

English Composition 1 English Language Teaching

English Composition Teacher's Guidebook: How to Survive (and Even Thrive) as a Part-time or Adjunct Instructor is a practical and motivational handbook for the multitudes of itinerant English adjunct and part-time instructors who travel between multiple colleges and universities teaching English composition to students from different cultures and age groups. The book offers advice and recommendations that are geared specifically for this audience together with sufficient ready-to-use teaching material for a semester-long first-year composition course. The author uses imagined collegial conversations over coffee and hiking and coaching themes to draw lessons for teachers, beginning each chapter with a vignette based on his experiences hiking in scenic locations. The book contains materials for students that can be projected or copied as handouts, including work on sentence combining and analysis as well as topics, peer response sheets, and assessment rubrics for essay assignments. Both the hiking vignettes and classroom activities are illustrated by photographs which add to the interest and enjoyment of reading this book.

For the 2020 Exam! AP® English Language & Composition Crash Course® A Higher Score in Less Time! Crash Course is perfect for the time-crunched student, the last-minute studier, or anyone who wants a refresher on the subject. Are you crunched for time? About the Author Dawn Hogue has taught all levels of high school English and was an AP® English teacher for the Sheboygan Falls School District, Sheboygan Falls, Wisconsin for many years. Ms. Hogue received her B.A. in English, graduating Summa Cum Laude, from Lakeland College, Sheboygan, Wisconsin. She earned her M.A. in Education from Lakeland College, Sheboygan, Wisconsin, and her M.S. in Educational Leadership from Cardinal Stritch University, Milwaukee, Wisconsin. She is interested in promoting technology and web resources in the classroom and maintains a website (www.mshogue.com) for that purpose. English Language and Composition Crash Course is the second Crash Course Ms. Hogue has written for REA. She is also the author of English Literature and Composition Crash Course.

Guide to how "elements of style" function in the composition and editing process of writing. Useful for any student from middle school through college as a quick-reference writing tool.

Teaching and Learning in English Language and Composition: Advanced Placement and Beyond is a collection of chapters written by three veteran teachers, each of whom has taught for over 40 years at both the high school and the college level and all of whom have held leadership positions in the Advanced Placement English Language and Composition Program. The chapters dig deep into the intricacies of teaching close, critical reading; unpack insights into using traditional rhetorical forms and canons; and explore a miscellany of issues related to teaching research, fostering student inquiry, and developing effective practices of assessment. While the authors acknowledge and build on their backgrounds with Advanced Placement, the book is not solely focused on issues related to AP. Instead, the book speaks to all secondary and post-secondary English teachers who seek to enfranchise their students as well-informed, savvy consumers and producers of texts, both verbal and visual.

George Orwell set out 'to make political writing into an art', and to a wide extent this aim shaped the future of English literature – his descriptions of authoritarian regimes helped to form a new vocabulary that is fundamental to understanding totalitarianism. While 1984 and Animal Farm are amongst the most popular classic novels in the English language, this new series of Orwell's essays seeks to bring a wider selection of his writing on politics and literature to a new readership. In Politics and the English Language, the second in the Orwell's Essays series, Orwell takes aim at the language used in politics, which, he says, 'is designed to make lies sound truthful and murder respectable, and to give an appearance of solidity to pure wind'. In an age where the language used in politics is constantly under the microscope, Orwell's Politics and the English Language is just as relevant today, and gives the reader a vital understanding of the tactics at play. 'A writer who can – and must – be rediscovered with every age.' — Irish Times

AP® is a trademark registered and/or owned by the College Board, which was not involved in the production of, and does not endorse, this product.

"[A] THOUGHTFUL AND HEARTFELT BOOK...A literary cri de coeur--a lament for literature and everything implicit in it." --The Washington Post In our zeal to embrace the wonders of the electronic age, are we sacrificing our literary culture? Renowned critic Sven Birkerts believes the answer is an alarming yes. In The Gutenberg Elegies, he explores the impact of technology on the experience of reading. Drawing on his own passionate, lifelong love of books, Birkerts examines how literature intimately shapes and nourishes the inner life. What does it mean to "hear" a book on audiotape, decipher its words on a screen, or interact with it on CD-ROM? Are books as we know them dead? At once a celebration of the complex pleasures of reading and a boldly original challenge to the new information technologies, The Gutenberg Elegies is an essential volume for anyone who cares about the past and future of books. "[A] wise and humane book....He is telling us, in short, nothing less than what reading means and why it matters." --The Boston Sunday Globe "Warmly elegiac...A candid and engaging autobiographical account sketches his own almost obsessive trajectory through avid childhood reading....This profoundly reflexive process is skillfully described." --The New York Times Book Review "Provocative...Compelling...Powerfully conveys why reading matters, why it is both a delight and a necessity." --The Harvard Review

The Critical Reader: AP(R) English Language and Composition Edition provides a comprehensive review of all the reading and writing skills tested on this exam. Includes a complete chapter dedicated to each multiple-choice reading question and essay type, as well as dozens of exercises that allow students to practice each concept individually. In addition, sample essays accompanied by detailed scoring analyses demystify the College Board rubric and help students master the components necessary to produce a high-scoring response.

When you Read Like a Writer (RLW) you work to identify some of the choices the author made so that you can better understand how such choices might arise in your own writing. The idea is to carefully examine the things you read, looking at the writerly techniques in the text in order to decide if you might want to adopt similar (or the same) techniques in your writing. You are reading to learn about writing. Instead of reading for content or to better understand the ideas in the writing (which you will automatically do to some degree anyway), you are trying to understand how the piece of writing was put together by the author and what you can learn about writing by reading a particular text. As you read in this way, you think about how the choices the author made and the techniques that he/she used are influencing your own responses as a reader. What is it about the way this text is written that makes you feel and respond the way you do?

This text is a transformation of Writing for Success, a text adapted by The Saylor Foundation under a Creative Commons Attribution-NonCommercial-ShareAlike 3.0 License without attribution as requested by the work's original creator or licensee. Kathryn Crowther, Lauren Curtright, Nancy Gilbert, Barbara Hall, Tracienne Ravita, and Kirk Swenson adapted this text under a grant from Affordable Learning Georgia to Georgia Perimeter College (GPC, now part of Georgia State University) in 2015. Section 1.3 was authored by Rebecca Weaver. This text is a revision of a prior adaptation of Writing for Success led by Rosemary Cox in GPC's Department of English, titled Successful College Writing for GPC Students (2014, 2015). Georgia Northwestern Technical College adapted this textbook for English 1101. Georgia Northwestern Technical College is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award associate degrees. You can see the latest version at <https://oer.galileo.usg.edu/english-textbooks/8/>

"Making Literature Matter" combines an innovative writing text with a uniquely organized anthology for introductory literature courses that emphasize critical thinking and writing. The third edition addresses new trends in literature and composition, with more instruction on writing arguments and unique clusters that pair literary and visual texts for analysis. What happened to the bold, kinky promise of writing instruction in the 1960s? The current conservative trend in composition is analyzed allegorically by Geoffrey Sirc in this book-length homage to Charles Deemer's 1967 article, in which the theories and practices of Happenings artists (multi-disciplinary performance pioneers) were used to invigorate college writing. Sirc takes up Deemer's inquiry, moving through the material and theoretical concerns of such pre- and post-Happenings influences as Duchamp and Pollock, situationists and punks, as well as many of the Happenings artists proper. With this book, already a cult classic, began a neo-avant-garde for composition studies. Winner of the Ross W. Winterowd Award for most outstanding book in composition theory.

Wiley AP English Language and Composition John Wiley & Sons

Cover all the essential content and prepare students for the AP English Language and Composition exam through a perfect blend of engaging nonfiction readings, written by both classic and contemporary writers, and practical writing instruction. Scaffolded activities develop student competence in close reading, rhetorical analysis, and critical composition and revision skills. Students learn to develop key rhetoric, argument, and synthesis skills and apply strategic stylistic choices at the college level. Track student progress with unit reviews, assessments, and a full-length AP practice exam modeled on the new course and exam description.

This OER textbook has been designed for students to learn the foundational concepts for English 100 (first-year college composition). The content aligns to learning outcomes across all campuses in the University of Hawai'i system. It was designed, written, and edited during a three day book sprint in May, 2019.

In addition to test-taking techniques and the information required by the test - such as literary definitions and essay structure - you will find complete lessons that teach you the skills demanded by this test. The instructional passages of this book teach you critical reading skills by using material beyond the range of the AP exam. You will be taught by lesson and example how to write high--scoring essays that demonstrate all you have learned. To complement the chapters on critical reading, Chapter 4 focuses on the test itself and prepares you for it specifically. Everything you need to know for the test is encapsulated in this chapter. You will find helpful facts about the AP exam, along with a breakdown of the questions into easily recognizable types. As the time of the test approaches, you will be able to concentrate on this chapter for the most time-efficient preparation. Our book also provides three full-length practice tests. Our exams include thorough explanations of the answers for added instruction and self-diagnosis of problem areas. We also include a glossary of literary terms with 65 entries, all fully defined. About the Test The Advanced Placement Examination in English Language & Composition is geared toward the student who has studied the mechanics of writing and rhetoric at an advanced level, and wishes to pursue college credit. Take care not to confuse the AP Examination in English Language & Composition with the AP Examination in Literature & Composition. The Literature exam focuses on literature and literary criticism, while the Language exam deals with writing as a craft. This book is designed to help you prepare for the AP Examination in English Language & Composition only. The AP English Language & Composition Exam is divided into two sections: Section 1 - Multiple-Choice (60 minutes - accounts for 45% of total score) Five or six reading passages, with an average of 10 questions each. Section 2 - Free-Response (up to 120 minutes - accounts for 55% of total score) Three essay questions. The first section consists of five or six reading passages and sixty multiple-choice questions, which you will have one hour to complete. Each passage will be followed by an average of ten questions and thereafter the passage will not be referred to again. Do not feel pressured to remember each reading - just digest them one at a time and move on. After reading the passage, you will have approximately one minute to answer each question. The second section of the AP English Language & Composition Exam consists of three essay questions, and is divided such that you will have forty minutes to write each essay. Do not expect to be able to go back to an essay after the allotted time has elapsed. Note that each essay has very specific

instructions, and most have a passage which you will read critically to answer the essay question. Your essays will be scored according to the essay structure, the clarity of your writing, and the extent to which you have answered the question. Scoring the Exam The multiple-choice section of the exam is scored by crediting each correct answer with one point and deducting one-fourth of a point for each incorrect answer. Unanswered questions receive neither a credit nor a deduction. The free-response essays are graded by more than 5,000 instructors and professors who gather together each June for a week of non-stop AP essay grading. Each essay booklet is read and scored by four graders. Each grader provides a score for the individual essays. This score is a number on a scale from 0 to 9, 0 being the lowest and 9 the highest. The graders are not aware of each other's scores. When the essays have been graded four times, the scores are averaged - one score for each of the three essays - so that the free-response section is composed of three scores. The three essays are weighted equally, and the total weight of the free-response section is fifty-five percent of the total score. The multiple-choice section accounts for forty-five percent of the total score. Each year the overall grades may fluctuate because the grading scale depends upon the performance of students in past AP administrations. The following method of scoring, along with the corresponding chart, will give you an approximation of your score. It will not indicate the exact score you would get on the actual AP English Language & Composition Exam

Make sure you're studying with the most up-to-date prep materials!
