The Oxford English-Hebrew Dictionary is a detailed guide to current usage in English and Hebrew. In addition to a full range of idioms and phrases, slang and colloquialisms, the dictionary offers comprehensive coverage of technical, scientific, legal, medical, and academic terminology. Care has also been taken to record British, American, and Australian variants. Both the presentation and content of the dictionary are designed to guide the reader through the pitfalls of varying register and context; clearly labelled senses and numerous example phrases ensure maximum clarity and accessibility. The result is an essential reference tool for English and Hebrew users alike. The Oxford English-Hebrew Dictionary was compiled and edited at the Oxford Centre for Hebrew and Jewish Studies.

Essay by Donald Kuspit The first monograph by famed actor and director Leonard Nimoy, this eerily beautiful photographic study of the female form reveals Nimoy's intrigue with Old Testament mythology and ancient spirituality. The Shekhina, described by the Kabbala as God's feminine counterpart, is understood by mystics to be a crucial element of both divine and human spirit, symbolising the creativity and wisdom without which no being is complete. Here, Nimoy uses 50 duotone photos as an exhaustive investigation of his own spirituality.

This concise reference provides the means for basic communication in Hebrew, and includes a two-way dictionary and a phrasebook covering topics such as introductions, food and drink, transportation, and other aspects of daily life. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

This innovative dictionary makes the Hebrew language more accessible to students by eliminating the formidable barrier of the Hebrew alphabet. It's easy to locate words quickly with the Webster's New World Hebrew-English Dictionary, because the Hebrew-to-English section is alphabetized according to the transliterated English spelling. The English version is marked for correct pronunciation and followed immediately by the Hebrew spelling of the word. This breakthrough work of linguistic scholarship is packed with useful features that guarantee rapid progress, even for those with no familiarity with the Hebrew language. It contains: \* Extensive grammatical information including parts of speech, variant verb forms, and the formation of

feminines and plurals \* Listings of idioms and compounds and indications of colloquialisms and slang \* Common variations in pronunciations \* Geographical, historical and cultural entries

"The Dictionary of Classical Hebrew is a completely new and innovative dictionary. Unlike previous dictionaries, which have been dictionaries of biblical Hebrew, it is the first dictionary of the classical Hebrew language to cover not only the biblical texts but also Ben Sira, the Dead Sea Scrolls and the Hebrew inscriptions. This Dictionary covers the period from the earliest times to 200 CE. It lists and analyses every occurrence of each Hebrew word that occurs in texts of that period, with an English translation of every Hebrew word and phrase cited. Among its special features are: a list of the non-biblical texts cited (especially the Dead Sea Scrolls), a word frequency index for each letter of the alphabet, a substantial bibliography (from Volume 2 onward) and an English-Hebrew index in each volume." -- Publisher description.

This landmark dictionary proves that English words can be traced back to the universal, original language, Biblical Hebrew. Genesis II supports a 'Mother Tongue' thesis, and the Bible also claims that Adam named the animals. This may seem difficult to accept, but then why do the translations of the following animals' names: Skunk, Gopher, Giraffe and Horse actually have corresponding meanings in Biblical Hebrew, such as: Stinker, Digger, Neck and Plower? The

book features overwhelming data suggesting that the roots of all human words are universal, and that words have related synonyms and antonyms that must have been intelligently designed (perhaps by the designer of life himself!) The current hypothesis that language evolved from grunting ape-men may seem like the flat earth theory after reading this book. The 22,000 English-Hebrew links provide surprising evidence, and open new worlds of understanding, once we consider that all of these similar words could not be coincidences.

This book enables the pastor and the student to read the Hebrew Old Testament with relative ease. Appendixes list all Hebrew words occurring more than fifty times in the Old Testament and all Aramaic words occurring more than ten times. Created by leading educators, these colorful, large-size dictionaries introduce beginning language learners to more than 1,550 commonly taught basic words. Each Let's Learn Language Picture Dictionary in the series boasts 30 delightful two-page spreads that vividly illustrate the meanings of words. Fun-filled panoramas focus on scenes familiar to children aged three through eight, such as home life, the classroom, city life, sports, the zoo, and even outer space! Learners will love to revisit these detailed depictions of people, places, actions, and objects, each time improving their recall. Featured words are set off with individual illustrations and definitions to help learners at various levels build

vocabulary. Includes an index and glossary of all the individually illustrated words. An ideal selection of first word books for parents and teachers who want to encourage second language acquisition.

Learning Hebrew Becomes Easier with This Helpful Guide to Verbs and Their Roots The most commonly used Hebrew verbs are arranged alphabetically in a table format, with English translation, and presented in all forms. The book's additional features utilize example sentences and common idioms to demonstrate verb usage and how verbs function within the sentence. It includes: The 1531 most common Hebrew verbs, fully conjugated, grouped into 759 roots based on verb frequency The Hebrew roots and derived infinitives printed at the top of each page Less frequent verb forms realized in the relevant roots listed separately (citation forms only) Present participles, verbal nouns and infinitives (construct and absolute forms) Jussive forms of verbs that are significantly different from non-jussive ones Exemplary sentences presented for each verb-root group, with accompanying translations, followed by special expressions incorporating the relevant verbs Notes on usage register (literary, colloquial, slang, etc.) as well as on colloquial alternates of normative forms An enlightening explanatory essay discussing Hebrew verb formation and usage Root index, Hebrew-English Index, and English-Hebrew index, in alphabetical order.

Hebrew-English Torah: The Five books of Moses is a Study Edition of the traditional Masoretic text, placed next to the classic "word-for-word" Jewish translation; it features the most authoritative Hebrew text -- based on the Leningrad Codex and complete with cantillation marks, vocalization and verse numbers. The large format and the use of good paper are part of the design to allow a diligent Torah student to write on margins for more efficient learning. This printed edition comes with a free downloadable PDF edition of the title provided by Varda Books upon presenting to it the proof of purchase.

Whether you know Hebrew or not, this book will provide you with a quick reference resource for learning the meaning of many Hebrew words that lie beneath the English translations, which will open new doors for you into Biblical interpretation. The Hebrew language of the Bible must be understood from its original and Ancient Hebrew perspective. Our interpretation of a word like "holy" is an abstract idea, derived out of a Greco-Roman culture and mindset, which is usually understood as someone or something that is especially godly, pious or spiritual. However, the Hebrew word קדוש (qadosh) means, from an Ancient Hebrew perspective, unique and is defined in this dictionary as: "Someone or something that has, or has been given the quality of specialness, and has been separated from the rest for a special purpose." With this interpretation, we discover that the nation of Israel is not "holy," in the sense of godliness or piety, but is a unique and special people, separated from all others to serve God. This Biblical Hebrew dictionary contains the one thousand most frequent verbs and

Contains eighty thousand words and phrases and eighteen thousand idioms and expressions along with notes on English grammar.

The Dictionary of Basic Biblical Hebrew is a learner's tool for students of the English Bible who want to delve more deeply into the meaning of Scripture in its original language, an ideal source for any English reader who seeks a deeper understanding of the Bible. This unique and concise dictionary contains over 6,000 of the most common words of the Hebrew Bible. Fully cross-referenced by root and stem, the Hebrew entries are clearly identified by the part of speech, gender, and number. Proper names are also explained based on their root.

A landmark event: the complete Hebrew Bible in the award-winning translation that delivers the stunning literary power of the original. A masterpiece of deep learning and fine sensibility, Robert Alter's translation of the Hebrew Bible, now complete, reanimates one of the formative works of our culture. Capturing its brilliantly compact poetry and finely wrought, purposeful prose, Alter renews the Old Testament as a source of literary power and spiritual inspiration. From the family frictions of Genesis and King David's flawed humanity to the serene wisdom of Psalms and Job's incendiary questioning of God's ways, these magnificent works of world literature resonate with a startling immediacy. Featuring Alter's generous commentary, which quietly alerts readers to the

literary and historical dimensions of the text, this is the definitive edition of the Hebrew Bible.

A clear and concise work on the origins of Hebrew words and their sense development. Each of the c. 32,000 entries is first given in its Hebrew form, then translated into English and analyzed etymologically, using Latin transcription for all non-Latin scripts. This Etymological Dictionary of Biblical Hebrew is an indispensable source of biblical, Jewish, modern Hebrew and Near Eastern studies.,
