

English Hebrew Hebrew English Dictionary Regreb

The same as the original bestseller but in a smaller, more convenient, travel size that will fit in your bag.

"The Dictionary of Classical Hebrew is a completely new and innovative dictionary. Unlike previous dictionaries, which have been dictionaries of biblical Hebrew, it is the first dictionary of the classical Hebrew language to cover not only the biblical texts but also Ben Sira, the Dead Sea Scrolls and the Hebrew inscriptions. This Dictionary covers the period from the earliest times to 200 CE. It lists and analyses every occurrence of each Hebrew word that occurs in texts of that period, with an English translation of every Hebrew word and phrase cited. Among its special features are: a list of the non-biblical texts cited (especially the Dead Sea Scrolls), a word frequency index for each letter of the alphabet, a substantial bibliography (from Volume 2 onward) and an English-Hebrew index in each volume." -- Publisher description.

This concise reference provides the means for basic communication in Hebrew, and includes a two-way dictionary and a phrasebook covering topics such as introductions, food and drink, transportation, and other aspects of daily life. Featuring the Hebrew script and its transliteration in the Latin alphabet for easy pronunciation, it is an ideal language guide for students and travelers to Israel. * Over 5,500 entries * Pronunciation guide * Romanized Hebrew * A basic grammar * Essential phrases * Ideal for travelers, students, and businesspeople

This landmark dictionary proves that English words can be traced back to the universal, original language, Biblical Hebrew. Genesis II supports a 'Mother Tongue' thesis, and the Bible also claims that Adam named the animals. This may seem difficult to accept, but then why do the translations of the following animals' names: Skunk, Gopher, Giraffe and Horse actually have corresponding meanings in Biblical Hebrew, such as: Stinker, Digger, Neck and Plower? The book features overwhelming data suggesting that the roots of all human words are universal, and that words have related synonyms and antonyms that must have been intelligently designed (perhaps by the designer of life himself!) The current hypothesis that language evolved from grunting ape-men may seem like the flat earth theory after reading this book. The 22,000 English-Hebrew links provide surprising evidence, and open new worlds of understanding, once we consider that all of these similar words could not be coincidences.

A landmark event: the complete Hebrew Bible in the award-winning translation that delivers the stunning literary power of the original. A masterpiece of deep learning and fine sensibility, Robert Alter's translation of the Hebrew Bible, now complete, reanimates one of the formative works of our culture. Capturing its brilliantly compact poetry and finely wrought, purposeful prose, Alter renews the Old Testament as a source of literary power and spiritual inspiration. From the family frictions of Genesis and King David's flawed humanity to the serene wisdom of Psalms and Job's incendiary questioning of God's ways, these magnificent works of world literature resonate with a startling immediacy.

Featuring Alter's generous commentary, which quietly alerts readers to the literary and historical dimensions of the text, this is the definitive edition of the Hebrew Bible.

The Dictionary of Law with focus on business law and labor law with over 25,000 words covers the basic legal terminology. The English - Hebrew / Hebrew - English vocabulary provides assistance in translation and understanding of legal texts in English and Hebrew context. A simple defining style and a clear color layout ensure the dictionary is accessible and easy to use. This is a useful reference tool for all college and university students who need practical advice and tips to tackle their studies.

The Oxford English-Hebrew Dictionary is a detailed guide to current usage in English and Hebrew. In addition to a full range of idioms and phrases, slang and colloquialisms, the dictionary offers comprehensive coverage of technical, scientific, legal, medical, and academic terminology. Care has also been taken to record British, American, and Australian variants. Both the presentation and content of the dictionary are designed to guide the reader through the pitfalls of varying register and context; clearly labelled senses and numerous example phrases ensure maximum clarity and accessibility. The result is an essential reference tool for English and Hebrew users alike. The Oxford English-Hebrew Dictionary was compiled and edited at the Oxford Centre for Hebrew and Jewish Studies.

The Oxford English-Hebrew Dictionary Oxford University Press, USA

Essay by Donald Kuspit The first monograph by famed actor and director Leonard Nimoy, this eerily beautiful photographic study of the female form reveals Nimoy's intrigue with Old Testament mythology and ancient spirituality. The Shekhina, described by the Kabbala as God's feminine counterpart, is understood by mystics to be a crucial element of both divine and human spirit, symbolising the creativity and wisdom without which no being is complete. Here, Nimoy uses 50 duotone photos as an exhaustive investigation of his own spirituality.

The Dictionary of Basic Biblical Hebrew is a learner's tool for students of the English Bible who want to delve more deeply into the meaning of Scripture in its original language, an ideal source for any English reader who seeks a deeper understanding of the Bible. This unique and concise dictionary contains over 6,000 of the most common words of the Hebrew Bible. Fully cross-referenced by root and stem, the Hebrew entries are clearly identified by the part of speech, gender, and number. Proper names are also explained based on their root.

The Dictionary of Business and Finance with over 50,000 words covers the macroeconomic and microeconomic terminology of economy and financial markets. The English - Hebrew / Hebrew - English vocabulary provides assistance in translation and understanding of economic texts in English and Hebrew context. A simple defining style and a clear color layout ensure the dictionary is accessible and easy to use. This is a useful reference tool for all college and university students who need practical advice and tips to tackle their studies.
