

Eric Clapton Guitar Chord Songbook

Eric Clapton has been referred to as one of the most important and influential guitarists of all time. He is a highly respected figure in the pantheon of rock and roll greats, and his long career - with the Yardbirds and Cream, and as a solo artist - has been acknowledged by hundreds of awards and accolades over the years. Eric Clapton celebrates the legendary musician through stunning, rarely published photographs and the reproduction of 20 items of memorabilia, including posters, tickets, flyers and signed photographs. Eric Clapton gives the reader a front-row seat (and backstage access as well) to the career of the legendary guitarist who the only person to be inducted into Rock and Roll Hall of Fame three times. This unique book is a treasure trove of memorabilia and photographs and the ultimate celebration of world's greatest living guitarist. Eighty acoustic classics from the last twenty-five years, arranged for guitar and voice. Sing and play all your favourite hits with just a few simple chords, all arranged from the actual recordings. Includes songs by David Gray, Travis, Eels, Crowded House, Oasis, The Verve, Belle & Sebastian, Supergrass, Jeff Buckley, Nirvana, The Smiths, Beck, Elliott Smith, Coldplay, Stereophonics and Gomez. ? New York Times bestselling author Allen St. John started off looking for the world's greatest guitar, but what he found instead was the world's greatest guitar builder. Living and working in Rugby, Virginia (population 7), retired rural mail carrier Wayne Henderson is a true American original, making America's finest instruments using little more than a pile of good wood and a sharp whittling knife. There's a 10-year waiting list for Henderson's heirloom acoustic guitars—and even a musical legend like Eric Clapton must wait his turn. Partly out of self-interest, St. John prods Henderson into finally building Clapton's guitar, and soon we get to pull up a dusty stool and watch this Stradivari in glue-stained blue jeans work his magic. The story that ensues will captivate you with its portrait of a world where craftsmanship counts more than commerce, and time is measured by old jokes, old-time music, and homemade lemon pies shared by good friends.

'These guitars have been really good tools; they're not just museum pieces. They all have a soul and they all come alive.' - Eric Clapton 'In his own words, Clapton tells his story through

Acces PDF Eric Clapton Guitar Chord Songbook

the history of his instruments.' - Rolling Stone In Six-String Stories Eric Clapton reflects on a legendary career as told through the tools of his trade: his guitars. Collected together here for the first time are the instruments Clapton sold in three record-breaking auctions between 1999 and 2011 to benefit the Crossroads treatment centre he founded in 1998. Featuring some of the most iconic guitars ever played, Clapton guides the reader through nearly 300 instruments as he discusses their provenance, reveals insights about his own playing, and shares anecdotes from each chapter of his spectacular life in music. 'One by one these guitars were the chapters of my life. They belong to a very well-loved family.' - Eric Clapton Six-String Stories presents a 'family tree' that makes connections between iconic instruments, such as Clapton's famous 'Blackie' Stratocaster, and previously unknown rarities, placing them in the chronology of his career. Clapton recalls the instruments he bought to emulate his heroes, the guitars with unknown origins that became their own legend, the ones that never left his side, and the legacy they left behind. Every piece has been individually photographed, revealing every curve, detail and scratch, while the work of over 80 of the world's best rock photographers shows the instruments in play. See Clapton's evolution from the psychedelic Sixties, through the stripped-back Seventies, electric Eighties, and unplugged Nineties, right up to the sale of the last guitar. 'As an avid rock or blues fan, I would look at all the pictures in this book.' - Eric Clapton Historical and technical information for each piece in the collection - including playlists and concert dates for those instruments used on records and at public appearances - completes the story behind each guitar. 'The guitars are things of great beauty.'

- Eric Clapton
