It brings you the most up-to-date information as well as practical tips and checklists in a well-organized, easy-to-use resource.

The Complete Guide to Human Resources and the Law will help you navigate complex and potentially costly Human Resources issues. You'll know what to do (and what not to do) to avoid costly mistakes or oversights, confront HR problems - legally and effectively - and understand the rules. The Complete Guide to Human Resources and the Law offers fast, dependable, plain English legal guidance for HR-related situations from ADA accommodation, diversity training, and privacy issues to hiring and termination, employee benefit plans, compensation, and recordkeeping. It brings you the most up-to-date information as well as practical tips and checklists in a well-organized, easy-to-use resource. The 2019 Edition provides new and expanded coverage of issues such as: The Supreme Court held in March 2016 that to prove damages in an Fair Labor Standards Act (FLSA) donning/doffing class action, an expert witness' testimony could be admitted *Tyson Foods, Inc. v. Bouaphakeo*, 136 S. Ct. 1036 (2016). Executive Order 13706, signed on Labor Day 2015, takes effect in 2017. It requires federal contractors to allow employees to accrue at least one hour of paid sick leave for every 30 hours they work, and unused sick leave can be carried over from year to year. Mid-2016 DOL regulations make millions more white-collar employees eligible for overtime pay, by greatly increasing the salary threshold for the white-collar exemption. Updates on the PATH Act (Protecting Americans From Tax Hikes; Pub. L. No. 114-113. The DOL published the "fiduciary rule" in final form in April 2016, with full compliance scheduled for January 1, 2018. The rule makes it clear that brokers who are paid to offer guidance on retirement accounts and Individual Retirement Arrangements (IRAs) are fiduciaries. In early 2016, the Equal Employment Opportunity Commission (EEOC) announced it would allow charging parties to request copies of the employer's position statement in response to the charge. The Supreme Court ruled that, in constructive discharge timing requirements run from the date the employee gives notice of his or her resignation--not the effective date of the resignation. *Certiorari* was granted to determine if the Federal Arbitration Act (FAA) preempts consideration of severing provisions for unconscionability. Previous Edition: Complete Guide to Human Resources and the Law, 2018 Edition ISBN 9781454884309

This publication makes the consideration and handling of substantive and procedural issues relating to California insurance litigation much simpler and less stressful by providing practical, step-by-step guidance in easy to understand language. It was prepared for use as a resource by lawyers representing insurers, insureds and others with interests relating to insurance disputes, insurance claims adjusters, third-party administrators, insurance brokers and agents, risk managers, risk consultants, insurance regulators and judges. Distilling more than 90 years of combined experience from four distinguished California insurance law practitioners, this publication explains how to analyze, resolve and litigate key issues that can arise at every stage of an insurance dispute in California. Designed to be a practical tool for daily use, it covers both key general considerations in insurance litigation and issues that arise in the context of specific lines of insurance. The guide combines how-to practice guidance, task-oriented checklists, strategic points, tips, and warnings, in an easy-to-read format. It includes references to current pertinent state and federal legislation, case law, and sources essential to a proper understanding and command of insurance litigation in California. • The publication is a comprehensive guide to understanding the purpose of insurance, how it is regulated, interpreted and applied in California. • The publication addresses many of the major types of insurance coverages that are available on the market. • The publication is written in a way that makes it accessible to first time users or those unfamiliar with insurance issues, as well as in-depth analysis of critical issues needed by experienced practitioners. • The publication provides crucial insight into litigating insurance issues in California courts, both State and Federal. • The publication includes up-to-date, practitioner-developed forms and practice tips essential to the litigation of insurance disputes. • The publication explains, in easy-to-read fashion, the obligations of the parties to insurance contracts and the consequences faced by insureds and insurers should they fail to fulfill them. • This publication is superior to other insurance guides since it contains greater in depth analysis regarding the interpretation and application of insurance policies under California law. It provides more comprehensive practitioner-focused discussions of key coverage and litigation issues and their outcomes under California law. As such, it gives the reader a deeper understanding of how and why certain results have been reached and thus provides better guidance as to how and why certain results may be reached with regard to their issue(s). In addition, the publication includes up-to-date, practitioner-developed forms and practice tips essential to the litigation of insurance disputes, including extra-contractual claims. As a result, the publication provides a greater and more lasting educational benefit than other guides.

To help protect your business, you'll need to get the right small business liability insurance, including General liability insurance, professional liability insurance, employment practices liability insurance. In his latest book, the author shows you how to break this costly insurance cycle and gain more control over your insurance program while simultaneously building equity that will help you and your business, rather than it being pocketed by the insurance company and its shareholders. You will see how businesses that are paying over \$100,000 annually in insurance premium can benefit from Alternative Risk Financing, where a business does not purchase traditional guaranteed cost

insurance policies but instead purchases insurance where they take on some risk to get potential rewards.

Insurance professionals, businessowners and human resource managers have a practical guide to understanding the increasingly important area of employment practices liability and the insurance coverages to protect against them. This book addresses the claims an employee can bring, risk management techniques to avoid or lessen the potentiality of a claim, and the insurance available to cover those claims.

Today's best workers are demanding more before signing on--and requiring more to stay. How does a company find and hang on to great talent? Competition for skilled employees is fierce! This book provides comprehensive, practical advice to employers to get and keep the people they need. It covers such vital topics as what workers want--including a sense of making a real impact in their jobs and getting learning opportunities; why workers leave--sometimes just because they can (it's so easy to find a new job), often because they feel undervalued or bored where they are; and what best-practice companies are doing to attract and retain the talent necessary to remain competitive. Expert Diane Arthur discusses: * Both traditional and new strategies, including a huge array of special incentives and perks * Online recruiting via sites like Monster.com or a company's own Web site * Successful programs from Cisco Systems, Bank of Boston, Eli Lilly, McDonald's, and dozens of other companies, including many small firms * Competency-based recruiting and interviewing, contingent workers, telecommuting and other alternative work arrangements, future trends, and more.

Brand new, this publication provides practical guidance in dealing with the types of insurance that are available for individual and entity participants in the sports and entertainment industries. It identifies the nuances of the insurance, requirements in the insurance policies that may need to be honored to obtain coverage, and overlooked sources of coverage. This unique product not only provides in-depth explanations of the substantive law but also nuts and bolts practical guidance for lawyers in handling virtually all issues that can arise involving insurance for all participants and entities in the sports and entertainment industries in the United States. It analyzes germane insurance provisions, coverage issues and court decisions thus providing a thorough grounding in the current insurance law needed to successfully handle sports and entertainment insurance law issues. It applies general insurance principles to the needs of participants in the sports and entertainment industries. Insurance law principles that pertain to policyholders and insurers in general are explained and applied to instances and scenarios involving sports and entertainment events and participants. It further provides in-depth analysis of the insurance provisions, issues and court decisions unique to the sports and entertainment industries. Individuals and entities in the entertainment and sports industries are the subject of a wide variety of claims and lawsuits. The economic consequences vary, but can reach millions, if not tens of millions of dollars, and can involve everything from paying lawyers and experts to defend against lawsuits, to paying to repair or rebuild property, to suffering losses from injuries, cancellations, delays, cast changes or closures and loss of business during periods of restoration. The publication features practice insights, strategic guidance, comments and warnings. Insightful, expert guidance is provided giving you the key do's and don't's of practice. Appendices of key decisions and sample forms are provided. This publication thus presents a complete package of the tools you need to practice in this lucrative area of the law successfully.

Employment Practices Liability (EPL) insurance is a growing phenomenon in the insurance industry. The Practitioner's Guide to Defense of EPL Claims is a unique and invaluable tool for the employment litigator and others interested in that practice area. The contributing authors are all experts in the fields they address, and the compilation, expansive in scope, is reader-friendly and a valuable asset to the practitioner. Topics include: Claims under other insurance including CGL and D&O Insurability of intentional conduct & punitive damages Investigating EPL claims Pleading strategies, affirmative defenses, and burdens of proof Use and misuse of statistics Emotional injury Back pay, front pay, compensatory and punitive damages"

Unlike most other books in the field, which slant toward either policyholder or insurer counsel, Stempel and Knutsen on Insurance Coverage takes an even-handed nonexcess and umbrella aking it useful to attorneys from all sides. Moreover, it's designed for practitioners from all professional backgrounds and insurance experience. Written in clear, jargon-free language, it covers everything from the basic insurance concepts, principles, and structure of insurance policies to today's most complex issues and disputes. The authors, Jeffrey W. Stempel and Erik S. Knutsen, are well-known authorities on the law of insurance coverage, and this new Fourth Edition of Stempel and Knutsen on Insurance Coverage is completely up-to-date on every aspect of its subject. This one-stop resource provides both a sound historical, theoretical and doctrinal grounding in insurance, as well being practice-oriented and packed with practical guidance. After providing information about insurance policies and issues in general, it focuses on specific types of policies and coverage such as property coverage, liability coverage, automobile coverage, excess and umbrella coverage, and reinsurance, plus such vital areas as employment, defective construction, and terrorism claims...Dandamp;O liability...ERISA...bad faith litigation...and much more. Plus, you'll find extensive examination of the commercial general liability (CGL) policy, the type of insurance involved in most major coverage cases. Among the most important CGL issues covered in Stempel and Knutsen on Insurance Coverage are: Pollution-related coverage Trigger of coverage Apportionment of insurer and policyholder responsibility Business risk exclusions Coverage under the andquot;personal injuryandquot; section of the CGL Coverage under andquot;advertising injuryandquot; Nowhere else will you find so much valuable current information, in-depth analysis, sharp insight, authoritative commentary, significant case law, and practical guidance on this critically important area. With its clear explanations and thorough, even-handed coverage, Stempel and Knutsen on Insurance Coverage is unlike any other resource in its field.

Insurance Settlements and Negotiations is an authoritative, insider's perspective on best practices for insurance law, full of practical advice for both insurers and policy holders. Featuring partners from some of nation's leading firms, these experts guide the reader through the vast spectrum of insurance policies, including: director and officer, errors and omissions, general liability, property and casualty, and umbrella coverage plus employment practices liability insurance and ERISA governed plans. These top lawyers give tips for policy holders in obtaining the proper coverage, interpreting insurance policies in the event of a loss, and effectively claiming coverage that is due. Alternatively, they provide solid advice for insurers on writing policies and evaluating claims. These leaders also reveal their strategies for planning defensively, keeping abreast of change, negotiating settlements, litigating cases, and finding creative solutions in a variable area of law that hinges on the interpretation of complicated language and hard-to-prove facts. The different niches represented and the breadth of perspectives presented enable readers to get inside some of the great legal minds of today as these experienced lawyers offer up their thoughts around the keys to success within this ever-evolving field. This single-volume desktop reference is a general guide to all aspects of employment as governed by both federal & California law -from hiring through termination. It is designed to serve as a day-to-day practical reference manual for owners, executives, & managers on topics such as hiring, sexual harassment, wage & labor law, OSHA, & discrimination. This book gives you everything you need, pulled together in one place, on the federal & state requirements to insure that your company is in full compliance with employment laws. Notable changes in the latest supplement include: 1) a new section on health benefits for part-time employees, 2) the 1999 statutory amendment establishing criminal penalties for an employer who makes an audio or video recording of an employee in a locker room, restroom, or any area designated for changing clothes, 3) a new section on common mistakes made by employers facing wrongful termination or demotion claims, 4) a new section on defamation as it relates to employee to employer or co-employee communications, 5) a new section on an employee's obligation to timely report sexual harassment or be barred from suit, 6) & the latest employment case law.

How to keep any nonprofit out of trouble, running smoothly, and accomplishing its mission "Jack Siegel--lawyer, accountant, management consultant, and computer whiz--takes the putative director or officer of a nonprofit organization on a useful and often entertaining voyage throughout the realm of the tax-exempt organizations universe, pointing out its quirks, foibles, and legal liabilities along the way. His handbook will make mandatory--and arresting--reading for those who are already serving as trustees, directors, officers, and key employees of exempt organizations, particularly charitable ones. Siegel's goal, in which he succeeds, is to help directors and officers of nonprofit organizations 'make better decisions.' The book is full of large policy analyses and paragraphs on the details, such as board size, board committees, board meeting formats, the contents of minutes, and the duties of officers. Salted with some excellent real-life examples, what also sets this book apart from most in its genre is the tone: the writing style, the brusqueness, the bluntness. He complains that too many directors 'check their good judgment at the boardroom door.' He advises individuals who 'desire agreement and demand adulation' to stay off boards; he insists on 'commitment' and 'institutional tension' with the executive director. He warns prospective directors that some organizations want, in addition to time and judgment, 'either your money or your ability to raise money.' To my delight, he extols the virtues of 'some level of expenditures' for qualified lawyers and accountants. Please join me in adding this most helpful handbook to your nonprofit library." --Bruce R. Hopkins, Attorney at Law, author of *The Law of Tax-Exempt Organizations*, Eighth Edition and *Starting and Managing a Nonprofit Organization: A Legal Guide*, Fourth Edition

This book is provided as a companion volume to "The Employer's Payroll Question and Answer Book (2020)" for employers who want more information about federal, state and local employment laws. What do "employment laws" cover? Some of the areas involved are: workers compensation, minimum wage, Social Security, employee benefits, family and medical leave, immigration, workplace safety, equal pay, employer discrimination and wrongful termination. There are a multitude of federal laws and regulations dealing with those subjects and many others. And while the number of federal laws continues to increase, more and more states (and even local governments) are also getting into the act. The majority of states now have their own minimum wage laws and a few have passed legislation on subjects ranging from hiring practices to employee scheduling. As an employer, it's important to keep up with all these changes and be prepared if you run into compliance issues. So how do you do that? This book is a good start, but you should also try to subscribe to newsletters from employment lawyers, HR services and your local chamber of commerce. In addition, to help protect yourself from compliance penalties you should look into Employment Practices Liability Insurance. EPLI is usually sold as part of your property and casualty insurance and can cover some of the costs associated with employee complaints or litigation. Keep in mind that employment laws change frequently, and new ones are being added all the time. Employers need to stay on top of those changes in order to make sure they stay in compliance; failing to do so can trip up even employers who have the best of intentions. Don't guess about the employment laws where you do business, because mistakes can be costly - make sure you have policies in place to guide you in complying with each of those laws.

A.M. Best Company's *The Guide to Understanding Business Insurance Products* explains 21 areas of commercial insurance coverage. Uniquely entertaining, *The Guide* is designed for insurance clients, prospects, staff, brokers, agents and carriers. It provides a clear, concise, colorful explanation of the information you need to know about specific commercial coverages. Commercial coverages examined include Builders Risk, Businessowners Policy, Cargo, Commercial Auto, Commercial Crime, Commercial General Liability, Commercial Property Insurance, Cyber, Directors and Officers, Employment Practices Liability, Environmental, Equipment Breakdown, Errors & Omissions, Farmowners, Intellectual Property, Medical Malpractice, Product Liability, Professional Liability/Malpractice, Surety Bonds, Umbrella and Workers' Compensation. Each entry explains what the coverage protects against, who needs it, how it works and what you need to know. Included is a list of selected businesses with extreme exposures. "Employees are our most valuable asset," is an organizational cliché. An equally true statement is that employees can be a nonprofit's liability, both by their specific actions and by not sharing the vision of the organization's leadership. Managing an organization well requires being mindful of both sides of this conundrum: assets and liabilities. The nonprofit sector can claim no exception to this advice. In fact, when the higher moral purpose that typically distinguishes the nonprofit sector is taken into account, it's even more important for managers of nonprofit organizations to be attentive to taking the high road. This resource offers the help you need to effectively manage employment risk. *Taking the High Road: A Guide to Effective and Legal Employment Practices for Nonprofits* contains valuable information on developing sound, defensible employment practices that are practical as well as fair and compassionate. The new edition of *Taking the High Road* offers state of the practice guidance, as well as insights on current and emerging topics in the employment landscape, from exposure to third-party harassment claims to providing domestic partner benefits. *Taking the High Road* also features 21 sample policies and checklists, and 19 state-by-state comparisons of key employment laws.

The Complete Guide to Human Resources and the Law will help you navigate complex and potentially costly Human Resources issues. You'll know what to do (and what not to do) to avoid costly mistakes or oversights, confront HR problems - legally and effectively - and understand the rules. The Complete Guide to Human Resources and the Law offers fast, dependable, plain English legal guidance for HR-related situations from ADA accommodation, diversity training, and privacy issues to hiring and termination, employee benefit plans, compensation, and recordkeeping. It brings you the most up-to-date information as well as practical tips and checklists in a well-organized, easy-to-use resource. The 2017 Edition provides new and expanded coverage of issues such as: The Supreme Court held in March 2016 that to prove damages in an Fair Labor Standards Act (FLSA) donning/doffing class action, an expert witness testimony could be admitted *Tyson Foods, Inc. v. Bouaphakeo*, 136 S. Ct. 1036 (2016). Executive Order 13706, signed on Labor Day 2015, takes effect in 2017. It requires federal contractors to allow employees to accrue at least one hour of paid sick leave for every 30 hours they work, and unused sick leave can be carried over from year to year. Mid-2016 DOL regulations make millions more white-collar employees eligible for overtime pay, by greatly increasing the salary threshold for the white-collar exemption. Updates on the PATH Act (Protecting Americans From Tax Hikes; Pub. L. No. 114-113. The DOL published the fiduciary rule in final form in April 2016, with full compliance scheduled for January 1, 2018. The rule makes it clear that brokers who are paid to offer guidance on retirement accounts and Individual Retirement Arrangements (IRAs) are fiduciaries. In early 2016, the Equal Employment Opportunity Commission (EEOC) announced it would allow charging parties to request copies of the employer's position statement in response to the charge. The Supreme Court ruled that, in constructive discharge timing requirements run from the date the employee gives notice of his or her resignation not the effective date of the resignation. *Certiorari* was granted to determine if the Federal Arbitration Act (FAA) preempts consideration of severing provisions for unconscionability. "

Distilling more than 50 years of combined experience from two distinguished New Jersey insurance law practitioners, this publication explains how to analyze, resolve or litigate the issues that can arise at every stage of an insurance coverage dispute in New Jersey. Most of the topics are categorized by relevant policy language and exclusions in various kinds of policies for the purpose of making even the most esoteric of issues easily accessible. New Jersey Insurance Litigation combines how-to practice guidance, 49 task-oriented checklists, 120 strategic points, warnings, and cross-references to statutory, case, timing tips to prevent practice missteps. Includes cross-references to specific state and federal legislation, caselaw, and sources detailing the features of, and requirements for, insurance coverage in New Jersey. Comprehensive, authoritative coverage for the practitioner is provided for the following key topics: • Introduction to Insurance • Common Approaches to Coverage and Coverage Litigation Personal Lines • Commercial Lines: Commercial General Liability Policies • Commercial Lines: Worker's Compensation, First Party, Employee Fidelity, Environmental and Additional Insured Coverage • Professional Lines • Life, Health and Disability Insurance • Denials and Limitations of Insurance Coverage • Extracontractual Liability • Excess, Umbrella and Surplus Lines Insurance • Rehabilitation, Liquidation and Guarantee Funds

"Gitty Up" shouted the driver, as he encouraged the laboring horses to pull the laden "prairie schooner" faster westward across the prairie. In the "prairie schooners" the people were excited and anxious to reach the vast prairie of Nebraska. They wanted to rush to the land, select their free land, and build their homes. Among the settlers on the Nebraska plains were the Author's parents. In this book the reader has a glimpse of their simple home, the care of the livestock on the farm, the planting and harvesting of the crops, the brutal weather, and the challenges of isolation. Every family depended on their horses for survival. Man power combined with horse power with determination resulted in permanent settlements. When tractors began to emerge for farming, then horses retired from field work. Whoa!

LexisNexis Practice Guide New Jersey Insurance Litigation explains how to analyze, resolve, and/or litigate the issues that can arise at every stage of an insurance coverage dispute. Stay Out Of Court And Stay In Ministry is written to help pastors prevent costly and career-ending lawsuits. It sets forth the most common legal claims asserted against religious organizations, and the defenses churches have successfully raised. ... We describe real-life legal claims against churches and analyze the outcomes, pro or con. We focus on the claims most frequently asserted against churches. Some of the trends defy conventional wisdom. For example, there are few suits for clergy malpractice, but many successful suits for slippery sidewalks. (from the Introduction) Your book should be required reading for every church pastor and primary lay leader, along with the property board chairperson ... excellent illustrations. Rev. Carl Buettemeier Newport Lutheran Church Newport, Minnesota Hagglund and Weimer ... give just enough information to understand and act responsibly. At the same time they do not bury the reader with legalese ... I especially appreciate the list of specific suggestions at the end of each chapter. Rev. Thomas D. Harris St. Nicholas Episcopal Church Richfield, Minnesota I know there are very specific changes I will make in my ministry because of reading this book. Paul D. Johnson Senior Pastor, Woodridge Church National Director of Church Planting, Baptist General Conference Clarence E. Hagglund, J.D., is a litigation attorney practicing primarily in insurance coverage, professional liability, and other complex commercial litigation, trial and appellate. He is a Civil Trial Specialist certified by the National Board of Trial Advocacy; a National Board of Trial Advocacy Director; a Diplomate with the American Board of Professional Liability Attorneys; and a member of the Professional Liability Section of the Federation of Insurance and Corporate Counsel. He is a member of The Basilica of St. Mary, Minneapolis. Britton D. Weimer, J.D., is a litigation attorney practicing primarily in insurance and commercial litigation, trial and appellate. He is licensed to practice law in Texas, Wisconsin, Minnesota, and the Eighth Circuit Court of Appeals. Mr. Weimer has authored articles published in Federation of Insurance and Corporate Counsel Quarterly, the Real Estate Law Journal, the Hofstra Property Law Journal, and the Banking Law Journal. He is a member of Woodridge Church in Medina, Minnesota.
