Meet famous explorers and adventurers in this exciting non-fiction storybook for children. Venture into steaming jungles in search of lost temples, fight off frostbite in the Arctic, and blast off into space! Great explorers have one thing in common - a desire to leap into the unknown, no matter how dangerous that might be. From Ferdinand Magellan's first circumnavigation of the world 500 years ago to Barbara Hillary's treks to the North and South poles while in her seventies, Explorers documents the trials and hardships of the men and women who rewrote our understanding of the world, and showed us what humans are capable of. Explorers looks at the towering achievements of more than 50 explorers in great detail, with incredible cross-sections revealing the amazing detail inside Spanish galleons, lost cities, and spaceships. Hand-drawn maps reveal their intrepid journeys in great detail, and photographs highlight the artefacts and relics they found along the way. The explorers come from all walks of life and parts of the world. Packed with jaw-dropping facts and written in language that will get the heart racing, Explorers is the perfect book for any budding young adventurer, combining both beautiful illustrations by Jessamy Hawke and fantastic photography.

EDIZIONE ILLUSTRATA A COLORI La piccola enciclopedia dei Dinosauri è un libro semplice semplice sulla storia dei dinosauri per i bambini della scuola primaria (5-10 anni). Da sempre il mondo dei dinosauri cattura l'attenzione dei bambini: per questo nasce questo libro che, come una piccola e facile enciclopedia, raccoglie le informazioni più importanti spiegandole attraverso immagini, colori e linguaggio a misura di bambino. Oltre a percorrere le tappe della storia dei dinosauri, questo libretto riporta le caratteristiche e le curiosità dei 12 esemplari di dinosauro più importanti e più amati dai bambini, con una piccola sezione finale di gioco. Oltre a uno strumento di scoperta, si tratta di un libro basilare per aiutare i bambini nello studio e nel ripasso dell'argomento dei dinosauri.

Journey back in time with Geronimo in this fabulous hardcover special edition! I, Geronimo Stilton, never expected to set paw inside a time machine. But when Professor Paws von Volt invited me to travel with him, I had to accept! My family came along to help us discover how the dinosaurs became extinct, how the Great Pyramid of Giza was built, and what life was like at King Arthur's court. Along the way I was chased by a Tyrannosaurus rex, almost eaten by a crocodile in the Nile, and asked to save a maiden from an evil knight's castle. Holey cheese! It was an adventure through history!

From beloved author-illustrator Liz Climo comes an adorable story about a young dinosaur who wants to go on an adventure without his caring father for the first time! Meet Rory the Dinosaur. He loves spending time with his dad, but today he wants to go on an adventure all on his own. Rory can't wait to tell his dad about all the things he's doing by himself, like crossing rivers and finding shelter from the rain. But little does Rory know, his father is never far behind. There's nothing Rory's dad won't do for his intrepid son. Liz Climo celebrates the bond between father and child with her adorable, deceptively simple illustrations in this timeless story of a child's quest for independence. The author of The Mental Load returns with more "visual essays which are transformative agents of change." After the success of The Mental Load, Emma continues in her new book to tangle with issues pertinent to women's experiences, from consent to the "power of love," from the care and attentiveness that women place on others' wellbeing and social cohesion, and how it constitutes another burden on women, to contraception, to the true nature of gallantry, from the culture of rape to diets, from safety in public spaces to retirement, along with social issues such as police violence, women's rights, and green capitalism. And, once more, she hits the mark.

From renowned pop-up masters Robert Sabuda and Matthew Reinhart comes an awe-inspiring tribute to the world's most beloved extinct animals and their 180-million-year reign on our planet. Open this book and a massive T. REX springs out, flashing a startling jawful of jagged teeth. Turn the next spread and a ravishing raptor unfurls and appears to fly off the edge of the page. Inside the amazing ENCYCLOPEDIA PREHISTORICA: DINOSAURS are "shield bearers" in full-body armor, creatures with frilly headgear, and weighty, long-necked giants. There are even amusing tidbits on the history of paleontology itself — like a pop-up version of a Victorian New Year's dinner in the belly of a dinosaur model, or a pair of scientists locked in a literal tug-of-war over bones. Full of fascinating facts and lighthearted good humor, this breathtaking book includes fascinating, up-to-the-minute information about popular dinosaurs as well as many lesser-known varieties. With each of six spreads featuring one spectacular, large pop-up as well as booklets of smaller pop-ups and text, ENCYCLOPEDIA PREHISTORICA: DINOSAURS is a magnificent display of paper engineering and creativity — an astonishing book that will be read, admired, and treasured forever.
