driving hunger and desperate love were the most exquisite insanity. We were bound by our need. And our passion would take us beyond our limits to the sweetest, sharpest edge of obsession... Entwined with You From the moment I first met Gideon Cross, I recognized something in him that I needed. Something I couldn't resist. I also saw the dangerous and damaged soul inside—so much like my own. I was drawn to it. I needed him as surely as I needed my heart to beat. No one knows how much he risked for me. How much I'd been threatened, or just how dark and desperate the shadow of our pasts would become. Entwined by our secrets, we tried to defy the odds. We made our own rules and surrendered completely to the exquisite power of possession... Captivated by You Gideon calls me his angel, but he's the miracle in my life. My gorgeous, wounded warrior, so determined to slay my demons while refusing to face his own. The vows we'd exchanged should have bound us tighter than blood and flesh. Instead they opened old wounds, exposed pain and insecurities, and lured bitter enemies out of the shadows. I felt him slipping from my grasp, my greatest fears becoming my reality, my love tested in ways I wasn't sure I was strong enough to bear. At the brightest time in our lives, the darkness of his past encroached and threatened everything we'd worked so hard for. We faced a terrible choice: the familiar safety of the lives we'd had before each other or the fight for a future that suddenly seemed an impossible and hopeless dream...

Thrust into a world where sinners are drafted into service to kill demons, Eve's learning curve is short. A longtime agnostic, she begrudgingly maneuvers through a celestial bureaucracy where she is a valuable but ill-treated pawn. She's also become the latest point of contention in the oldest case of sibling rivalry in history... But she'll worry about all that later. Pushing him away nearly broke her, but when he took her heart with him, he left something precious behind. Now he's back, demanding her body, her desire, her very soul as retribution for the pain he still carries. He won't settle for anything less than everything she's got, but she still can't leave with him and he still can't stay, and their past has secrets too explosive to share.

I'm good at hiding my feelings. Having to pretend I'm not in love with my best friend? Pfft. That's child's play. Here's how I do it: I avert my eyes when he walks out of his room, shirtless in all his toned glory. I squash the butterflies that fill my stomach every time he slowly unfurls a dimpled smile. And, most importantly, I keep an arsenal of "personal massagers" in my bedside drawer. Wink. Not to brag, but Aiden Smith isn't hard to resist if you've been doing it for as long as I have. In fact, we might have continued as best friends forever if not for the fact that I needed him to play the part of my fake boyfriend. Date me like you mean it, I told him. Nudge nudge. C'mon, just go along with a little lie, help a girl out, and then we can all return to life as we know it. Except he veered from the plan. He crossed the line. Flirting with me when no one else was around? Pinning me down and kissing me like that? Okay, how exactly is taking off my bra part of the ruse, Aiden?! I'd ask him about it if I could, but well... things got ugly and we're not best friends anymore. In fact, we're the exact opposite. Now, I have to play nice even though I want to crush his heart in the palm of my hand. Pretending not to love Aiden was the easy part. Pretending not to hate him? Well... I might need a little more practice.

From Sylvia Day, the #1 New York Times bestselling author of the Crossfire novels, comes a novella of the Shadow Stalkers. When Deputy US Marshal Jared Cameron started investigating a series of arson attacks in the small seaside town of Lion's Bay, he had no idea that the biggest blast of heat would come from the fire inspector. Her name was Darcy Michaels—and if there was anyone that Jared wanted to get down and sweaty with, it was Darcy. Darcy knew what she was bringing out in Jared. In fact, she liked it. She reveled in making his dirty dreams come true. Stripped down for a scorching after-hours affair, Jared was her fantasy, too. A hard-driving man who knew exactly what to do to please her. But as hot as their nights were, they had no idea just how wild it was going to get. Because Darcy has a secret. And a past. And it's drawing them right into the flames... Includes an excerpt of Razor's Edge, another Shadow Stalkers novella. On Fire previously appeared in Hot in Handcuffs

NEW YORK TIMES BESTSELLER • From J. Kenner comes the second novel in the fast-paced trilogy that started with *Release Me*. This sexy, emotionally charged romance continues the story of Damien Stark, the powerful multimillionaire who's never had to take "no" for an answer, and Nikki Fairchild, the Southern belle who only says "yes" on her own terms. For Damien, our obsession is a game. For me, it is fiercely, blindingly, real. Damien Stark's need is palpable—his need for pleasure, his need for control, his need for me. Beautiful and brilliant yet tortured at his core, he is in every way my match. I have agreed to be his alone, and now I want him to be fully mine. I want us to possess each other beyond the sweetest edge of our ecstasy, into the deepest desires of our souls. To let the fire that burns between us consume us both. But there are dark places within Damien that not even our wildest passion can touch. I yearn to know his secrets, yearn for him to surrender to me as I have surrendered to him. But our troubled pasts will either bind us close . . . or shatter us completely. NOTE: This edition includes an excerpt from
