#1 NATIONAL BESTSELLER \* INSTANT NEW YORK TIMES BESTSELLER “T. J. Newman has written the perfect thriller! A must-read.” —Gillian Flynn “Stunning and relentless. This is Jaws at 35,000 feet.” —Don Winslow “Falling is the best kind of thriller...Nonstop, totally authentic suspense.” —James Patterson “Amazing...Intense suspense, shocks, and scares...Chilling.” —Lee Child You just boarded a flight to New York. There are one hundred and forty-three other passengers onboard. What you don’t know is that thirty minutes before the flight your pilot’s family was kidnapped. For his family to live, everyone on your plane must die. The only way the family will survive is if the pilot follows his orders and crashes the plane. Enjoy the flight.

Above and Beyond is a gripping expose of the world of the mega-rich.

In this timely and lively look at the act of toppling monuments, the popular historian and author of Blood and Sand explores the vital question of how a society remembers—and confronts—the past. In 2020, history came tumbling down. From the US and the UK to Belgium, New Zealand, and Bangladesh, Black Lives Matter protesters defaced, and in some cases, hauled down statues of Confederate icons, slaveholders, and imperialists. General Robert E. Lee, head of the Confederate Army, was covered in graffiti in Richmond, Virginia. Edward Colston, a member of Parliament and slave trader, was knocked off his plinth in Bristol, England, and hurled into the harbor. Statues of Christopher Columbus were toppled in Minnesota, burned and thrown into a lake in Virginia, and beheaded in Massachusetts. Belgian King Leopold II was set on fire in Antwerp and doused in red paint in Ghent. Winston Churchill’s monument in London was daubed with the word “racist.” As these iconic effigies fell, the backlash was swift and intense. But as the past three hundred years have shown, history is not erased when statues are removed. If anything, Alex von Tunzelmann reminds us, it is made. Exploring the rise and fall of twelve famous, yet now controversial statues, she takes us on a fascinating global historical tour around North America, Western and Eastern Europe, Latin America and Asia, filled with larger than life characters and dramatic stories. Von Tunzelmann reveals that statues are not historical records but political statements and distinguishes between statuary—the representation of “virtuous” individuals, usually “Great Men”—and other forms of sculpture, public art, and memorialization. Nobody wants to get rid of all memorials. But Fallen Idols asks: have statues had their day?

The Cabin Crew Interview Made Easy isn't so much a training program as it is an implementation program. Aspiring cabin crew candidates will learn step-by-step strategies to succeed at any cabin crew interview with ease and in the shortest time possible

Taking readers step-by-step through the major issues surrounding the use of English in the global aviation industry, this book provides a clear introduction to turning research into practice in the field of English for Specific Purposes (ESP), specifically Aviation English, and a valuable case study of applied linguistics in action. With both cutting-edge research and evidence-based practice, the critical role of English in aviation is explored across a variety of contexts, including the national and global policies impacting training and language assessment for pilots, air-traffic controllers, ground staff, and students. English in Global Aviation teaches readers how to apply linguistic research to real world, practical settings. The book uses a range of corpus-based findings and related research to provide an effective analysis of the language needs of the aviation industry and an extended look at linguistic principles in action. Readers are presented with case studies, transcriptions, radiotelephony, and a clear breakdown of the common vocabulary and phrasal patterns of aviation discourse. Students and teachers of both linguistics and aviation will discover the requirements and challenges of successful intercultural communication in this industry, as well as insights into how to teach, develop, and assess aviation English language courses.

When Simon Majumdar hit forty, he realized there had to be more to life than his stable but uninspiring desk job. As he wondered how to escape his career, he rediscovered a list of goals he had scrawled out years before, the last of which said: Go everywhere, eat everything. With that, he had found his mission -- a yearlong search for the delicious, and curious, and the curiously delicious, which he names Eat My Globe and memorably chronicles in these pages. In Majumdar's world, food is everything. Like every member of his family, he has a savant's memory for meals, with instant recall of dishes eaten decades before. Simon's unstoppable wit and passion for all things edible (especially those things that once had eyes, and a face, and a mom and a pop) makes this an armchair traveler's and foodie's delight -- Majumdar does all the heavy lifting, eats the heavy foods (and suffers the weighty consequences), so you don't have to. He jets to thirty countries in just over twelve months, diving mouth-first into local cuisines and cultures as different as those of Japan and Iceland. His journey takes him from China, where he consumes one of his "Top Ten Worst Eats," stir-fried rat, to the United States, where he glories in our greatest sandwiches: the delectable treasures of Katz's Delicatessen in Manhattan, BBQ in Kansas and Texas, the still-rich po' boys of post-Katrina New Orleans. The meat of the story -- besides the peerless ham in Spain, the celebrated steaks of Argentina, the best of München's wursts as well as their descendants, the famous hot dogs of Chicago -- is the friends that Simon makes as he eats. They are as passionate about food as he is and are eager to welcome him to their homes and tables, share their choicest meals, and reveal their local secrets. Also a poignant memoir, Eat My Globe is a life told through food and spiced with Majumdar's remembrances of foods past, including those from his colorful childhood. (Raised in Northern England, he is the son of a fiery Welsh nurse and a distinguished Bengali surgeon.) A captivating look at one man's passion for food, family, and unique life experiences, Eat My Globe will make you laugh -- while it makes you hungry. It is sure to satiate any gastronome obsessed with globetrotting -- for now.

Buku ini adalah edisi pertama English for Airline yang Penulis tulis, karena masih ada edisi-edisi pelengkap lainnya yang akan banyak membantu dalam percakapan Bahasa Inggris di dunia penerbangan. Tentunya, seluruh penjelasan istilah dalam buku ini telah dikaji secara mendalam, walaupun tidak lepas dari kekurangan. Kedepan, penulis akan terus belajar dan menerima masukan untuk kebaikan buku ini.

A gripping, real-life drama that reveals the true story of a plane full of unsuspecting passengers who landed in a war zone and were delivered into the hands of a murderous dictator. On August 1, 1990, Flight 149 was scheduled for its routine London-to-Kuala Lumpur run. But when the plane, carrying 385 passengers and crew, landed at a Kuwait airport to refuel that day, it was surrounded by Iraqi tanks and about to be bombed by fighter jets. The passengers and crew were kept as hostages and suffered brutal treatment including violent attacks, sexual assaults, and mock executions. When the survivors were eventually released, they were never told why their plane landed in the middle of an invasion, or who a mysterious team of late arrivals on the flight might have been. Their story was overshadowed by the ensuing Gulf War. Until now. In Flight 149, Stephen Davis draws on unique witness accounts from the hostages, and uncovers the lies and coverups orchestrated by the British secret service and CIA. This story reveals an astonishing misuse of intelligence that changed the course of history and forever altered the relationship between the West and the Middle East.

Heard the one about the airline that has introduced 'corpse cupboards' on new planes to cope with the number of people who die in the air? Heard the story about the First Class air hostess who got fired for sitting on the face of a passenger during a long haul flight? Heard about the amount of knickers and false teeth that are left behind in the body of the plane? Heard how pissed-off stewards put laxatives in your drinks? Heard about the pilot who ran out of runway? Heard of the disabled passengers who miraculously walk again? No? Then you haven't read Air Babylon. Do you know the best place to have sex on a plane? Do you know how to dress for an upgrade? Do you know that one drink in the air equals three on the ground? Do you know who is checking you in? Who is checking you out? Do you know exactly what happens to your luggage once it leaves your sight? Is it secure? Are you safe? Do you really know anything about the business that you entrust your life to several times a year? Air Babylon is a trawl through the highs, the lows, and the rapid descents of the travel industry. It catalogues the births, the deaths, the drunken brawls, the sexual antics, and the debauchery behind the scenes of the ultimate service industry - where the world is divided into those who wear the uniform and those who don't...

Presented in a handy question-and-answer format, this practical guide to airline travel draws on the expertise of a commercial airline pilot to provide valuable information on safety, security screening, passenger health, aerodynamics, and many other topics, accompanied by a glossary of common buzzwords for travelers. Original.

This comprehensive book is useful for Air India Cabin Crew Recruitment examination for the purpose of Study and practice of questions based on the latest pattern of the examination.

Detailed Explanatory Answers have also been provided for the selected questions for Better Understanding of the Candidates.

A NEW YORK TIMES BESTSELLER A WALL STREET JOURNAL BESTSELLER A USA TODAY BESTSELLER A NATIONAL INDIEBOUND BESTSELLER From the author of The Guest Room, a powerful story about the ways an entire life can change in one night: A flight attendant wakes up in the wrong hotel, in the wrong bed, with a dead man - and no idea what happened. Cassandra Bowden is no stranger to hungover mornings. She's a binge drinker, her job with the airline making it easy to find adventure, and the occasional blackouts seem to be inevitable. She lives with them, and the accompanying self-loathing. When she awakes in a Dubai hotel room, she tries to piece the previous night back together, counting the minutes until she has to catch her crew shuttle to the airport. She quietly slides out of bed, careful not to aggravate her already pounding head, and looks at the man she spent the night with. She sees his dark hair. His utter stillness. And blood, a slick, still wet pool on the crisp white sheets. Afraid to call the police - she's a single woman alone in a hotel room far from home - Cassie begins to lie. She lies as she joins the other flight attendants and pilots in the van. She lies on the way to Paris as she works the first class cabin. She lies to the FBI agents in New York who meet her at the gate. Soon it's too late to come clean-or face the truth about what really happened back in Dubai. Could she have killed him? If not, who did? Set amid the captivating world of those whose lives unfold at forty thousand feet, The Flight Attendant unveils a spellbinding story of memory, of the giddy pleasures of alcohol and the devastating consequences of addiction, and of murder far from home.
