"Testing your vocabulary needn't be boring! Use this book for self-study, or in the classroom, to check your progress as you build your vocabulary and become a confident speaker of English."--Editor.

Building on Michael Graves's bestseller, *The Vocabulary Book*, this new resource offers a comprehensive plan for vocabulary instruction that K–12 teachers can use with English language learners. It is broad enough to include instruction for students who are just beginning to build their English vocabularies, as well as for students whose English vocabularies are approaching those of native speakers. The authors describe a four-pronged program that follows these key components: providing rich and varied language experiences; teaching individual words; teaching word learning strategies; and fostering word consciousness. This user-friendly book integrates up-to-date research on best practices into each chapter and includes vignettes, classroom activities, sample lessons, a list of children's literature, and more.

Contains 100 easy-to-use practice vocabulary tests with a clear marking system on each page so that progress can be easily checked. It can be used on its own, for self-study or in the classroom, or to reinforce the vocabulary covered in *English Vocabulary in Use Upper-intermediate Third edition*, available separately. CEF: B2.
