Basic English Grammar Betty Schramper Azar, Stacy A. Hagen, 2007-11 This pack consists of the Basic English Grammar B Student Book and the Workbook B. Blending communicative and interactive approaches with tried-and-true grammar teaching, *Basic English Grammar, Third Edition*, by Betty Schramper Azar and Stacy A. Hagen, offers concise, accurate, level-appropriate grammar information with an abundance of exercises, contexts, and classroom activities. Features of *Basic English Grammar, Third Edition*: Increased speaking practice through interactive pair and group work. New structure-focused listening exercises. More activities that provide real communication opportunities. Added illustrations to help students learn vocabulary, understand contexts, and engage in communicative language tasks. New Workbook solely devoted to self-study exercises. New Audio CDs and listening script in the back of the Student Book.

Understanding and Using English Grammar Betty Schramper Azar, Stacy A. Hagen, 2009 The Workbook consists solely of self-study exercises, with answers included, providing students the opportunity to explore and practice grammar independently. It is keyed to explanatory grammar charts in both the Student Book and the Chartbook. *Understanding and Using English Grammar* is a classic developmental skills text for intermediate to advanced English language learners.

Fundamentals of English Grammar Betty Schramper Azar, 2007 A classic developmental skills text for lower-intermediate to intermediate students of English, *Fundamentals of English Grammar* is a reference grammar as well as a stimulating and teachable classroom text. While keeping the same basic approach and material as in earlier editions, the Third Edition more fully develops communicative and interactive language-learning activities. Some of the new features are: Numerous real communication opportunities More options for interactive work in pairs and groups Additional open-ended communicative tasks for both speaking and writing Expanded error-analysis exercises Interesting and lively new exercise material New appendices for phrasal verbs and prepositions The program components include the Student Book, Workbook, Chartbook, Teacher's Guide, and Companion Website. For an online workbook, see *Fundamentals of English Grammar Interactive*.

Understanding and Using English Grammar Betty Schramper Azar, 2004 The text for intermediate through advanced students provides a presentation of grammar in terms to students. Grammar explanations teach situationally appropriate English, both formal and colloquial and make distinctions between British and American usage. Each presentation is followed

by graded activities that promote speaking, listening, and writing skills. The edition features an improved organization, expansion and/or clarification of grammar points, more illustrations and exercises. It is now available in split editions with accompanying workbooks and teacher's manuals.

An Introduction to English Grammar Gerald Nelson, Sidney Greenbaum, 2013-11-04 An Introduction to English grammar provides a comprehensive overview of all aspects of English grammar, and can be used in the classroom, for self-study, or as a reference book. The book is organized in two parts - on grammar and its applications - and provides everything a beginning student needs to get to grips with the theory and practice of English usage, including sections on style, punctuation and spelling. This third edition has been fully revised and updated to include an expanded section on English in Use, usage notes highlighting common errors, updated exercises, a glossary and a companion website with further graded exercises.

English Grammar in Use Raymond Murphy, 2012 English Grammar in Use, Fourth edition, is an updated version of the world's best-selling grammar title. It has a fresh, appealing new design and clear layout, with revised and updated examples, but retains all the key features of clarity and accessibility that have made the book popular with millions of learners and teachers around the world. The CD-ROM (Version 1.0) contains lots of additional practice exercises to consolidate learning, ideal for self-study but also suitable for reinforcement work in the classroom. An online version and book without answers are available separately.

Fundamental Greek Grammar James W. Voelz, 2007 Revised to include typographical corrections, this linguistically

and educationally sound third edition is a first-year textbook that gives a solid overview of New Testament grammar and vocabulary. This book takes a fundamental approach, moving from the known to the unknown, from the easy to the difficult.

Basic English Grammar Betty S. Azar, Stacy A. Hagen, 2017-01-19 *Basic English Grammar* is a classic developmental skills text for beginning students of English as a second or foreign language. It uses a grammar-based approach integrated with communicative methodologies to promote the development of all language skills. While keeping the same basic approach and materials as in earlier editions, the fourth edition continues to build on the foundation of understanding form and meaning by engaging students in meaningful communication about real actions, real things, and their own lives in classroom context. Several of the new features are: Information in the grammar charts highlighting important differences between spoken and written English; Step-by-step writing activities with models for students to follow; Innovative warm-up exercises that precede the grammar charts and introduce points to be taught; Newly created exercises to give students more incremental grammar practice; Structure-based listening exercises that introduce students to relaxed, reduced speech--Page 4 of cover.

Basics of Biblical Greek Grammar William D. Mounce, 2009-12-15 *Basics of the Biblical Greek* is an entirely new, integrated approach to teaching and learning New Testament Greek. It makes learning Greek a natural process and shows from the very beginning how an understanding of Greek helps in understanding the New Testament. *Basics of Biblical Greek*: combines the best of the deductive and the inductive approaches, explains the basics of English grammar before teaching Greek grammar, uses from the very beginning parts of verses from the New Testament instead of 'made-up' exercises, includes at the beginning of every lesson a brief devotional, written by a well-known New Testament scholar, that demonstrates how the principles taught in the lesson apply directly to an understanding of the biblical text, is the most popular first-year Greek course used in colleges and seminaries today, comes with an interactive study aid CD-ROM, containing an eight-minute greeting from the author and the fun, helpful, and graphical vocabulary-memorizing program 'Learning the Basics of Biblical Greek' (runs on Power Mac and Windows 95), where you can hear Greek words pronounced and sung in more than 200 familiar hymns. The CD-ROM also contains the powerful Greek vocabulary-drilling programs Flashworks(TM) and Parseworks from Teknia Language Tools (runs on Macintosh and Windows 3.1 and 95). A separate workbook is also available. And complimentary teacher helps are located on the author's website (<http://www.homeschooling.org>).
