Basic Grammar in Use, Third edition, is the lower-level text in the Grammar in Use series. It focuses on the fundamental grammar structures normally taught in basic or introductory courses. Each of the 116 units in the Student's Book is presented in a two-page spread, with simple explanations on the left-hand page and practice exercises to check understanding on the right. This edition, without answers, is ideal for classroom use.

This is an adaptation of Essential Grammar in Use for Thai elementary learners.

English Grammar in Use is a unique combination of reference grammar and practice book for intermediate students (including both lower and upper-intermediate). Designed as a self-study book, it will enable learners to select and study at their own speed those grammar points which they find confusing and want to clarify. All the traditional grammar problems which intermediate students encounter e.g. tenses, modals, prepositions etc., are thoroughly covered. The page layout of each unit makes for ease of use, with the grammar point explained on the left-hand page and exercises to practise it on the right-hand page. There are 130 units in all, and a contents list and detailed index ensure that students can easily find the units they
