

English Collocations In Use Intermediate Michael Mccarthy

Teaching English covers all of the major issues and current trends in language learning and teaching, such as the trends toward empiricism, constructivism, differentiation, learner- and output-orientation, intercultural learning, and the use of multimedia. This book bridges the gap between the suggestions of theoretical approaches to foreign language teaching and the practical needs of both the educators (regardless of the institutions they are teaching and the experiences they have gathered) as well as the students. It will help readers profit from the materials and reflected practices for use in their own classrooms. And lastly, the book offers optimal preparation for exams in university courses and in teacher-training seminars.

Primarily designed as a self-study reference and practice book, it can also be used for classroom work. The book covers a wide range of business topics including Jobs, People and Organisations, Production, Marketing, Finance and the Economy and Business Culture. Business skills covered include Meetings, Negotiating and Presentations. 66 easy-to-use units.

"Master English Collocations & Phrasal verbs: The Ultimate Phrasal Verbs and Collocations Book for Learning English" is ideal for anyone who has problems understanding, remembering and using collocations and phrasal verbs in English, and who wants to speak English fluently and confidently. Don't waste hours upon hours researching words and trying to understand their exact meaning. This book will make your learning more efficient with less of your own effort, which means more spare time to review other concepts. This book has been written for quick reference, in order to avoid it becoming too heavy and theoretical. This is not an exhaustive list of collocations or phrasal verbs in English, it's a curated list of some of the most common ones.

Check Your Vocabulary workbooks are aimed at non-native speakers who want to build essential vocabulary and learn to speak fluent and natural-sounding English. For example, in English we use different words to describe different types of food when they go bad. We can describe meat as rotten, cheese as mouldy, milk as sour and butter as rancid - but we would not say sour meat, or rotten milk. Knowing how words are naturally used together is known as collocation. A good knowledge of these word combinations greatly improves the style of written and spoken language for non-native speakers. Knowledge of collocations is often tested in exams such as IELTS, TOEFL and TOEIC. Containing a range of word games, quizzes and exercises, this workbook will help intermediate learners to develop core language skills in a challenging, yet entertaining way.

The words you need to communicate with confidence. Vocabulary explanations and practice for upper-intermediate level (B2) learners of English. Perfect for both self-study and classroom activities. Quickly expand your vocabulary with over 100 units of easy to understand explanations and practice exercises. Be confident about what you are learning, thanks to Cambridge research into how English is really spoken and written, and get better at studying by yourself, with units on learning vocabulary, personalised practice and an easy to use answer key.

This dictionary for intermediate-advanced level learners of English as a foreign language, combines a collocations (combination of words used) dictionary with a thesaurus, ensuring English learners choose the correct word and collocation every time.

This book is also perfect for preparing for Cambridge exams and IELTS, which often test knowledge of collocations.

Make an Impact with your Written English deals with the English business writing you need to take you a step further in your executive career. The book also helps organizations stand apart by getting noticed for the right reasons, whatever the target audience. It focuses on writing English as a key business tool and how clear, concise messages are a must in international business today. Yet the fewer words you use, the more important it is to get them right. So the book focuses on word power: to promote and sell your messages - as well as 'brand you' and your organizational brand. An essential read, full of invaluable advice and checklists for native and non-native English writers who need to brush up their skills in writing English for sales, PR, presentations, reports, minutes, manuals and the web etc.

This book presents and practises over 1000 of the most useful and frequent idioms in typical contexts. This reference and practice book looks at the most colourful and fun area of English vocabulary - idioms. This book will appeal to students at advanced level who want to understand and use the English really used by native speakers, and students

preparing for higher level exams, such as CAE, CPE and IELTS. Over 1,000 of the most useful and frequent idioms, which learners are likely to encounter are presented and practised in typical contexts, so that learners using this book will have hundreds of idioms 'at their fingertips'.

A four-level skills series for adults and young adults. Learners can develop the skills they need to write English confidently wherever they are - at home, at work, travelling, studying or just in social situations with English-speaking friends. This edition comes without answers.

An invaluable new reference book for learners who need to master this notoriously difficult aspect of the English language. Based on evidence from the Cambridge International Corpus, this book provides clear and simple explanations of over 4,500 phrasal verbs current in British, American and Australian English today. It uses a carefully controlled defining vocabulary, making all explanations easy to understand. It contains thousands of example sentences, showing phrasal verbs in context and gives clear information on grammar and collocation without using complicated codes. In addition, it gives students guidance on the most useful phrasal verbs to learn and includes exercises enabling students to practise phrasal verbs. It also contains theme panels presenting phrasal verbs in topic groups [e.g. relationships: chat up, ask out, settle down, split up].

Collocations are combinations of words which frequently appear together. Using them makes your English sound more natural.
