up to date with the latest cases and legislation, including zero hours contracts, migrant workers' rights, shared parental leave and Brexit and provides an up-to-date analysis of anti-discrimination law, the national living wage and the 'Transfer of Undertakings (Protection of Employment) Regulations 2006' (TUPE). Online resources include a lecturer guide, powerpoint slides, multiple choice questions and extra case studies to support learning and enable students to apply the theory in practice.

Whether you're new to higher education, coming to legal study for the first time or just wondering what Employment Law is all about, Beginning Employment Law is the ideal introduction to help you hit the ground running. Starting with the basics and an overview of each topic, it will help you come to terms with the structure, themes and issues of the subject so that you can begin your Employment Law module with confidence. Adopting a clear and simple approach with legal vocabulary explained in a detailed glossary, James Marson breaks the subject of Employment Law down using practical everyday examples to make it understandable for anyone, whatever their background. Diagrams and flowcharts simplify complex issues, important cases are identified and explained and on-the-spot questions help you recognise potential issues or debates within the law so that you can contribute in classes with confidence. Beginning Employment Law is an ideal first introduction to the subject for LLB, GDL or ILEX and especially international students, those enrolled on distance learning courses or on other degree programmes.

Employment Law: A Guide to Hiring, Managing, and Firing for Employers and Employees, Fourth Edition is a practical text for undergraduate, graduate, and paralegal employment law, human resources, and business school courses. This unique book approaches each area from the perspective of both employees and employers. The balanced approach is organized to track the employer-employee relationship focusing on day-to-day hiring, managing, and firing practices. After an overview of discrimination laws and a discussion of different types of employment relationships the text moves chronologically from the recruitment of candidates through all aspects of employment to the conclusion of the employment relationship. Each chapter begins with clear chapter objectives. A list of key terms ends the chapter followed by basic questions to ensure students master the key concepts and fact patterns, which test student's ability to apply the concepts to workplace matters. These fact-based scenarios promote critical thinking

and develop analytical skills. New to the Fourth Edition: New coverage of the balancing of employer and employee interests in regard to political expression and social media use Expanded discussion of employer and employee rights with respect to medical marijuana Focus on the heightened attention paid to policies related to workplace romances due to the #MeToo movement Enhancement of the materials related to the prohibition of sex discrimination and compensation discrimination materials, including the comparing and contrasting of employee rights under Title VII and the Equal Pay Act Introduction of Check it out! —a teaching tool based on real-life scenarios. These sidebars raise thought-provoking questions designed to initiate both legal and policy discussions and reinforce legal concepts and stakeholder considerations. Professors and students will benefit from: Materials are chronologically organized and track the employer–employee relationship. Complicated information is presented in a clear and concise manner. Guidance from the very agencies that are ultimately responsible for the laws that regulate the employment relationship is included. Tackling of serious workplace matters is paired appropriately with the injection of humor to increase the attention of students and the likelihood that they retain the knowledge related to key concepts. Students who work in human resources, employment law are provided with sample forms, enforcement guidance, and workplace posters that they need to know. Practical information within the context of interviewing provides students with a wealth of information and issues that help them frame interview questions that are legally compliant. References to the most significant legal cases, as well as some lesser-known cases represent common themes. End-of-chapter questions ensure students master key concepts. Numerous fact patterns test whether students not only understand these concepts but also can apply them to workplace matters. These fact-based scenarios promote critical thinking and develop analytical skills so that the knowledge can be used by students. Key terms appear in the margins where a term is first introduced and in the glossary at the end of the book. This comprehensive glossary of key terms provides students with an additional opportunity to review important terms.

Gain a thorough grounding in the core principles and practices of UK employment law with the third edition of this practical guide from the HR Fundamentals series.

This new edition of *An Introduction to the Law of Employment Discrimination* summarizes the federal laws that prohibit employment discrimination on the basis of race, sex, religion, national origin, age, and disability. Several major statutes, including Title VII of the Civil Rights Act of 1964, the Age Discrimination in Employment Act, Title I of the Americans with Disabilities Act, and the Equal Pay Act, protect American workers from discrimination. In this handy reference guide, Michael Evan Gold discusses complex legislation in lucid, understandable terms. In his discussion of each statute, the author provides such information as: * who is protected by the statute; * who must obey the statute; * principal definitions of discrimination together with numerous examples; * ways of proving discrimination; * reasonable accommodation; * defenses to discrimination; * retaliation; * remedies; and * procedures for bringing a claim.

Written specifically for HR and Business students, *Introduction to Employment Law* is a clear and accessible guide to employment law and how it applies in practice. Covering everything from employment tribunals and discrimination to redundancy and termination of employment, this textbook doesn't assume any prior knowledge of the UK legal system and equips students with all the knowledge and skills that they need to take forward into the workplace. Fully revised with all the latest cases and legal developments, this new edition includes coverage of hot topics such as defining employment status in the gig economy, gender pay reporting, the General Data Protection Regulation (GDPR) and the legal implications to be considered with Britain's withdrawal from the European Union. Packed with pedagogical features to consolidate learning including chapter objectives, tasks, 'explore further' sections, key learning points and examples to work through, as well as a dedicated study skills chapter, *Introduction to Employment Law* is essential reading for all students studying the CIPD Level 5 Intermediate module in employment law as well as being a useful resource for those studying at level 3 and an accessible introduction for level 7 and those on undergraduate and postgraduate courses needing a thorough grounding in employment law. Online resources include lecture slides, case studies, multiple choice questions, annotated weblinks and an instructor's manual.

Readers who are majoring in business or another non-legal professions will find *EMPLOYMENT AND LABOR LAW, 9E* offers the ideal comprehensive introduction to employment and labor relations. This book uses excerpts from real law cases to illustrate how labor-related disputes arise and are resolved in the courts. Eye-opening features, such as *The Working Law and Ethical Dilemmas*, demonstrate how labor legislation and ethical decision-making impact employees at all levels -- from hourly workers to owners. Readers review the most up-to-date information on the NLRB and EEOC, the Fair Labor Standards Act, President Obama's executive orders regarding undocumented immigrants and LGBT rights, Obamacare, the Defense of Marriage Act, and other employee-benefits developments. This edition also addresses relevant issues, such as FLSA and NLRB rights for unpaid interns, teaching assistants, and student-athletes. No other book combines such balanced coverage with a reader-friendly approach. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Known for its detailed and authoritative approach, the authors of *Smith & Wood's Employment Law* provide a comprehensive, yet accessible guide to employment law. Clear accounts of essential case law and legislation are complemented by insightful commentary and critique to direct preparation for classes and assessments. The topics are carefully explained in their social and historical context, providing readers with an awareness of the fast-paced development of employment law and offering perceptive analysis of its future direction. Chapter overviews give students a sense of what they can expect to learn as they read each section while a 'Review and Final Thoughts' feature concludes each chapter by emphasizing the key issues as well as highlighting areas of development and technical difficulty which may need further attention by students. Full references to further reading are provided throughout the book to help guide additional research, and helpful web links can be accessed via the Online Resource Centre which accompanies this book. Multiple choice questions with instant feedback give students the opportunity to test their understanding of the themes.

This casebook is a pluralistic and yet concise introduction to the doctrine and theory of employment discrimination law. The new edition covers all the recent Supreme Court decisions and federal legislation in this field, including the ADA Amendments Act and the Lilly Ledbetter Fair Pay Act, and it analyzes the effect of these developments on prior decisions of the Supreme Court. It covers discrimination on the basis of race, national origin, sex, religion, age, and disability, and provides economic and political analysis from a wide range of different perspectives, both liberal and conservative. Comprehensive notes survey the current state of the law, raise questions for class discussion, and address the continuing controversies in this field. A Teacher's Manual contains brief summaries of all cases, offers additional commentary on selected issues, and provides further questions for students beyond those provided in the casebook itself. A supplemental CD is available with PowerPoint slides, a text of cases, and statutes. The Teacher's Manual is also offered on CD, thus allowing professors to modify the materials as desired.

Employment Law in Context combines extracts from leading cases and articles with insightful and sophisticated author commentary to provide the reader with a full, critical understanding of employment law. As well as providing a thorough grounding in individual labour law, and drawing attention to key and current areas of debate, this title offers the reader detailed analysis of the social, economic, political, and historical context in which employment law operates. An innovative running case study contextualizes employment

law and demonstrates its practical applications by following the life-cycle of a company from incorporation, through expansion, to liquidation. Reflection points and examples encourage the development of critical thinking skills and students' ability to view the issues practically. The text is supported by an Online Resource Centre hosting: - four supplementary chapters on collective employment law to facilitate a broader understanding of the subject - additional reading lists to accompany topics signposted in each chapter and annotated web links to key online resources to direct further research - a flashcard glossary helps students test their understanding of terms highlighted and defined in the book - twice-yearly updates to the law are provided by the author to keep students abreast of the latest developments - PowerPoint slides and figures from the book are available to lecturers

Employment law and occupational health: a practical handbook provides an essential guide to best practice for all occupational health practitioners. This readable guide to the law will help to ensure both business success and respect for individual employment rights. The cost of sickness absence can present major costs and business management problems to employers and safeguarding health is therefore vital to every individual and to all employers. Employment law and occupational health: a practical handbook explores key issues in occupational health practice from pre-employment, through health surveillance and occupational health services to termination of employment. Topics explored include ethical and confidentiality issues, discrimination, data protection, working abroad, pregnancy and maternity leave, workplace policies, drugs and alcohol testing, stress, counselling, health surveillance and professional conduct rules.

Employment Law 4e is the most complete and accessible introduction to the subject, suitable for students from a variety of backgrounds including HRM and business management. The expert author team combine a wealth of knowledge in teaching, examining, and practising employment law to ensure the reader has a firm understanding of legal principles, in both an academic and professional context. Case exhibits in every chapter illustrate employment law in action, whilst activities test the reader's understanding of the law and its application in the real-world. Together, they enable students to effectively develop their knowledge of current legislation and maximize their learning. In addition, a dedicated chapter on preparing and presenting a case gives the reader a unique opportunity to demonstrate their understanding using a fictional scenario, through which they can gain a greater insight into the challenges faced by those required to prepare and deliver a case before an employment tribunal. As a result, Employment Law 4e is an essential textbook for students seeking to develop their academic and professional skills, as well as foster their understanding of a subject that directly affects business managers and their employees. Online Resource Centre This book is supported by an integrated Online Resource Centre. For students: - Test your understanding and receive instant feedback with our range of multiple choice questions. - Source relevant and reliable further reading using our publications briefing resource. - Keep informed of changes to the law with our regular updates from the authors. For registered lecturers: - Access additional case studies and questions to support your teaching.

Addresses law and employment decisions with a management perspective. This text explains how to approach and manage legal employment decisions, and outlines the specific legal framework in which management decisions are made.

Workplace privacy is not simply a theoretical legal issue but is a matter of basic human dignity. Employers in a number of countries reportedly, and, it appears, in increasing numbers, are deploying "human resource policies" which may or may not be illegal. In many cases they are not, at present unlawful, though they may reflect dubious management practices. These policies include drug testing of employees, surveillance of staff and their communications, attempts to censor the freedom of speech of employees, psychometric or personality testing, and requirements to provide intimate health information irrelevant to work in order to obtain employment or promotion. This book, the first on the subject in any jurisdiction, examines in a rigorous and open-minded fashion, the emergence of these policies in the modern employment context and the gradually developing legal response. Adopting a human rights perspective, the author demonstrates that several legal systems are now transposing human rights law from the public sphere into the employment relationship in order to protect the individual rights of job candidates and employees. The human right of privacy is one of the cornerstone rights recognised in the

employment context, and is the focus of this book. The book deals with the law as it presently stands in the UK, France, the USA and Canada and includes a careful analysis of the potential impact of the Human Rights Act 1999.

Law and Employment analyzes the effects of regulation and deregulation on Latin American labor markets and presents empirically grounded studies of the costs of regulation. Numerous labor regulations that were introduced or reformed in Latin America in the past thirty years have had important economic consequences. Nobel Prize-winning economist James J. Heckman and Carmen Pagés document the behavior of firms attempting to stay in business and be competitive while facing the high costs of complying with these labor laws. They challenge the prevailing view that labor market regulations affect only the distribution of labor incomes and have little or no impact on efficiency or the performance of labor markets. Using new micro-evidence, this volume shows that labor regulations reduce labor market turnover rates and flexibility, promote inequality, and discriminate against marginal workers. Along with in-depth studies of Colombia, Peru, Brazil, Argentina, Chile, Uruguay, Jamaica, and Trinidad, Law and Employment provides comparative analysis of Latin American economies against a range of European countries and the United States. The book breaks new ground by quantifying not only the cost of regulation in Latin America, the Caribbean, and in the OECD, but also the broader impact of this regulation.

Key Cases is the essential companion for anyone studying undergraduate law, including LLB, ILEX and post-graduate conversion courses. Key Cases breaks down the case law into recognisable and memorable elements, including the key facts, key law, key principles, key judgments, key comments and key problems as appropriate in each case. Diagrams that summarise the key points are included at the start of each chapter. New to these editions is an improved text design making the books easier read and the facts easier to retain. Key Cases books are supported by the website www.unlockingthelaw.co.uk where you will find extensive revision materials.

In Religion and belief in United Kingdom employment law, Frank Cranmer discusses current problems in the relationship between religious manifestation and employment, with particular reference to the recent case-law.

Employment law is a matter of increasing importance for managers and human resource professionals. Approaching the subject from a human resources rather than a law perspective, this book aims to inform about the context in which employment law is enacted and promotes understanding of: the application of the law to HRM, the social purposes behind the legislation, and the contextual issues that affect the implementation of the law.

Stewart's Guide to Employment Law is renowned for its succinct and accessible coverage of this complex area of the law. The author's unique expertise and experience make this a high-quality book with a clear and cohesive style. This is a highly regarded, dependable choice of book for anyone needing an introduction to employment law. Key Features of the New Edition This new edition explains the various amendments made to the Fair Work Act under the Turnbull Government, in relation to matters such as enterprise bargaining, industrial action and the enforcement of employment entitlements. It highlights important changes to the regulation of workplace relations in the building and construction industry. Covers the many variations made by the Fair Work Commission in the course of its first (and last) four-yearly review of modern awards. Those variations include significant alterations to penalty rates in certain industries, as well as provisions on casual and part-time employment, payment of wages and the taking of annual leave. The text has been updated to incorporate other new case law since the last edition, including important decisions on the making and termination of enterprise agreements, adverse action and termination of employment. Reference is also made to various changes to State laws, particularly in Queensland, where the State industrial system was revamped in 2016.
