

English Grammar In Use Raymond Murphy

Basic Grammar in Use, Third edition, is the lower-level text in the Grammar in Use series. It focuses on the fundamental grammar structures normally taught in basic or introductory courses. Each of the 116 units in the Student's Book is presented in a two-page spread, with simple explanations on the left-hand page and practice exercises to check understanding on the right. This edition, without answers, is ideal for classroom use.

The world's best-selling grammar series for learners of English. To accompany Essential Grammar in Use Fourth edition, Essential Grammar in Use Supplementary Exercises provides elementary-level learners with extra practice of the grammar covered in the main book. The easy-to-follow exercises and full answer key make this supplementary book ideal for independent study. Extra activities for Essential Grammar in Use are also available as a mobile app for smartphones and tablet devices, available to purchase separately from the App Store (iOS) and Google Play (Android). This American English edition of English Grammar in Use can be used both as a classroom text and as a grammar reference for students. Each unit deals with a particular grammar point (or points), providing clear explanations and examples on the left-hand page, with exercises to check understanding on the facing right-hand page. The book covers many of the problems intermediate students of American English encounter, including tense usage, modals, conditionals, the subjunctive and prepositions. A separate answer key is available for self-study, individual work in the language laboratory and as an easy reference for teachers.
