Of course they do -- just like me and you! From baby kangaroos, called joeys, to baby elephants, called calfs, every kind of animal has a mother. Inside this playful and colorful book you will see all sorts of different babies with their mothers, all with one thing in common: Their mothers love them very, very much -- just like your mother loves you! Come right in and meet the family -- the animal family, that is -- in words and pictures by Eric Carle.

Silliness takes center stage in this laugh-out-loud book from the creator of The Very Hungry Caterpillar?--now available as a board book Yes, there's something strange, something funny and even downright preposterous on every page of this book. But it's not a mistake - it's nonsense Nonsense lies at the heart of many beloved nursery rhymes. Children readily accept odd statements like "the cow jumped over the moon" and "the dish ran away with the spoon." This fanciful bending of reality is also basic to surrealism. In this book, nonsense and surrealism combine to spark creativity and imagination. What's true? What's impossible? What's absolutely absurd? From Eric Carle, creator of the classic, The Very Hungry Caterpillar, comes a book to make children laugh and think, preparing them for a lifetime of loving both words and art. Praise for The Nonsense Show A TIME Magazine Top 10 Children's Book of 2015 \* "Carle creates fun and laughter in this homage to the surrealist artist Ren Magritte.

Carle is one of the most beloved illustrators of children's books. This retrospective is more than just an appreciation of his art, however. The book also contains an insightful autobiography illustrated with personal photographs, an anecdotal essay by his longtime editor, a photographic essay on how Carle creates his collages, and writings by Carle and his colleagues. Still, it is the artwork in the oversize volume that seizes the imagination. More than 60 of his full-color collage pictures are handsomely reproduced and serve as a statement of Carle's impressive talent. - Booklist
